Sisters Valerie Coursen,1997 [Emma's Postcard Album](#) Faith Mitchell,2022-12-21 BCALA 2023 Outstanding Contribution to Publishing Citation Award winner The turn of the twentieth century was an extraordinarily difficult period for African Americans a time of unchecked lynchings mob attacks and rampant Jim Crow segregation During these bleak years Emma Crawford a young African American woman living in Pennsylvania corresponded by postcard with friends and family members and collected the cards she received from all over the country Her album spanning from 1906 to 1910 and analyzed in Emma s Postcard Album becomes an entry point into a deeply textured understanding of the nuances and complexities of African American lives and the survival strategies that enabled people to make a way from no way As snippets of lived experience eye catching visual images and reflections of historical moments the cards in the collection become sources for understanding not only African American life but also broader American history and culture In Emma s Postcard Album Faith Mitchell innovatively places the contents of this postcard collection into specific historic and biographical contexts and provides a new interpretation of postcards as life writings a much neglected aspect of scholarship Through these techniques a riveting world that is far too little known is revealed and new insights are gained into the perspectives and experience of African Americans Capping off these contributions the text is a visual feast illustrated with arresting images from the Golden Age of postcards as well as newspaper clippings and other archival material [Ring of Kerry The Postcard Collection](#) Kieran McCarthy,2015-11-15 Beautiful postcards capturing the Ring of Kerry in all its glory **The Lost Time Accidents** John Wray,2016-02-09 In his ambitious and fiercely inventive new novel The Lost Time Accidents John Wray takes us from turn of the century Viennese salons buzzing with rumors about Einstein s radical new theory to the death camps of World War Two from the golden age of postwar pulp science fiction to a startling discovery in a Manhattan apartment packed to the ceiling with artifacts of modern life Haunted by a failed love affair and the darkest of family secrets Waldemar Waldy Tolliver wakes one morning to discover that he has been exiled from the flow of time The world continues to turn and Waldy is desperate to find his way back a journey that forces him to reckon not only with the betrayal at the heart of his doomed romance but also

the legacy of his great grandfather's fatal pursuit of the hidden nature of time itself Part madcap adventure part harrowing family drama part scientific mystery and never less than wildly entertaining *The Lost Time Accidents* is a bold and epic saga set against the greatest upheavals of the twentieth century **American Woman Suffrage Postcards** Kenneth

Florey, 2016-04-29 American women's suffrage activists were fascinated with suffrage-themed postcards They collected them exchanged them wrote about them used them as fundraisers and organized postcard day campaigns The cards they produced were imaginative and ideological advancing arguments for the enfranchisement of women and responding to antisuffrage broadsides Commercial publishers were also interested in suffrage cards recognizing their profit potential Their products though were reactive rather than proactive conveying stereotypes they assumed reflected public attitudes often negative towards the movement Cataloging approximately 700 examples this study examines the visual rhetoric of suffrage postcards in the context of the movement itself and as part of the general history of postcards Karen's Chain Letter (Baby-Sitters Little Sister #101) Ann M.
