Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean,2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **Frederick Douglass and Harriet Tubman** Charles River Editors,2025-06-10 With the possible exception of Dr Martin Luther King Jr no African American has been more instrumental in the fight for minorities civil rights in the United States than Frederick Douglass 1818 1895 an American social reformer orator writer and statesman His list of accomplishments would be impressive enough even without taking into account the fact that he was born into slavery Douglass was born into slavery and it s believed his father was a white man even perhaps his master Aaron Anthony When Douglass was about 12 his slaveowner s wife Sophia Auld began teaching him the alphabet in defiance of the South s laws against teaching slaves how to read When her husband Hugh found out he was furious reminding her that if the slave learned to read he would become dissatisfied with his condition and desire freedom Those words would prove prophetic Douglass is noted as saying that knowledge is the pathway from slavery to freedom and he took that advice to heart teaching himself how to read and write with his knowledge of the alphabet On September 3 1838 Douglass successfully escaped slavery traveling by boat to Delaware Philadelphia and finally New York all in the span of a day Douglass found a new world had opened upon me After escaping from slavery Douglass became a leader of the abolitionist movement gaining national notice for his dazzling oratory and anti slavery writing He stood out as the living embodiment of an intellectual former slave the antithesis of slaveholders arguments that blacks were an inferior race Douglass remained active in the fight for civil rights and abolition throughout the Civil War and Reconstruction even meeting President Lincoln and strongly urging him to let black men enlist in the Union As Douglass constantly stated nobody had more to fight for in the Civil War than black men Harriet Tubman is one of the most famous women in American history and from an early age every American learns of her contributions to abolition and the Underground Railroad The woman who became known as the Moses of her people personally led more than 13 expeditions to free slaves in the South and she was so integral in helping escaped slaves achieve freedom that her name is practically synonymous with the Underground Railroad today If anything the central role she played in the Underground Railroad has become so ingrained among subsequent generations that Tubman s life has been shrouded in legend and other important aspects have been overlooked In order to fully appreciate and understand both Harriet Tubman s life and the important role she played in the abolitionist movement it is necessary to examine the

circumstances in which she was raised and what events drove her to the path she chose Anthropologist Douglas Armstrong notes so little information about Tubman has been based on fact and so much based on myth and created history that it has only been recently that historians have come to the point where we can recognize her true contributions In fact Tubman's entire life consisted of struggles and persistence whether she was fighting on behalf of slaves the Union army during the Civil War or women's rights After managing to escape the severe beatings and humiliation of slavery herself she put her life on the line over and over again to help others and she could proudly boast I was the conductor of the Underground Railroad for eight years and I can say what most conductors can't say I never ran my train off the track and I never lost a passenger But that was only part of her involvement with abolition Tubman was well acquainted with other famous abolitionists of her time including Frederick Douglass and John Brown and she threw herself into efforts to further the cause of abolition in various ways Her life and work were publicized nearly 50 years before her death by Franklin Sanborn [American History through Its Greatest Speeches](#) Jolyon P. Girard, Darryl Mace, Courtney Michelle Smith, 2016-12-05 What did America's greatest orators say regarding significant issues and concerns throughout United States history This three volume set examines hundreds of the most historically significant speeches from colonial times to the modern era allowing readers to consider exactly what the speakers said and to better understand the motivations behind each speech as well as the effect on the audiences that heard them This essential reference work presents the most important and historically significant speeches delivered since colonial times providing in essence a documentary history of the United States through these public utterances Readers can witness American history unfold firsthand through these stirring and at times controversial speeches from Patrick Henry's fiery words calling for an American revolution through the words of the 19th century abolitionists and Lincoln's immortal Gettysburg Address and up through the 20th century with President Wilson's famous Fourteen Points FDR reminding Americans that the only thing they had to fear was fear itself and George W Bush responding to the attacks of September 11 For students teachers librarians and general readers this indispensable work provides essential reference resources on the speeches of great significance in American history Each speech is prefaced by a contextual headnote that provides essential background information and specific details about the speech This three volume set also includes a timeline a historical review of each era biographical sketches of each speaker and anecdotal sidebars containing additional information about the speech or speakers **Focus On: 100 Most Popular American Autobiographers** Wikipedia contributors, **Journal of the Civil War Era** William A.
