Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents:

The Sixth Canon Barbara Warnick, 1993 Traces the influence of Cartesian psycho physiology the British empiricism on British rhetoricians of the late eighteenth century Romanticism, Rhetoric and the Search for the Sublime Craig R. Smith, 2018-11-07 Relying on the author's established expertise in rhetorical theory and political communication this book re contextualizes Romantic rhetorical theory in the late 18th and early 19th centuries to provide a foundation for a Neo Romantic rhetorical theory for our own time In the process it uses a unique methodology to correct misconceptions about many Romantic writers The methodology of the early chapters uses a dialectical approach to trace Romanticism and its opposition the Enlightenment back through Humanism and its opposition Scholasticism to St Augustine These chapters include a revisionist analysis of the church's treatment of Galileo in the course of showing how difficult it was for scientific study to be accepted in the academic world The study also re conceptualizes Jean Jacques Rousseau David Hume and Edmund Burke as bridge figures to the Romantic Era instead of as Enlightenment figures This move throws new light on the major artists of the Romantic Era who are examined in chapters seven and eight Chapter nine focuses on Percy Bysshe Shelley and his development of the rhetorical poem and thereby provides a new genre in the Romantic catalogue Chapter ten uses the foregoing to analyse and reconceptualize the rhetorical theories of Hugh Blair and Thomas De Quincey The concluding chapter then synthesizes their theories with relevant contemporary rhetorical theories thereby constructing a Neo Romantic theory for our own time In the process this book links the Romantics love of nature to the current environmental crisis *The Unfinished Enlightenment* Joanna Stalnaker, 2011-05-02 In *The Unfinished Enlightenment* Joanna Stalnaker offers a fresh look at the French Enlightenment by focusing on the era's vast collective attempt to compile an ongoing and provisional description of the world Through a series of readings of natural histories encyclopedias scientific poetry and urban topographies the book uncovers the deep epistemological and literary tensions that made description a central preoccupation for authors such as Buffon Bernardin de Saint Pierre Diderot Delille and Mercier Stalnaker argues that Enlightenment description was the site of competing truth claims that would eventually resolve themselves in the modern polarity between literature and science By the mid nineteenth century the now habitual association between description and the novel was already firmly anchored in French culture but just a century earlier in the diverse network of articles on description in Diderot and d'Alembert's *Encyclopédie* and in the works derived from it there was not a single mention of the novel Instead we find articles on description in natural history geometry belles lettres and poetry Stalnaker builds on the premise that the tendency to view description as the inevitable and subservient partner of narration rather than as a universal tool for making sense of knowledge in all fields has obscured the central place of description in Enlightenment discourse As a result we have neglected some of the most original and experimental works of the eighteenth century **The History and Theory of Rhetoric** James A. Herrick, 2017-09-22 By tracing the traditional progression of rhetoric from the

Greek Sophists to contemporary theorists The History and Theory of Rhetoric illustrates how persuasive public discourse performs essential social functions and shapes our daily worlds Students gain a conceptual framework for evaluating and practicing persuasive writing and speaking in a wide range of settings and in both written and visual media This new 6th edition includes greater attention to non Western studies as well as contemporary developments such as the rhetoric of science feminist rhetoric the rhetoric of display and comparative rhetoric Known for its clear writing style and contemporary examples throughout The History and Theory of Rhetoric emphasizes the relevance of rhetoric to today s students *Adam Smith* Ryan Hanley,2016-01-12 The essential guide to the life thought and legacy of Adam Smith Adam Smith 1723 90 is perhaps best known as one of the first champions of the free market and is widely regarded as the founding father of capitalism From his ideas about the promise and pitfalls of globalization to his steadfast belief in the preservation of human dignity his work is as relevant today as it was in the eighteenth century Here Ryan Hanley brings together some of the world s finest scholars from across a variety of disciplines to offer new perspectives on Smith s life thought and enduring legacy Contributors provide succinct and accessible discussions of Smith s landmark works and the historical context in which he wrote them the core concepts of Smith s social vision and the lasting impact of Smith s ideas in both academia and the broader world They reveal other sides of Smith beyond the familiar portrayal of him as the author of the invisible hand emphasizing his deep interests in such fields as rhetoric ethics and jurisprudence Smith emerges not just as a champion of free markets but also as a thinker whose unique perspective encompasses broader commitments to virtue justice equality and freedom An essential introduction to Adam Smith s life and work this incisive and thought provoking book features contributions from leading figures such as Nicholas Phillipson Amartya Sen and John C Bogle It demonstrates how Smith s timeless insights speak to contemporary concerns such as growth in the developing world and the future of free trade and how his influence extends to fields ranging from literature and philosophy to religion and law **Edwards Amasa Park: The Last Edwardsean** Charles W. Phillips,2018-06-11 Edwards Amasa Park 1808 1900 of Andover championed Edwardsean Calvinism in the United States from the Jacksonian era until the very close of the nineteenth century by employing rhetorical strategies that lent his New England theology fresh apologetic usefulness The thesis demonstrates that Park has been incorrectly identified as a Taylorite but extending the argument of Joseph Conforti ought to be viewed as re casting his inherited Hopkinsian exercise scheme into a fresh historical synthesis influenced by contemporary patterns of thought Park s own training at Andover in the irenic divinity of Moses Stuart and Leonard Woods his application as rhetorician of the work of Hugh Blair and George Campbell and his exposure in Germany to the Vermittlungstheologie of Friedrich Tholuck and Julius Müller gave specific definition to his own theological project Additionally the thesis argues that Park ought not to be viewed as a romantic idealist in the line of Horace Bushnell or as a proto liberal in advance of the Andover liberals who succeeded him Park retained a life long commitment to a commingled epistemology and methodology derived from Lockean

empiricism Baconian induction natural theology and Scottish common sense realism As a formidable apologist for his revivalist inheritance identified with Jonathan Edwards and Samuel Hopkins Edwards Amasa Park conserved the substance and prolonged the influence of his beloved New England theology by securing for it modes of expression well fitted to his nineteenth century audience Rhetoric and Pedagogy Winifred Bryan Horner, Michael Leff, Robert Gaines, Jean Dietz Moss, Beth S. Bennett, 2013-12-02 To provide a view of the history of western rhetoric this volume presents original articles by a number of world renowned scholars representing different countries and varying viewpoints In discussing the status of the historical perspectives on rhetoric these international scholars also present a tribute to James J Murphy whose scholarship and service did much to shape the field The book will introduce new insights into western European rhetoric and its connections with English rhetoric *Professing Criticism* John Guillory, 2022-12-30 A sociological history of literary study both as a discipline and as a profession As the humanities in higher education struggle with a labor crisis and with declining enrollments the travails of literary study are especially profound No scholar has analyzed the discipline s contradictions as authoritatively as John Guillory In this much anticipated new book Guillory shows how the study of literature has been organized both historically and in the modern era both before and after its professionalization The traces of this volatile history he reveals have solidified into permanent features of the university Literary study continues to be troubled by the relation between discipline and profession both in its ambivalence about the literary object and in its anxious embrace of a professionalism that betrays the discipline s relation to its amateur precursor criticism In a series of timely essays *Professing Criticism* offers an incisive explanation for the perennial churn in literary study the constant revolutionizing of its methods and objects and the permanent crisis of its professional identification It closes with a robust outline of five key rationales for literary study offering a credible account of the aims of the discipline and a reminder to the professoriate of what they already do and often do well **Advances in the History of Rhetoric** Richard Leo Enos, David Beard, 2007-12-15 *Advances in the History of Rhetoric The First Six Years* is a comprehensive collection of 29 scholarly essays published during the first phase of the journal s history Research from prominent and developing scholars that was once difficult to acquire is now offered in a coherent and comprehensive collection that is complemented by a detailed index and unified bibliography This collection covers a range of periods and topics in the history of rhetoric including Greek and Roman rhetoric rhetoric and religion women in the history of rhetoric rhetoric and science Renaissance and British rhetorical theory rhetoric and culture and the development of American rhetoric and composition The editors Richard Leo Enos and David E Beard provide a preface and afterword that synthesize the mission and meaning of this work for students and scholars of the history of rhetoric **The Present State of Scholarship in the History of Rhetoric** Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15 Through two previous editions *The Present State of Scholarship in Historical and Contemporary Rhetoric* has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of

fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric The Present State of Scholarship in the History of Rhetoric doesn't simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work matches the scope and approach of The Present State of Scholarship in the History of Rhetoric which carries scholarship on rhetoric into the twenty first century

