The Hidden Hand A Volume Of Ten Sermons:

Spurgeon's Sermons Volume 10: 1864 Charles Haddon Spurgeon, 2017-06-22 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the tenth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage and inspire anyone who seeks a closer and more intimate relationship with God *The Anglo-Welsh Review* ,1977 **Plymouth Pulpit** Beecher, Henry Ward, 1869 **Catholic Spectacle and Rome's Jews** Emily Michelson, 2024-02-27 A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century Jews in Rome were forced every Saturday to attend a hostile sermon aimed at their conversion Harshly policed they were made to march en masse toward the sermon and sit through it all the while scrutinized by local Christians foreign visitors and potential converts In *Catholic Spectacle and Rome's Jews* Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism Drawing from a trove of overlooked manuscripts Michelson reconstructs the dynamics of weekly forced preaching in Rome As the Catholic Church began to embark on worldwide missions sermons to Jews offered a unique opportunity to define and defend its new triumphalist global outlook They became a point of prestige in Rome The city's most important organizations invested in maintaining these spectacles and foreign tourists eagerly attended them The title of Preacher to the Jews could make a man's career The presence of Christian spectators Roman and foreign was integral to these sermons and preachers played to the gallery Conversionary sermons also provided an intellectual veneer to mask ongoing anti Jewish aggressions In response Jews mounted a campaign of resistance using any means available Examining the history and content of sermons to Jews over two and a half centuries *Catholic Spectacle and Rome's Jews* argues that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity
