The Hiccup Song:

The Hiccup Song Martha Mier, 2005-05-03 This fun little song for the elementary level pianist tells the story of a problem we've all dealt with. The staccato notes and accents will musically describe the hiccup sounds and there are long legato phrases as well, all in C major C Position. **The Hiccup**, 2014-01-07 The hiccups are annoying. They come on quickly and refuse to go away. Just ask Elliot. There he was having a nice picnic with his cousin Lutz when he accidentally ate too fast. Now he's stuck hiccupping around the forest and Elliot's unbearable situation couldn't be any funnier to Lutz. As Elliot wanders around the forest, all the animals try giving him advice on how to get rid of his hiccups. Maybe holding his breath will do the trick. Or drinking lots of water. Or maybe doing a headstand. No luck. Just when Elliot has all but given up, Lutz unexpectedly stumbles upon the cure. But will Lutz learn his lesson about not making fun of his friend's hiccups? Ingrid Sissung's humorous story and vibrant illustrations in *The Hiccup* remind readers of all ages to show sympathy to others in a tough situation because what goes around comes around. **The Music of the How to Train Your Dragon Trilogy** Erik Heine, 2024-06-12 One of the many reasons why children and adults love the *How to Train Your Dragon* films is the music. John Powell composed the music for all three films, maintaining thematic consistency while writing new themes for each film. This book serves as a score guide for the *How to Train Your Dragon* trilogy. Every note has been examined to thoroughly discuss the music for *Hiccup*, *Toothless*, and the other dragons, Vikings, and the enemies and friends that they encounter. It features interviews with the composer and nearly 100 musical excerpts. **Martha Mier's Favorite Solos, Book 1** Martha Mier, The contents of this book have been personally selected by Martha Mier as some of her all-time favorite sheet music solos. Rock N Roll Gold Rush Maury Dean,2003 This monster Rock n Roll survey focuses on the songs and the vibrant personalities who create them for college audiences and the general public Dean published the world s first history of Rock in 1966 Here in his ebullient style he buzzes through piles of musical singles from the whole last half century describing what is fun about each major and minor hit pointing out what elements were exciting or new or significant in the development of musical styles He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music This snappy witty and informative album has universal appeal doubling as a coffee table trivia treasure and a college level popular music history text It includes hundreds of photos chapter questions and an extensive index Reader friendly and informationally complete it covers soft rock heavy metal rhythm blues country rock and classic oldies all with tender loving care for the specialist and casual listener alike Its mini portraits of the artists who move so many hearts and feet the photos and the insightful sound bites get to the essence of each song and each musician s contribution to the music of our age The single song focus makes the book unique It s a playlist for R n R professors and the general public written with a collegiate vocabulary tight organization and a respect for all Hearing Elvis for the first time was like busting out of jail Bob Dylan That being said no one is being incited here to bust out of jail or to emulate the quixotic habits of rock stars There s nothing in here to hide from the kids the clergy or grandma Gold Rush can

be used as a university or community college text but most people will grab it for the sheer pleasure of reading about everyone's favorites Great gift for Rock enthusiasts Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond Gold Rush takes thousands of songs spanning three centuries and brings them back uniquely as if they came out just yesterday Gold Rush unites the Anglo American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures As Leonard Maltin's Movie Guide helps you select videos at Blockbuster so Gold Rush is a powerful playlist for your music collection with many new and fascinating photos of favorite stars Gold Rush explains the most important stories behind the songs you picked to be played the songs that went gold from the 1897 Alaska Klondike Gold Rush to the 1 songs of today and beyond *Jazz, Rags & Blues, Book 3* Martha Mier, 2005-05-03 Jazz Rags Blues Book 3 contains original solos for intermediate to late intermediate level pianists that reflect the various styles of the jazz idiom An excellent way to introduce your students to this distinctive American contribution to 20th century music **Reflections, Book 1** Martha Mier, Many musical moods are reflected in this captivating collection of seven elementary piano solos written in the Romantic style Lyrical melodies arching above rich harmonies encourage the shaping of expressive musical phrases Carefully chosen dynamic markings help less experienced students develop finesse within the phrases Grown up titles and introspective melodies make this collection suitable for teenage and adult beginners too **Beating Cancer. A Miracle on the NHS** Simon Riley, 2005-12 This is cancer story with an upbeat ending Simon had only just had his second child when he was told he had myeloma and it was incurable But he decided to fight it and with the help of his brilliant doctors defied the odds to return to health It is a moving sometimes funny story that will deliver hope to other sufferers and their loved ones **Listen to Rap!** Anthony J. Fonseca, 2019-09-26 Listen to Rap Exploring a Musical Genre provides an overview of this kinetic and poetic musical genre for scholars of rap and curious novices alike Listen to Rap Exploring a Musical Genre discusses the 50 most influential commercially successful and important rappers rap crews bands rap albums and rap singles Rap began as an American phenomenon so the book's emphasis is on Americans although it also includes information on Canadian British Indian and African rappers and crews Its organization makes information easily accessible for readers and the emphasis on the sound of the music gives readers a new angle from which to appreciate the music Unlike other titles in the series this volume concentrates solely on rap music Included in the book are rappers who range from the earliest practitioners of the genre to rappers who are redefining the genre today A background section introduces the genre while a legacy section shows how rap has cemented its place in the world Additionally another section shows the tremendous impact rap has had on popular culture **In Good Relation** Sarah Nickel, Amanda Fehr, 2020-05-01 Over the past thirty years a strong canon of Indigenous feminist literature has addressed how Indigenous women are uniquely and dually affected by colonialism and patriarchy Indigenous women have long recognized that their intersectional realities were not represented in mainstream feminism which was principally white