Novels, Rhetoric, and Criticism: A Brief History of Belles Lettres and British Literary Culture, 1680 - 1900 Jack M. Downs, 2022-09-06 Developing a history of the English novel requires the inclusion of a vast range of cultural economic religious social and aesthetic influences But the role of eighteenth century English rhetorical theory in the emergence of the novel and the critical discourse surrounding that emergence has often been neglected or overlooked The influence of rhetorical theory in the development of the English novel is undeniable however and changes to rhetorical theory in Britain during the eighteenth century led to the development of a critical aesthetic discourse about the novel in Victorian England This study argues that eighteenth century belles lettres rhetorical theory played a key role in developing a horizon of expectation concerning the nature and purpose of the novel that extended well into the nineteenth century There is a connection between the emergence of the English novel eighteenth century rhetorical theory and Victorian novel criticism that has been neglected this study attempts to recover and articulate that connection

Rhetoric and Composition Steven Lynn, 2010-09-30 An accessible introduction to teaching and studying rhetoric and composition

Shakespeare and the Origins of English Neil Rhodes, 2004 What existed before there was a subject known as English How did English eventually come about Focusing specifically on Shakespeare's role in the origins of the subject Rhodes addresses the evolution of English from the early modern period up to the late eighteenth century He deals with the kinds of literary and educational practices that would have formed Shakespeare's experience and shaped his work and traces the origins of English in certain aspects of the educational regime that existed before English literature became an established part of the curriculum Rhodes then presents Shakespeare both as a product of Renaissance rhetorical teaching and as an agent of the

transformation of rhetoric in the eighteenth century into the subject that emerged as the modern study of English By transferring terms from contemporary disciplines such as media studies and creative writing or the technology of computing to earlier cultural contexts Rhodes aims both to invite further reflection on the nature of the practices themselves and also to offer new ways of thinking about their relationship to the discipline of English Shakespeare and the Origins of English attempts not only an explanation of where English came from but suggests how some of the things that we do now in the name of English might usefully be understood in a wider historical perspective By extending our view of its past we may achieve a clearer view of its future

The Ethos of Rhetoric Michael J. Hyde, 2004 Fourteen noted rhetorical theorists and critics answer a summons to return ethics from abstraction to the particular They discuss and explore a meaning of ethos that predates its more familiar translation as moral character and ethics Together the contributors define ethical discourse and describe what its practice looks like in particular communities

Rhetoric and Human Consciousness Craig R. Smith, 2017-04-12 For two decades students and instructors have relied on award winning author Craig Smith's detailed description and analysis of rhetorical theories and the historical contexts for major thinkers who advanced them He employs key themes from important philosophical schools in this well researched chronicle of rhetoric and human consciousness One is that rhetoric is a response to uncertainty The modern philosophers like the naturalists of ancient Greece and the Scholastics who preceded them tried to end uncertainty by combining the discoveries of science and psychology with rationalism Their aim was progress and a consensus among experts as to what truth is However where modernism proved ineffective rhetoric was revived to fill the breach Another significant theme is that different conceptions of human consciousness lead to different theories of rhetoric and for every major school of thought another school of thought forms in reaction Classic and contemporary examples demonstrate the usefulness of rhetorical theory especially its ability to inform and guide By providing probes for rhetorical criticism discussions also demonstrate that rhetorical criticism illustrates verifies and refines rhetorical theory Thus the synergistic relationship between theory and criticism in rhetoric is no different than in other arts Theory informs practice analysis of successful practice refines theory Smith's absorbing study has been expanded to include thorough treatments of rhetoric in the Romantic Era feminist and queer theory and historical context for the creation of rhetorical theory and its use in public address

Rhetorical Delivery as Technological Discourse Ben McCorkle, 2012-01-19 According to Ben McCorkle the rhetorical canon of delivery traditionally seen as the aspect of oratory pertaining to vocal tone inflection and physical gesture has undergone a period of renewal within the last few decades to include the array of typefaces color palettes graphics and other design elements used to convey a message to a chosen audience McCorkle posits that this redefinition while a noteworthy moment of modern rhetorical theory is just the latest instance in a historical pattern of interaction between rhetoric and technology In *Rhetorical Delivery as Technological Discourse: A Cross Historical Study* McCorkle explores the symbiotic relationship between delivery and technologies of

writing and communication Aiming to enhance historical understanding by demonstrating how changes in writing technology have altered our conception of delivery McCorkle reveals the ways in which oratory and the tools of written expression have directly affected one another throughout the ages To make his argument the author examines case studies from significant historical moments in the Western rhetorical tradition Beginning with the ancient Greeks McCorkle illustrates how the increasingly literate Greeks developed rhetorical theories intended for oratory that incorporated writerly tendencies diminishing delivery's once prime status in the process Also explored is the near eradication of rhetorical delivery in the mid fifteenth century the period of transition from late manuscript to early print culture and the implications of the burgeoning print culture during the nineteenth century McCorkle then investigates the declining interest in delivery as technology designed to replace the human voice and gesture became prominent at the beginning of the 1900s Situating scholarship on delivery within a broader postmodern structure he moves on to a discussion of the characteristics of contemporary hypertextual and digital communication and its role in reviving the canon while also anticipating the future of communication technologies the likely shifts in attitude toward delivery and the implications of both on the future of teaching rhetoric

