The Heisenberg Variations:

The Heisenberg Variations John Bricuth, 1988 Winner of the Helen C Smith Memorial Award for the Best Book in Poetry Texas Institute of Letters John Bricuth treats the world with extraordinary wit and subtle humor rare enough qualities in much twentieth century poetry Bricuth writes with gusto on a variety of subjects from the act of writing poetry to the lives of Glenn Miller and Laurel and Hardy His rare command of verse forms and wide range of tone make his work a distinctive addition to contemporary American poetry

Differentiability of Six Operators on Nonsmooth Functions and p -Variation R. M. Dudley, R. Norvaiša, 2006-12-08 The book is about differentiability of six operators on functions or pairs of functions composition $f \circ g$ integration of $f dg$ multiplication and convolution of two functions both varying and the product integral and inverse operators for one function The operators are differentiable with respect to p variation norms with optimal remainder bounds Thus the functions as arguments of the operators can be nonsmooth possibly discontinuous but four of the six operators turn out to be analytic holomorphic for some p variation norms The reader will need to know basic real analysis including Riemann and Lebesgue integration The book is intended for analysts statisticians and probabilists Analysts and statisticians have each studied the differentiability of some of the operators from different viewpoints and this volume seeks to unify and expand their results

The View We're Granted Peter Filkins, 2012-08-15 These poems consider large events such as 9/11 and the Holocaust as well as everyday concerns like quilting ice skating or the beauty of a stand of sugar maples in winter Co Winner of the Sheila Motton Book Award of the New England Poetry Club In the pivotal poem Marking Time which appears almost exactly halfway through Peter Filkins's fourth collection of poetry the speaker reflects on the death of a sibling and how time is marked by our memories These memories these moments whether spent contemplating a painting by Vermeer or the simple toss of a bean bag ultimately shape who we are Yet you are with me here with me here again where neither that moon nor you exist but live tethered to this memory composed of words These are poems unafraid to be graceful and engaging They attain an assurance and stability rare in contemporary poetry while their careful balance of sadness and joy reminds the reader of the difficult negotiations we make in life

Deep Gossip Sidney Wade, 2020-04-07 A great and frequently subversive book by a lyric poet at the height of her craft Throughout her seven critically acclaimed collections Sidney Wade has established herself as a poet with a serious but light touch capable of the clarity and inventiveness it takes to work a problem to both pleasure and resolution Playing with and challenging form in all directions the 27 new and 96 selected poems in *Deep Gossip* bristle with a

sly wit that trips and delights the reader Inspired by landscape language music and living things as well as the occasional bout of political outrage Deep Gossip is a smart collection Praise for Other Books by Sidney Wade The quick closely observed poems in Sidney Wade s beguiling Bird Book move from page to page like their subjects in flight on air a murmuration sweeping across the horizon William Souder Sidney Wade s linguistic and philosophical turns in Bird Book confirm that she is both the supreme heir to Wallace Stevens and one of the most original poets in the language Randall Mann This is a beautiful wise and timely collection Daniel Anderson As impressive and thrillingly exact as these poems are concerning matters ornithological it is the exquisite music earth sprung bright and resonant of Wade s radically short line that so enchants me the free play of interlinear rhyme phonemic harmonies and small bursts of metrical rhythms that yield more vitality and delight than any gathering of poems I have encountered in a very long time B H Fairchild Her poems are a particular and splendid instance of what Hopkins meant by poetry proper the language of inspiration Richard Howard Words Brushed by Music John T. Irwin,2004-10-06 A collection of poems by various authors originally featured in the Johns Hopkins Poetry and Fiction series over the last twenty five years American Hieroglyphics John T. Irwin,2016-10-02 How the discovery of the Rosetta Stone led to new ways of thinking about language A brilliant new interpretation of major 19th century American writers J Hillis Miller The discovery of the Rosetta Stone and the subsequent decipherment of Egyptian hieroglyphics captured the imaginations of nineteenth century American writers and provided a focal point for their speculations on the relationships between sign symbol language and meaning Through fresh readings of classic works by Emerson Thoreau Whitman Poe Hawthorne and Melville John T Irwin s American Hieroglyphics examines the symbolic mode associated with the pictographs Irwin demonstrates how American Symbolist literature of the period was motivated by what he calls hieroglyphic doubling the use of pictographic expression as a medium of both expression and interpretation Along the way he touches upon a wide range of topics that fascinated people of the day including the journey to the source of the Nile and ideas about the origin of language *Dark Horses* X. J. Kennedy,1992-10-01 In Dark Horses prize winning poet X J Kennedy gathers forty two new poems rich in sound and sense All display uncommon skill and an ability to treat matters both timeless and contemporary From the lighthearted ballad Dancing with the Poets at Piggy s to the darkly meditative lyric The Waterbury Cross the poems show Kennedy s wide range There are intimate portraits of a woman veterinarian and a young man dying of AIDS a song about the Sri Lankan festival of Buddha s tooth and a stark account of a confrontation with a homeless panhandler Emily Dickinson Leaves a Message to the World on the newly installed answering machine in her Amherst homestead Finding a Woodpile Skull the severed head of a black ant makes the poet laugh at his own expense as he plays ham Hamlet to a formic Yorick Enlivened by X J Kennedy s sardonic humor wit and insight into the human condition the dark horses of this newest collection represent the finely crafted work of one of America s best known and most widely respected poets Ballyhoo Hastings Hensel,2019-04-02 A poetry collection that grapples with the tragicomic nature of

