Boulton,1975-05-08 Paradoxically Daniel Defoe is diminished by his popularity as the author of a handful of important novels since the remainder of his voluminous writings suffer undue neglect Fully to understand him he should be taken whole but his authorship of over 500 publications renders this feat well nigh impossible The purpose of this selection then is to enable the reader to make or renew the acquaintance of Defoe on some of his favourite topics such as trade and politics manners and morality in poetry as well as prose and in works like A True Relation of the Apparition of One Mrs Veal and Memoirs of a Cavalier which are characteristic blends of fact and fiction Equipped with the insights possible from this sample the reader it is hoped will return to the major novels with a keener appreciation of their distinctive quality and a livelier sense of their author Growing Up with God Beverley Johnson,2025-03-01 Beverley learns about God from the Bible stories in

kindergarten and invites Him to come to Jamaica She goes home each day and waits for Him to show up Will He come Join Beverley on her childhood journey as she relentlessly seeks after the truth of God With drive and imagination she determines to be Bev The Spirit Fighter joining with God to fight evil and lead people to Him But when God doesn t appear she loses heart In her teens she becomes a nightclub and party girl even though she knows this isn t the life God desires for her Then one day God shows up and calls her to do His work She finally says yes and her story comes full circle a story bigger than she could ever imagine A beautiful testimony to the faithfulness of God Growing Up with God will inspire readers to give themselves whole heartedly to the Lord **Womanhood** ,1906 **Women's Studies Index, 1998** G.
