Slave Question Liberty And Property In South Africa:

The Slave Question Richard Lyness Watson,1990 This volume examines attitudes toward slavery among white settlers in South Africa from 1820 until emancipation by an act of the British Parliament in 1834 Drawing largely on contemporary newspaper missionary and government reports the author finds only individual expressions of the view that people should not be held as property the majority of whites accepted property as more important than liberty There is a brief analysis of the part that emancipation played in the Great Trek of Afrikaners The final chapter compares the situation in South Africa with that in the United States in the decades preceding the Civil War **Slave Question** Richard Lyness Watson,1990

Colonial South Africa:Origins Racial Order Tim Keegan,1997-01-01 It is a story that is strong in notable events slave emancipation the arrival of the 1820 British settlers a series of frontier wars the Great Trek of Boer emigrants as well as in striking personalities among them Dr John Philip Andries Stockenström John Fairbairn Moshoeshoe and Sir Harry Smith In Keegan's pages these familiar historical landmarks and characters emerge in entirely novel ways the subject of fresh interpretations and original insights **Slavery, Emancipation and Colonial Rule in South Africa** Wayne Dooling,2008

Slavery Emancipation and Colonial Rule in South Africa examines the rural Cape Colony from the earliest days of Dutch colonial rule in the mid seventeenth century to the outbreak of the South African War in 1899 For slaves and slave owners alike incorporation into the British Empire at the beginning of the nineteenth century brought fruits that were bittersweet The gentry had initially done well by accepting British rule but were ultimately faced with the legislated ending of servile labor To slaves and Khoisan servants British rule brought freedom but a freedom that remained limited The gentry accomplished this feat only with great difficulty Increasingly their dominance of the countryside was threatened by English speaking merchants and money lenders a challenge that stimulated early Afrikaner nationalism The alliances that ensured nineteenth century colonial stability all but fell apart as the descendants of slaves and Khoisan turned on their erstwhile masters during the South African War of 1899 1902 *Slavery In South Africa* Elizabeth Eldredge,Fred Morton,2019-05-28

South African slavery differs from slavery practiced in other frontier zones of European settlement in that the settlers enslaved indigenes as a supplement to and eventually as a replacement for imported slave labor On the expanding frontier Dutch speaking farmers increasingly met their labor needs by conducting slave raids arming African slave **Slave**

Emancipation and Racial Attitudes in Nineteenth-Century South Africa R. L. Watson,2012-02-20 Examines the significance of the abolition of slavery in South Africa's Cape Colony in 1834 and the subsequent development of race relations Slavery and Colonial Rule in Africa Martin A. Klein,Suzanne Miers,2013-05-13 This book brings together a series of new case studies some by young scholars others by widely published authors All are based on original research and designed to enhance our understanding of the process of the abolition of slavery in Africa at the grass roots level Part of the studies are on new areas of interest such as the German colonies and the Algerian Sahara Others throw new light on

questions already debated such as emancipation of the Gold Coast Some focus on the impact of abolition on particular groups of slaves such as the royal slaves in Nigeria and concubines in Morocco Among the themes considered is the role of slaves in their own emancipation the short and long term results of abolition the role of the League of Nations and the vestiges of slavery in Africa today **Liberated Africans and the Abolition of the Slave Trade, 1807-1896** Richard Anderson, Henry B. Lovejoy, 2020 Interrogates the development of the world's first international courts of humanitarian justice and the subsequent liberation of nearly two hundred thousand Africans in the nineteenth century *Ancient Slavery and Abolition* Justine McConnell, 2011-07-07 A pathbreaking study of the role played by ancient Greek and Roman sources and voices in the struggle to abolish transatlantic slavery and in representations of that struggle in the twentieth century Thirteen essays by an interdisciplinary team of specialists from three continents led by the Centre for the Reception of Greece and Rome at Royal Holloway University of London ask how both critics and defenders of slavery in media ranging from parliamentary speeches to poetry fiction drama and cinema have summoned the ghosts of the ancient Spartans Homer Aristotle Aeschylus Pliny Spartacus and Prometheus to support their arguments **After Slavery** Howard Temperley, 2000 A collection of essays in which every contributor focuses upon some aspect of slave emancipation with the aim of assessing to what extent the outcome met with expectation The hopes and disappointments that characterized the transition from slavery to freedom are depicted **Historical Dictionary of Slavery and Abolition** Martin A. Klein, 2014-09-04 For almost four thousand years men and women with power have exploited vulnerable populations for cheap or free labor These slaves serfs helots tenants peons bonded or forced laborers etc built pyramids and temples dug canals and mined the earth for precious metals and gemstones They built the palaces and mansions in which the powerful lived grown the food they ate spun the cloth that clothed them This second edition of Historical Dictionary of Slavery and Abolition relates the long and brutal history of slavery and the struggle for abolition using several key features Chronology Introductory essay Appendixes Extensive bibliography Over 500 cross referenced entries on forms of slavery famous slaves and abolitionists sources of slaves and current conditions of modern slavery around the world This book is an excellent access point for students researchers and anyone wanting to know more about slavery and abolition **Islam and the Abolition of Slavery** W. G. Clarence-Smith, 2006 Publisher description **Status and Respectability in the Cape Colony, 1750-1870** Robert Ross, 1999-07-01 In a compelling example of the cultural history of South Africa Robert Ross offers a subtle and wide ranging study of status and respectability in the colonial Cape between 1750 and 1850 His 1999 book describes the symbolism of dress emblems architecture food language and polite conventions paying particular attention to domestic relationships gender education and religion and analyses the values and the modes of thinking current in different strata of the society He argues that these cultural factors were related to high political developments in the Cape and offers a rich account of the changes in social identity that accompanied the transition from Dutch to British overrule and of the development of white

