The Hegel Myths And Legends Studies In Phenomenology And Existential Philosophy:

Hegel Myths and Legends Jon Stewart, 1996-05-13 For over thirty years Hegel scholars have known that many of the views of Hegel rife in the Anglo Saxon world are highly inaccurate The essays collected in this volume show the myths and legends to be just that The author has selected a set of essays that treat and effectively debunk the various Hegel myths and legends Divided into sections addressing the various myths and augmented by Stewart's informative introduction and a bibliography this collection should be of interest to scholars and nonspecialists alike

Hegel and the Metaphysical Frontiers of Political Theory Eric Goodfield, 2014-06-27 For over one hundred and fifty years G W F Hegel's ghost has haunted theoretical understanding and practice His opponents first and later his defenders have equally defined their programs against and with his In this way Hegel's political thought has both situated and displaced modern political theorizing This book takes the reception of Hegel's political thought as a lens through which contemporary methodological and ideological prerogatives are exposed It traces the nineteenth century origins of the positivist revolt against Hegel's legacy forward to political science's turn away from philosophical tradition in the twentieth century The book critically reviews the subsequent revisionist trend that has eliminated his metaphysics from contemporary considerations of his political thought It then moves to re-evaluate their relation and defend their inseparability in his major work on politics the *Philosophy of Right* Against this background the book concludes with an argument for the inherent metaphysical dimension of political theorizing itself Goodfield takes Hegel's reception representation as well as rejection in Anglo American scholarship as a mirror in which its metaphysical presuppositions of the political are exceptionally well reflected It is through such reflection he argues that we may begin to come to terms with them This book will be of great interest to students scholars and readers of political theory and philosophy Hegel metaphysics and the philosophy of the social sciences

Hegel Myths and Legends Jon Stewart, 1996-05-13 For many years scholars in German idealism have known that a number of the views of Hegel rife in the Anglo Saxon world are highly inaccurate The essays collected in *The Hegel Myths and Legends* disabuse students and nonspecialists of these misconceptions by exposing the myths for what they are

American Book Publishing Record, 1996 **Philosophie für die Polis** Christoph Riedweg, 2019-09-23 Die politische Philosophie der Antike erstreckt sich in ihrer Wirkung und Relevanz bis in die heutige Zeit Der vorliegende Band versammelt Beiträge zu ihren vorsokratischen Anfängen zu Platon und Aristoteles als den unumstrittenen Protagonisten sowie zu den hellenistischen Schulen berücksichtigt aber genauso auch kaiserzeitliche Spätantike und frühislamische Denker Das antike Nachdenken über Politik wird in seiner ganzen historischen Breite und in seiner ungebrochenen Aktualität vorgestellt Die Beiträge der Publikation gehen zurück auf Vorträge die im Rahmen des V Internationalen Kongresses der Gesellschaft für antike Philosophie GANPH 2016 in Zürich gehalten wurden

Idealism and Existentialism Jon Stewart, 2010-06-02 The history of Continental philosophy is often conceived as being represented by two major schools German idealism and phenomenology

existentialism These two schools are frequently juxtaposed so as to highlight their purported radical differences There is a commonly held view that an abrupt break occurred in the nineteenth century resulting in a disdainful rejection of idealism in all its forms This break is often located in the transition from Hegel to Kierkegaard The history of philosophy in the first half of the nineteenth century has thus been read as a grand confrontation between the overambitious rationalistic system of Hegel and the devastating criticisms of it by Kierkegaard s philosophy of existence This work aims to undermine this popular view of the radical break between idealism and existentialism by means of a series of detailed studies in specific episodes of European thought As a whole this book represents an important attempt to demonstrate the long shadow cast by Kant and Hegel over the subsequent history of European philosophy

Forthcoming Books Rose Arny,1996-06 **Bibliografisch repertorium van de wijsbegeerte** ,1997 Revue philosophique de Louvain ,1997 Political Approaches to Educational Administration and Leadership Eugenie A. Samier,with Adam G. Stanley,2008-03-01 This collection explores the political philosophy and theory foundations for educational administration and leadership as they influence our understanding analysis and practice in the field The first section Political Philosophy The Foundations discusses the work of such writers as Machiavelli Kant and Hegel Hayek Habermas and Bourdieu as their theories apply to the educational context The second section Political Analysis The Critique examines various types of political analyses such as the politics of the policy process minority politics civil society micro politics community politics and cosmopolitan theory The last section Current Political Controversies The Practice addresses current topical issues of a political nature including the serving of the state economic agenda the democratisation of educational organisations the neo conservative agenda and globalisation The broad international perspective from which these topics are covered makes this volume an excellent addition to the fields of educational leadership organizational studies and educational administration theory
