discovery Woman One of those books that makes you cancel everything so you can finish and then wish it were not over

reader review What happens when you discover that your glamorous movie star mother could never have given birth to you

Fans of Lucinda Riley Santa Montefiore and Rachel Hore will be gripped by Muna Shehadi's *The Summer Sister* Previously published as *Private Lies* I don't know why more people aren't talking about this book it's worth your time

reader review A delight to read Reminded me a bit of Nora Roberts storytelling

reader review Captures your interest straightaway

reader review I adored this so many twists and turns I recommend this book highly

reader review All her life she's been searching for the truth The three daughters of stunning but unstable movie star Jillian Croft and her famous acting teacher husband Daniel Braddock grew up being treated as special even after their mother's tragic death Years later their world is overturned when they discover a medical document suggesting Jillian could never have given birth to them Whilst Olivia and Eve insist there's some mistake quirky impulsive middle sister Rosalind can't leave the matter alone Rosalind has always felt separate from her poised successful sisters If she has a different birth mother she wants to know Investigation leads her to Leila Allerton an opera singer from New Jersey with a vibrant close knit family to whom Rosalind aches to belong At first its members warmly welcome their new neighbour but circumstances and personalities soon clash leaving a bewildered Rosalind unsure how they'll feel when they discover her true reason for seeking them out Don't miss Muna's other enthralling novels in the *Fortune's Daughters* trilogy *The Winter Sister* and *The Spring Sister* The author's writing style is similar to that of Santa Montefiore whom I love

reader review The story telling in this book is right up there with Nora Roberts

reader review To say I loved reading this book would be an understatement I simply couldn't put it down

reader review A really gripping book which is lovely and fast paced

reader review Such a beautiful story with the family drama that I love It was my first book by the author but it definitely won't be the last

reader review Fascinating with an exciting group of characters

reader review A beautiful and extremely romantic novel showing that there is hope even after the complete shattering of dreams Highly recommended
