Excerpt from *Henry Irving*. The first chapter of this book was revised by Sir Henry Irving a few months before his death. It formed part of an authoritative biography which Sir Henry Irving lived until his projected formal farewell of the stage next autumn would have been published. Then I have thought it well to let this chapter stand exactly as it left his hands, as it represents just what he wished to be printed during his life time. In the future, however, I purpose amplifying this sketch of the early life of the great actor. The other chief articles in this volume were written within a few hours of Sir Henry's death. *Personal Recollections for The Daily Telegraph*. *Some Reminiscences for The Standard*. *Henry Irving the Actor for The Illustrated London News*. *Henry Irving on Tour* appeared in *The Sphere* by a curious coincidence on the day of his death, and that on *Irving and Westminster Abbey* in the same paper of the following week.
