Killing Time and Other Stories Joel Townsley Rogers, 2007-11 From THE JURY BOX Jon Breen's critical column in ELLERY QUEEN Mystery Magazine Joel Townsley Rogers Killing Time and Other Stories with introduction and afterword by Alfred Jan Ramble House Six longish pulp stories dating from 1934 to 1947 represent an undervalued writer The title story about a disabled World War II veteran trying to break into mystery writing offers affectionate parody and fair play detection while the magazine version of the classic The Red Right Hand captures its offbeat flavor only slightly less effectively than at full length The outre plots often involve coincidence though not to the fantastical extent of Harry Stephen Keeler whose complete works are offered by Ramble House An indispensable companion is the earlier Rogers collection Night of Horror and Other Stories Ramble House including the much anthologized minor classic The Murderer and a Rogers bibliography compiled by son Tom Rogers expanded by Francis M Nevins And here's what four of America's favorite authors about town have to say about Ramble House's two Joel Townsley Rogers collections NIGHT OF HORROR and KILLING TIME Rogers was the real deal author of a true masterpiece The Red Right Hand and a pulp man who could and did do it all If you want the strong heady thrill of genuine pulp and not the pale imitation that came later latch on to both of these collections immediately Ed Gorman Killing Time collects six pulp novellas by Joel Townsley Rogers including the original version of the classic The Red Right Hand along with a story about a pulp writer and a story with a character named Captain Sparrow whom I like to think is a distant cousin to the famous Pirate of the Caribbean Highly recommended Bill Crider The six tales gathered here are among Joel Townsley Rogers most accomplished pulp magazine contributions of the 30s and 40s cleverly plotted highly atmospheric suspenseful and dripping with menace The original magazine version of his classic crime novel The Red Right Hand and Alfred Jan's insightful analyses of Rogers work are the highlights Killing Time is a must for every connoisseur of vintage crime fiction Bill Pronzini Ramble House has specialized in bringing neglected and sometimes alternative geniuses back into print First came the great Harry Stephen Keeler then the so clever Norman Berrow More recently Ramble House has been sparking the rehabilitation of Joel Townsley Rogers a versatile and prolific author who seemed to be totally forgotten save for one novel The Red Right Hand Killing Time is the second Ramble House collection of Rogers's shorter fiction and every story in it from the 1934 Murder of the Dead Man to the 1947 title story hits with a wallop and a sting Bravo Bravissimo Richard A Lupoff

The Sand Man and Other Stories E.T.A. Hoffmann, 2025-09-22 The Sand man and Other Stories brings together some of E T A Hoffmann's most influential tales where the fantastic and the uncanny intersect with psychological depth The

central story The Sandman follows Nathanael a young man haunted since childhood by a terrifying figure associated with the legend of the Sandman As an adult he becomes obsessed with the mysterious Coppola a lens seller whom he believes to be the same menacing figure His fascination with the automaton Olympia whom he mistakes for a living woman ultimately drives him into madness The story is a powerful exploration of fear obsession and the fragile boundary between illusion and reality Other stories in the collection expand Hoffmann's fascination with the uncanny In Councillor Krespel a violin maker's eccentric behavior masks a tragic secret tied to music and love The Mines of Falun recounts the story of a miner lured by supernatural forces beneath the earth torn between worldly love and mystical destiny Each tale blends detailed realism with fantastic elements creating a constant tension between the rational and the irrational The collection is unified by themes of obsession distorted perception and the power of imagination Hoffmann's characters often lose themselves in dreams desires or delusions suggesting that the human mind is as mysterious and unpredictable as the supernatural itself His narrative style both ironic and lyrical invites readers into a world where reality is never stable and where everyday objects or events conceal hidden dangers and meanings E T A Hoffmann 1776 1822 was a German writer composer and jurist recognized as one of the founders of modern fantastic literature His works influenced later authors such as Edgar Allan Poe Charles Dickens and Franz Kafka In The Sandman and Other Stories Hoffmann demonstrates his mastery in blending psychological insight with Gothic and Romantic elements leaving a legacy of tales that continue to intrigue readers with their complexity and unsettling power

Sixth Sense And Other Stories Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sixth Sense And Other Stories has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sixth Sense And Other Stories has opened up a world of possibilities. Downloading Sixth Sense And Other Stories provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sixth Sense And Other Stories has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sixth Sense And Other Stories. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sixth Sense And Other Stories. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sixth Sense And Other Stories, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sixth Sense And Other Stories has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