Rhetorical Delivery as Technological Discourse traces a long view perspective of rhetorical history to present readers a productive reading of the volatile treatment of delivery alongside the parallel history of writing and communication technologies This rereading will expand knowledge of the canon by not only offering the most thorough treatment of the history of rhetorical delivery available but also inviting conversation about the reciprocal impacts of rhetorical theory and written communication on each other throughout this history

The Oxford Handbook of Rhetorical Studies Michael J. MacDonald, 2017-09-20 One of the most remarkable trends in the humanities and social sciences in recent decades has been the resurgence of interest in the history theory and practice of rhetoric in an age of global media networks and viral communication rhetoric is once again contagious and communicable Friedrich Nietzsche Featuring sixty commissioned chapters by eminent scholars of rhetoric from twelve countries The Oxford Handbook of Rhetorical Studies offers students and teachers an engaging and sophisticated introduction to the multidisciplinary field of rhetorical studies The Handbook traces the history of Western rhetoric from ancient Greece and Rome to the present and surveys the role of rhetoric in more than thirty academic disciplines and fields of social practice This combination of historical and topical approaches allows readers to chart the metamorphoses of rhetoric over the centuries while mapping the connections between rhetoric and law politics science education literature feminism poetry composition philosophy drama criticism digital media art semiotics architecture and other fields Chapters provide the information expected of a handbook discussion of key concepts texts authors problems and critical debates while also posing challenging questions and advancing new arguments In addition to offering an accessible and comprehensive introduction to rhetoric in the European and North American context the Handbook includes a timeline of major works of rhetorical theory translations of all Greek and Latin passages extensive cross

referencing between chapters and a glossary of more than three hundred rhetorical terms These features will make this volume a valuable scholarly resource for students and teachers in rhetoric English classics comparative literature media studies communication and adjacent fields As a whole the Handbook demonstrates that rhetoric is not merely a form of stylish communication but a pragmatic inventive and critical art that operates in myriad social contexts and academic disciplines

Scottish Rhetoric and Its Influences Lyne, Lewis Gaillet, 2016-07-22 An outgrowth of the recent meeting of the International Society of the History of Rhetoric this collection challenges the reader to reexamine the broad influence of 18th and 19th century Scottish rhetoric often credited for shaping present day studies in psychology philosophy literary criticism oral communication English literature and composition The contributors examine its influence and call for a new appraisal of its importance in light of recent scholarship and archival research Many of the essays in the first section discuss the contributions of recognized influential figures including Adam Smith and Hugh Blair Other essays focus on the importance of 18th century Scottish sermons in relation to public discourse audience analysis peer evaluation and professional rhetoric Essays in the second section address 19th century rhetorical theory and its influence on North American composition practice

Encyclopedia of Rhetoric and Composition Theresa Enos, 2013-10-08 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

Tracing Rhetoric and Material Life Bridie McGreavy, Justine Wells, George F. McHendry, Jr., Samantha Senda-Cook, 2017-11-27 This volume brings together three areas of scholarship and practice rhetoric material life and ecology The chapters build a multi layered understanding of material life by gathering scholars from varied theoretical and critical traditions around the common theme of ecology Emphasizing relationality connectedness and context the ecological orientation we build informs both rhetorical theory and environmentalist interventions Contributors offer practical theoretical inquiries into several areas rhetoric s cosmologies the trophe bioregional rhetoric s nuclear colonialism and more collectively forging new avenues of communication among scholars in environmental communication communication studies and rhetoric and composition This book aims at inspiring and advancing ecological thinking demonstrating its value for rhetoric and communication as well as for environmental thought and action

Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents has opened up a world of possibilities. Downloading Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying

Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents

around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents is one of the best book in our library for free trial. We provide copy of Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents. Where to download Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents online for free? Are you looking for Sixth Canon Belletristic Rhetorical Theory And Its French Antecedents PDF? This is definitely going to save you time and cash in something you should think about.
