Sky Sabotage Franklin W. Dixon, 1990 Frank and Joe go to Florida to help prevent a ruthless communications firm from sabotaging the launch of another firm's satellite and also end up looking for two porpoises stolen from an employee of the space center For whatever reason this book never kept my interest

Sabotage in the Sky L. Ron Hubbard, 2009-07-16 Bill Trevillian is as ruggedly handsome as he is bold and brave Kip Lee is as strikingly beautiful as she is fiery and fearless And they've got something in common They're both test pilots for rival aviation companies Put them together and like a young Tracy and Hepburn sparks are bound to fly The Second World War is raging in Europe and England and France are looking to America for a fighter plane to match up with the superior Nazi Messerschmitt The competition between Bill and Kip is fierce and the stakes are stratospheric Because there's an added element in the mix a deadly saboteur People say all's fair in love and war but when there's Sabotage in the Sky the flight path from heated rivalry to heated romance could lead Bill and Kip to crash and burn If you crave air adventure written by an airman who knows what a hot plane can do don't miss Sabotage in the Sky wrote the editor introducing the story in 1940 And Hubbard's knowledge proved prophetic unknown to the FBI the German intelligence service the Abwehr was actively gathering intelligence about American military aircraft designs and manufacturing The author also had personal aviation experience earning a reputation as a daredevil pilot barnstorming across the United States landing in farmer's fields and skimming over the top of telephone wires experiences he put to good use as a well known aviation correspondent and one of the most accomplished writers of aviation adventure

Sabotage in the Sky La Fayette Ron Hubbard, 2014-05-10 Pilot Terry Lee has taught Bill Trevillian everything he knows about flying enough that Bill is now considered the ace of American test pilots just as war breaks out in World War II Europe Unknown to Bill Terry has also taught his own kid sister Kip who is now almost as good a pilot as Bill and quite the looker to boot When France and Great Britain must choose between different American plane designs to outfly the newest and deadliest Nazi fighters the competing companies send their two best test pilots Kip and Bill Unfortunately a spy has also been sent to infiltrate and sabotage the planes to make sure that neither the French nor British will consider them safe enough to fly Soon Kip and Bill suspect the other of sabotage a problem that not only threatens their already electric relationship but their very lives

popular series like Ted Scott and Andy Lane established the golden age of juvenile aviation literature This work examines the 375 juvenile aviation series titles published between 1909 and 1964 It weaves together several thematic threads including the placement of aviation narratives within the context of major historical events the technical accuracy in depictions of flying machines and the ways in which characters reflected the culture of their eras Three appendices provide publication data for each series a list of referenced aircraft and an annotated bibliography there is a full index **Mystery on Makatunk Island** Franklin W.
