**Sinners and Saints** George William Walter, 1973 Tells of the people and the times the history and the folklore of upstate New York

**The Best Land** Susan A. Brewer, 2024-10-15 In Susan A Brewer's fascinating *The Best Land* she recounts the story of the parcel of central New York land on which she grew up. Brewer and her family had worked and lived on this land for generations when the Oneida Indians claimed that it rightfully belonged to them. Why she wondered did she not know what had happened to this place her grandfather called the best land. Here she tells its story tracing over the past four hundred years the two families her own European settler family and the Oneida Mohawk family of Polly Denny who called the best land home. Situated on the passageway to the west the ancestral land of the Oneidas was coveted by European colonizers and the founders of the Empire State. The Brewer and Denny families took part in imperial wars the American Revolution broken treaties the building of the Erie Canal Native removal the rise and decline of family farms bitter land claims controversies and the revival of the Oneida Indian Nation. As Brewer makes clear in *The Best Land* through centuries of violence bravery greed generosity racism and love the lives of the Brewer and Denny families were profoundly intertwined. The story of this homeland she discovers unsettles the history she thought she knew. With clear determination to tell history as it was without sugarcoating or ignoring the pain and suffering of both families Brewer navigates the interconnected stories with grace humility and a deep love for the land. *The Best Land* is a beautiful homage to the people the place and the environment itself.

*Sinners and Saints* Michael G. Edwards, 2006-01-01 [Grassroots Reform in the Burned-over District of Upstate New York](#) Judith Wellman, 2014-01-21 Before the Civil War upstate New York earned itself a nickname the burned over district. African Americans were few in upstate New York so this book focuses on reformers in three predominately white communities. At the cutting edge of revolutions in transportation and industry these ordinary citizens tried to maintain a balance between stability and change.

[Upstate Cauldron](#) Joscelyn Godwin, 2015-03-06 A guide to the phenomenal crop of prophets cults and utopian communities that arose in Upstate New York from 1776 to 1914. From 1776 to 1914 an amazing collection of prophets mediums sects cults utopian communities and spiritual leaders arose in Upstate New York. Along with the best known of these such as the Shakers Mormons and Spiritualists this book explores more than forty other spiritual leaders or groups some of them virtually unknown but all of them fascinating. The author uncovers common threads that characterize these homegrown spiritualities including roots in Western esoteric traditions liberation from the psychological pressures of dogmatic Christianity a preoccupation with sex and involvement in the radical reform movements of the day. In addition to maps and photographs of surviving buildings and monuments the book also features a gazetteer of sites listing 150 locations connected to these groups which may be used as a helpful travel guide to the region. The dean of alternative spiritual history produces one of his central and most thoughtful works in *Upstate Cauldron*. This book is more than a cauldron. It is a melting pot into which Joscelyn Godwin blends the diffuse and complex religious movements that once

converged in Upstate New York to show how we became a modern civilization indelibly stamped by the experience of spiritual outsiders This is both splendid history and a book of wonders in uncovering lost fragments of our world Throw away your highlighter because you won't know where to stop Mitch Horowitz author of *Occult America* *White House Sances* *Ouija* *Circles* *Masons* and the *Secret Mystic History of Our Nation* What a fascinating book Upstate Cauldron takes a refreshing and new look at the period of time when Upstate New York was the center of the Spiritualist movement in America Joscelyn Godwin has written a book that is very difficult to put down introducing us to the most wonderful and exotic individuals People like Timothy Brown who built one of the most intricate and most photographed homes in Central New York with his own hands and out of his own head Can you say spiritual guidance And we meet Kate and Maggie Fox who may have been America's earliest rap stars The fabulous Fox sisters used secret rapping sounds to convince converts that they were communicating with the other world Anthony Damiani was a spiritual godfather to many young people in the university city of Ithaca He doled out his visions of wisdom on Ithaca's main street and when done raced fifty miles to his job as a New York State Thruway toll taker These are just some of the sometimes incredible sometimes bizarre but always interesting people at the core of Upstate's Spiritualism history Godwin tells the story of a little known historical chapter of the area with insight and great liveliness As the author myself of a half dozen books about Upstate New York I found this book irresistible and absorbing Chuck D Imperio author of *Unknown Museums of Upstate New York* A Guide to 50 Treasures Destined to become the definitive book on eccentric religion in this geographical area this is a fascinating account of unusual and inventive religious figures and movements Sure handed even tempered and wry Joscelyn Godwin is the ideal guide and his book is one that all readers will want to have in hand as they explore this historically rich and important region What's more it is an important book for understanding a vital part of American religious history Arthur Versluis author of *American Gurus From Transcendentalism to New Age Religion*

**Sigrid Undset on Saints and Sinners** Sigrid Undset, 1993 *Women Who Love Monsters* Lori Perkins, 2018-03-06 Hollywood has thrilled and titillated audiences with tales of women who love monsters since King Kong and The Creature from the Black Lagoon Our love affair with the ultimate others continued as we made the acquaintances of Barnabas Collins Swamp Thing the Vampire Lestat Hellboy and Shrek Most recently the genre was celebrated and ultimately validated when The Shape of Water won the Academy Award for Best Motion Picture a rare nod to the power and popularity of paranormal romance story telling It should come as no surprise that when ViceTV decided to do an episode on Monsters Fantasies they came to Riverdale Avenue Books to interview some of those authors in an episode that aired in March 2018 *Women Who Love Monsters With Stories* by Cecilia Tan Jamie K Schmidt Laura Antoniou Katherine Ramsland Trinity Blacio Nathan Pettigrew j Gambardella Truth Venson CB Archer Jennifer Williams Stanley B Webb Amy Stilgenbauer Cynthia Ward