middle class and often ignored realities of colonialism As Indigenous feminist ideals grew Indigenous women became increasingly multi vocal with multiple and oppositional understandings of what constituted Indigenous feminism and whether or not it was a useful concept Emerging from these dialogues are conversations from a new generation of scholars activists artists and storytellers who accept the usefulness of Indigenous feminism and seek to broaden the concept In *Good Relation* captures this transition and makes sense of Indigenous feminist voices that are not necessarily represented in existing scholarship There is a need to further Indigenize our understandings of feminism and to take the scholarship beyond a focus on motherhood life history or legal status in Canada to consider the connections between Indigenous feminisms Indigenous philosophies the environment kinship violence and Indigenous Queer Studies Organized around the notion of generations this collection brings into conversation new voices of Indigenous feminist theory knowledge and experience Taking a broad and critical interpretation of Indigenous feminism it depicts how an emerging generation of artists activists and scholars are envisioning and invigorating the strength and power of Indigenous women *Bravo!, Book 2* Martha Mier,2005-05-03 The spirited and energetic nature of these solos will encourage the pianist to perform with flair and showmanship The fast finger actions stirring rhythms and dramatic sounds of *Bravo Book 2* will captivate both the performer and the listener *The Storm-petrels* Rob Thomas,2024-07-25 The first definitive work on the European Storm petrel and its relatives by one of the world s leading experts on the species Imagine a bird as small as a sparrow which lives most of its life on the open ocean yet can survive for decades It walks on water and migrates half way around the world returning to remote islands to breed underground often in the same rock crevice each year At night it lays an enormous egg feeding its chick until the nestling weighs more than both parents put together It seems to have little fear of humans but was itself feared by ancient seafarers This might sound like the stuff of legend but is actually the description of a real creature the storm petrel walker on water global wanderer climate sentinel and open ocean survivor In this beautifully written monograph Rob Thomas explores the remarkable life of the European Storm petrel comparing and contrasting its behaviour and ecology across its range and with the other storm petrels of the world We learn about their evolution taxonomy migration and adaptations to a life in the harsh open ocean while also discovering what these enigmatic seabirds are revealing about what humans are doing to our planet Illustrated with 150 photographs and including the author s personal anecdotes and observations *Storm petrels* highlights some of the most exciting recent research findings and sets a trajectory for future discoveries *Take a Sad Song* James Campion,2022-06-01 In *Take a Sad Song* The Emotional Currency of Hey Jude James Campion dives deeply into the song s origins recording visual presentation impact and eventual influence while also discovering what makes Hey Jude a classic musical expression of personal comfort and societal unity conceived by a master songwriter Paul McCartney Within its melodic brilliance and lyrical touchstones of empathy and nostalgia resides McCartney s personal and professional relationship with his childhood friend and songwriting partner John Lennon and their simultaneous pursuit of the women who

would complete them There are also clues to the growing turmoil within the Beatles and their splintering generation scarred by war assassination and virulent protest *Campion's* journey into the song includes the insights of experts in the fields of musicology sociology philosophy psychology and history *Campion* also reveals commentary from noted Beatles authors biographers music historians and journalists and finally a peek into the craft of songwriting from a host of talented composers across several generations *Take a Sad Song* is a tribute to how a song can define inspire and affect us in ways we do not always fully comprehend as well as a celebration of a truly amazing track in the Beatles canon that reveals one band's genius and underscores its lasting voice in our cultural and musical landscape

Romantic Impressions, Book 4 Martha Mier, 2005-05-03 Written to provide pianists with the experience of expressive playing the *Romantic Impressions* series invites students to play in a lyrical expressive and romantic style which is an important aspect in the development of the intermediate pianist Book 4 completes this top selling series by popular author Martha Mier
