**A Word for the Church** Jeff Mills, MDiv, 2023-04-27 This book was written for both the new churchgoer and the senior churchgoer It begins with a history of the church and leads into how the church leadership of today operates This book was written to show that there is no such thing as a perfect church but there is a church that should be striving toward perfection This book allows its readers to test their church to ensure that sound Christian doctrine is being taught and put to the test As stated earlier there is no perfect church every church has issues that must be dealt with and this book covers many of those issues through a firsthand account and gives actions that can help eliminate these troublesome areas It also deals with what a healthy church looks like and how to get to that point As the church body our greatest job is to share the good news of Jesus with everyone that we can This book includes a chapter on evangelism and easy methods that can be used by individuals and the church as a whole In summary this book is about the history of the church and what God intended the church to be and how many times we fall short The good news is that there is hope for our churches today we just need our members to be on fire for Jesus and become servant hearted workers in the church
