The Heart Of Narnia Knowing God Here By Finding Him There:

The Heart of The Chronicles of Narnia Thomas Myron Williams,2005 Using exciting biblical parallels this companion book leads readers into an understanding of Christ and what He did for them by explaining the deeper lessons of The Chronicles of Narnia *C.S. Lewis and a Problem of Evil* Jerry Root,2010-08-27 C S Lewis was concerned about an aspect of the problem of evil he called subjectivism the tendency of one s perspective to move towards self referentialism and utilitarianism In C S Lewis and a Problem of Evil Jerry Root provides a holistic reading of Lewis by walking the reader through all of Lewis s published work as he argues Lewis s case against subjectivism Furthermore the book reveals that Lewis consistently employed fiction to make his case as virtually all of his villains are portrayed as subjectivists Lewis s warnings are prophetic this book is not merely an exposition of Lewis it is also a timely investigation into the problem of evil

Believing in Narnia Natalie Gillespie,2008-05-04 Shows the Christian message within The Chronicles of Narnia To coincide with the release of Prince Caspian this book helps kids ages 7 11 understand the symbolism of the Christian faith written by C S Lewis in the Chronicles of Narnia series Christian concepts are simply explained along with excerpts from the Narnia books Each section of the book explains the characters events places and themes and gives insight in the spiritual parallels Kids parents teachers and ministers will all find this to be a great tool for use in preparing to see the movie **The Surprising Imagination of C. S. Lewis** Jerry Root,Mark Neal,Root,2015-09-01 Narnia Perelandra places of wonder and longing The White Witch Screwtape personifications of evil Aslan a portrait of the divine Like Turkish Delight some of C S Lewis s writing surprises and whets our appetite for more But some of his works bite and nip at our heels What enabled C S Lewis to create such vivid characters and compelling plots Perhaps it was simply that C S Lewis had an unsurpassed imagination Or perhaps he had a knack for finding the right metaphor or analogy that awakened readers imaginations in new ways But whatever his gifts no one can deny that C S Lewis had a remarkable career producing many books in eighteen different literary genres including apologetics autobiography educational philosophy fairy stories science fiction and literary criticism And while he had and still has critics Lewis works continue to find devoted readers The purpose of this book is to introduce C S Lewis through the prism of imagination For Lewis imagination is both a means and an end And because he used his own imagination well and often he is a practiced guide for those of us who desire to reach beyond our grasp Each chapter highlights Lewis s major works and then shows how Lewis uses imagination to captivate readers While many have read books by C S Lewis not many readers understand his power to give new slants on the things we think we know More than a genius Lewis disciplined his imagination harnessing its creativity in service of helping others believe more deeply Truly fresh rhetorically astute works about C S Lewis are rare but this provocative new volume by Jerry Root and Mark Neal emerges at just the right time to reinvigorate Lewis scholarship beyond the clichés we continue to repeat to each other The Surprising Imagination of C S Lewis delivers just that salvo an ingenious empathetic lavishly informed elucidation of Lewis s

understanding of the life of the imagination Bruce L Edwards Professor Emeritus of English and Africana Studies Bowling Green State University Bowling Green OH Our grasp of imagination is such a pale and paltry thing Neal and Root offer a much needed corrective by illustrating Lewis s robust use of the word The happy result is a more accurate and nuanced reading of Lewis But there is more through their careful work we are graced with a rich new vocabulary to discern and describe the many uses of creative imagination all around us Diana Pavlac Glyer Professor of English at Azusa Pacific University Azusa CA author of The Company They Keep C S Lewis and J R R Tolkien as Writers in Community This fabulous book on Lewis s imagination will delight readers new to Lewis and those who like the authors have been reading him for decades It shimmers with the joy of exploration and discovery The Surprising Imagination of C S Lewis is a reliable and inspiring guide not only to Lewis but to a treasure trove of imaginative books that fired Lewis s own imagination In Robert Frost s delightful phrase this book is the occasion for a fresh think Wayne Martindale Emeritus Professor of English Wheaton College Wheaton IL Jerry Root and Mark Neal make excellent use of Lewis s literary criticism of other authors to show how he employed different varieties of imagination in his own works The result is a good book about Lewis and an even better one on the capacity of imagination to enrich each of our lives every day Mark Noll Francis A McAnaney Professor of History University of Notre Dame Notre Dame IN For nearly four decades I have been reading books and articles in the field of Lewis studies This volume is one of the most original and fascinating books on Lewis to appear in a long time Lyle W Dorsett Billy Graham Professor of Evangelism Beeson Divinity School Samford University Birmingham AL

C. S. Lewis and the Inklings Jason Fisher, Mark Hall, Salwa Khoddam, 2015-09-18 This is a unique collection of two of the Inklings and their literary associates views on the negative impacts of technology in various areas of life and the resolution of these impacts through fellowship with others and faith in the Creator Some of these essays offer suggestions on how ensnarement by social media and surrender to modern technology can be countered by surrender to God Other essays also demonstrate how the significant literary craft of these authors can enchant readers and invite them into fairylands from which they return empowered and with a keener spiritual vision to tackle universal and present concerns

Reflecting the Eternal Marsha Daigle-Williamson, 2015-01-01 The characters plots and potent language of C S Lewis s novels reveal everywhere the modern writer admiration for Dante s Divine Comedy Throughout his career Lewis drew on the structure themes and narrative details of Dante s medieval epic to present his characters as spiritual pilgrims growing toward God Dante s portrayal of sin and sanctification of human frailty and divine revelation are evident in all of Lewis s best work Readers will see how a modern author can make astonishingly creative use of a predecessor s material in this case the way Lewis imitated and adapted medieval ideas about spiritual life for the benefit of his modern audience Nine chapters cover all of Lewis s novels from Pilgrim s Regress and his science fiction to The Chronicles of Narnia and Till We Have Faces Readers will gain new insight into the sources of Lewis s literary imagination that represented theological and spiritual principles in his clever
