The Handbook of Folklore Charlotte Sophia Burne,1914 *The Handbook of Folklore* Charlotte Sophia

Burne,2015-06-02 Excerpt from *The Handbook of Folklore* Society Edition This book is not written for the use of members of Anthropological Expeditions whose work demands far more thorough acquaintance with the subject than could possibly be conveyed in a single volume It is addressed to officers of the public services to missionaries travellers settlers and others whose lot is cast among uncivilized or half civilized populations abroad to residents in country places at home to medical men philanthropic workers and all educated persons whose lives and duties bring them into touch with the uneducated Such persons have it in their power to contribute very greatly to the advance of an important study the value of which is as yet hardly fully appreciated and it is believed that they will be willing to do so if only the way is pointed out to them To do this is the aim of the *Handbook of Folklore* The genesis of the book is somewhat complicated The scheme of classification devised by Sir Laurence Gomme for the original edition of 1890 has been retained with only such modifications of detail as experience and extended knowledge have shown to be desirable That its retention should have been found possible in spite of the great development of the study during the last quarter of a century is no small testimony to the prescience of its author Beyond this a few passages here and there and the list of Types of Indo European Folk tales represent all that has been preserved from the first edition The earlier chapters are founded on a manuscript which Mr E Sidney Hartland began some years ago with a view to a new edition but which for various reasons was never completed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Handbook of Folklore Charlotte Sophia Burne,2014-08-19 An excerpt of a review from *Man* Volume 15 THE original *Handbook of Folklore* published in 1890 has long been out of print and unobtainable except at a price far above that at which it was issued Although the present handbook retains the name and the general scheme of classification of the original work it has been so completely re written and expanded that it has become to all intents and purposes an entirely new book Its appearance which for several years has been expected by students of its subject has well fulfilled their anticipations and Miss Burne is to be congratulated on its completion for she undertook it simultaneously with and in addition to other important literary work connected with the Folk Lore Society Divided into three parts Belief and Practice Customs and Stories and Savings the book covers the whole of that learning of the people whether they be or be not what we

call civilised folk which is termed shortly Folklore The headings of the chapters show the fascinating nature of the field to be covered and the importance of the subject to the ethnologist The Soul and Another Life Superhuman Beings Omens and Divination The Magic Art Disease and Leechcraft Social and Political Institutions Rites of Individual Life Occupations and Industries Calendar Fasts and Festivals Games Sports and Pastimes Stories Songs and Ballads Proverbs and Riddles to take some of them while the number of examples quoted in illustration of the subjects dealt with make the book engaging to the general reader An excellent introduction describes what folklore is and what it covers every thing which makes part of the mental equipment of the folk as distinguished from their technical skill and gives a set of instructions and directions based on the practical experiences of several successful collectors of folklore in the British Isles and abroad as to the best methods to be employed in getting into touch with the inner lives and the intimate beliefs of the people within the worker s field In furtherance of such collecting work a valuable Questionary is given as Appendix B while Appendix A gives directions as to the terminology to be employed in order to ensure accuracy in reporting in the place of the sometimes slipshod and consequently impaired from the student s point of view wording not infrequently to be found in printed articles or manuscript reports It would savor of impertinence for an individual to attempt to criticize as a whole the matter contained in a book of this kind a book prepared by an expert along lines laid down by and to a certain extent with the assistance of specialists in the various departments of its subject and this is the more so in that the author has had the fortunate privilege of having her work receive its baptism of criticism and that from some of those most competent to criticize it before its publication Two small suggestions however I would venture with regard to the form of the book which now corresponds as to paper and binding with the other publications of the Folk Lore Society One that the Introduction the Questionary and the compendium of terminology be at some time issued together as a separate booklet in order to help to bring into the ranks of the collectors of folklore some of those persons in whose lives old customs old stories and the like play so usual a part that it is not realized by them that the life of the world is not wholly as their own and that to them there have been bequeathed relics which are fast fading into thin ghosts or nothingness

The Handbook Of Folklore Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Handbook Of Folklore has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Handbook Of Folklore has opened up a world of possibilities. Downloading The Handbook Of Folklore provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Handbook Of Folklore has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Handbook Of Folklore. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Handbook Of Folklore. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Handbook Of Folklore, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Handbook Of Folklore has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Handbook Of Folklore Books

What is a The Handbook Of Folklore PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Handbook Of Folklore PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Handbook Of Folklore PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF.
