Chattooga John Lane,2013-05-01 Before the novel and the film Deliverance appeared in the early 1970s any outsiders one met along the Chattooga River were likely serious canoeists or anglers In later years untold numbers and kinds of people have felt the draw of the river s torrents which pour down the Appalachians along the Georgia South Carolina border Because of Deliverance the Chattooga looms enigmatically in our shared imagination as iconic as Twain s Mississippi or maybe Conrad s Congo This is John Lane s search for the real Chattooga for the truths that reside somewhere in the river s rapids along its shores or in its travelers hearts Lane balances the dark indifferent mythical river of Deliverance against the Chattooga known to locals and to the outdoors enthusiasts who first mastered its treacherous vortices and hydraulics Starting at its headwaters Lane leads us down the river and through its complex history to its current status as a National Wild and Scenic River Along the way he stops for talks with conservation activists seventh generation residents locals who played parts in the movie day visitors and others Lane weaves into each encounter an abundance of details drawn from his

perceptive readings and viewings of Deliverance and his wide ranging knowledge of the Chattooga watershed At the end of his run Lane leaves us still fully possessed by the Chattooga s mystery yet better informed about its place in his world and ours *Phonics* - 5 ,2004 You can make learning fun for your kids with the reusable stickers and whimsical matching activities found in this book Each page has activities which teach your kids how to match colors objects pairs and more