language memory love work and the performative self Though at times whimsical and witty the poems in Hastings Hensel's Ballyhoo inhabit the world beyond and between the punchline In tightly controlled meditations on language's limits and its necessity as well as on the many forms that humor takes comedy laughter farce clowning parody and more Hensel navigates fine lines between joy and sadness jokes and cruelty reality and illusion and irony and sincerity Universal in scope the 47 poems in Ballyhoo are richly idiomatic and evocative They are also frequently grounded in the southern Atlantic coast with its particular ecology characters history and myth The pleasure in reading these poems comes from the original connections Hensel makes between the literary and the gritty an elegy set in a bait shop Twelfth Night's Feste delivering a monologue in a bar a villanelle about a murder on a cruise ship These intelligent insightful poems remind us of the frail but important relationships between comedy memory and identity Ballyhoo offers a sobering examination of the tragicomic nature of the world

Writing the World Kelly Cherry, 1995 In a series of passionate profound often humorous observations Kelly Cherry explores the art of writing its relationship to place and its importance in our lives I have never written a travel essay Cherry says but her travels inform her poetry and fiction Now seeking to understand what it means to write from any particular place she charts a course in creative nonfiction prose From Cleveland to Yalta Wisconsin to Latvia England to the Arizona desert or the Philippines she writes as a way of knowing the world Along the way we become acquainted with the author herself whose parents were string quartet violinists They didn't go to church and caught up in a rehearsal sometimes forgot to put dinner on the table but there was always music in the house or the tenement flat Cherry recalls warmly the stories of her childhood I don't know whether or not there's a God her mother would say but I know there was a Beethoven and that's good enough for me And always there was writing As young writers do Cherry earned her living at a variety of jobs creating fictional histories of overseas orphans for their U.S. sponsors editing and writing religious textbooks a stint as a visiting professor in southwest Minnesota where in order to live in the dormitory the only housing practicable for someone without a car she had to enroll simultaneously as a student she took astronomy And in the evenings the mornings and other stolen moments she wrote as she does now to create beauty from a specific kind of knowledge the knowledge we acquire by creating beauty Cherry explores what it means to be a Southern writer and a woman writer and discusses the changing face of the profession of writing To be a writer in America is to be marginal she notes adding that perhaps the best place for a serious writer to reside is on the edge outside looking in You seek to know what it means to be living where you are and that search is for a writer a searching out of language That quest is for a writer a questioning For a writer beauty and knowledge begin in the same place With its brilliant insights and beautiful language *Writing the World* is an eloquent meditation on what it means to be a writer Like Annie Dillard's *The Writing Life* and Eudora Welty's *One Writer's Beginnings* Cherry's *Writing the World* will be a lasting inspiration for anyone who has ever dreamed of being a writer

Resistance to Science in Contemporary American Poetry Bryan Walpert, 2011-09-26 This book examines types of resistance in contemporary poetry to

the authority of scientific knowledge tracing the source of these resistances to both their literary precedents and the scientific zeitgeists that helped to produce them Walpert argues that contemporary poetry offers a palimpsest of resistance using as case studies the poets Alison Hawthorne Deming Pattiann Rogers Albert Goldbarth and Joan Retallack to trace the recapitulation of romantic arguments inherited from Keats Shelly and Coleridge which in turn were produced in part in response to Newtonian physics modernist arguments inherited from Eliot and Pound arguments influenced in part by relativity and quantum theory and postmodernist arguments arguments informed by post structuralist theory e g Barthes Derrida Foucault with affinities to arguments for the limitations of science in the philosophy sociology and rhetoric of science Some of these poems reveal the discursive ideologies of scientific language reveal in other words the performativity of scientific language In doing so these poems themselves can also be read as performative acts and therefore as forms of intervention rather than representation Reading Retallack alongside science studies scholar Karen Barad the book concludes by proposing that viewing knowledge as a form of intervention rather than representation offers a bridge between contemporary poetry and science

In the Crevice of Time Josephine Jacobsen, 2000-06-08 Collected poetry from the 1995 National Book Award finalist Winner of the Frost Medal the Poets Prize and the William Carlos Williams Award of the Poetry Society of America Josephine Jacobsen s distinguished career as poet and writer spans more than six decades from the publication of her first poem at age eleven to her 1994 American Academy of the Arts Citation which celebrated her as a recipient of almost every major poetry award From 1971 to 1973 she served two terms as Consultant in Poetry to the Library of Congress a post recently retitled National Poet Laureate Now in paperback In the Crevice of Time brings together 176 new and previously published poems by one of the most accomplished and most widely acclaimed poets of our time **The Night Guard at the Wilberforce Hotel** Daniel Anderson, 2014-04-21 In his third collection of poems Daniel Anderson ponders and celebrates the images sounds and tastes of contemporary life The poems in The Night Guard at the Wilberforce Hotel navigate the evanescent boundaries between the public and the private self Daniel Anderson s settings are often social but never fail to turn inward drowning out the chatter of conversation to quietly observe the truths that we simultaneously share and withhold from one another even as we visit friends celebrate a young couple s union or eavesdrop on the conversations of others These twenty poems include meditations on teaching hungover undergraduates wine tasting among snobs and engaging the war on terror from the comfort of the suburbs They are alternately driven by ornamental language that seeks to clarify and crystallize the beauties of our common world and the poet s faith that fellowship ultimately trumps partisanship Even as they weigh and measure the darkness of the heart and the sometimes rash and stingy movements of the mind the poems refrain from pronouncing judgment on their characters As much as they ponder they also celebrate in exact careful and loving terms the haunting and bracing stimuli from which they originate **Water / Music** Peter Filkins, 2021-04-06 A diverse display of formal dexterity narrative power and lyrical resonance Peter Filkins s latest collection

of poems explores the fraught relationship between the natural world and the human Exploring the space between nature and culture the poems of Water Music anchor themselves in the timely and the timeless Rich and diverse in their formal intricacy they move with ease from narrative to meditation from close physical observation to the haunts of memory and from lyric sorrow to the pleasure of living in the world Water Music embraces and celebrates life s mystery and the soul s repose amid talismans at twilight the whirl of birds

Pure Products of America, Inc. John Bricuth,2015-11-15 The poetic life and times of Big Bubba equal parts charismatic trickster and tent revival preacher This propulsive narrative poem tells the extended story of the popular born again televangelist Ray Bob Elray better known to all his fans as Big Bubba his twin sons Nick and Jesse and his niece and adopted daughter Donna The comic tragedy of Big Bubba s family begins to unfold when he is interviewed by an old friend country radio disc jockey Charlie Printwhistle Bubba has come to Waco Texas to preach a revival but soon reveals to Charlie much about his complicated relationship with his family his ambitions for the ministry his faith healing and his most recent venture with Pure Products of America Inc which produces and endorses anything pure from Bibles to jelly preserves for a whopper of a fee of course Structured as a verse play of two acts composed of three scenes each Pure Products of America Inc follows the unwinding of Bubba s legacy as his heirs fall out and his already slippery relationship with religion is tested by genuine grief Along the way master poet John Bricuth treats readers to a sly sarcastic and sometimes deeply moving look at storytelling old time religion and the American way