racism and of ideologies of resistance to white domination The result is a uniquely nuanced account of a colonial society

A History of South Africa Leonard Thompson, 2014-04-29 A magisterial history of South Africa from the earliest known human inhabitation of the region to the present Lynn Berat updates this classic text with a new chapter chronicling the first presidential term of Mbeki and ending with the celebrations of the centenary of South Africa's ruling African National Congress in January 2012 A history that is both accurate and authentic written in a delightful literary style Archbishop Desmond Tutu Should become the standard general text for South African history Recommended for college classes and anyone interested in obtaining a historical framework in which to place events occurring in South Africa today Roger B Beck History Reviews of New Books

Breaking the Chains Nigel Worden, Clifton C. Crais, 1994 This text explores slavery in South Africa in the 19th century and offers glimpses into some of the social iniquities of the 20th century Contributors focus attention on the historical transformation of the Cape Colony during the 19th century Imperial Underworld Kirsten McKenzie, 2016-01-14 During a major overhaul of British imperial policy following the Napoleonic Wars an escaped convict reinvented himself as an improbable activist renowned for his exposés of government misconduct and corruption in the Cape Colony and New South Wales Charting scandals unleashed by the man known variously as Alexander Loe Kaye and William Edwards Imperial Underworld offers a radical new account of the legal constitutional and administrative transformations that unfolded during the British colonial order of the 1820s In a narrative rife with daring jail breaks infamous agents provocateurs and allegations of sexual deviance Professor Kirsten McKenzie argues that such colourful and salacious aspects of colonial administrations cannot be separated from the real business of political and social change The book instead highlights the importance of taking gossip paranoia factional infighting and political spin seriously to show the extent to which ostensibly marginal figures and events influenced the transformation of the nineteenth century British Empire

Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1 David Y Miller, 2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers Mfecane Aftermath Carolyn Hamilton, 1995 The idea that the period of social turbulence in the nineteenth century was a consequence of the emergence of the powerful Zulu kingdom under Shaka has been written about extensively as a central episode of southern African history Considerable dynamic debate has focused on the idea that this period the mfecane left much of the interior depopulated thereby justifying white occupation One view is that the time of troubles owed more to the Delagoa Bay Slave trade and the demands of the labour hungry Cape colonists than to Shaka's empire building But is there sufficient evidence to support the argument The Mfecane Aftermath investigates the very nature of historical debate and examines the uncertain foundations of much of the previous historiography *African Voices on Slavery and the Slave Trade* Alice Bellagamba, Sandra E. Greene, Martin A. Klein, 2016-04-14 Explores how to use different types of sources to write the history

of slavery and the slave trade in Africa *Reconsidering the History of South African Journalism* Gawie Botma, 2025-03-21

The concept of the free press is often celebrated as the vehicle which finally brought freedom of speech and democracy to post apartheid South Africa but historically the position of the press was more complicated This book dives into the history of slavery at the Cape between 1800 and 1838 reflecting on the fact that several founding journalists and printers were slave owners themselves and advertised slaves as regular property in their publications The book presents an inclusive history of the founding of colonial newspapers and magazines driven by the question of how we in the 21st century should make sense of the role that newspapers and journalism played at key points in the history of slavery and its aftermath The slave press was a label originally attached to The Cape Town Gazette and African Advertiser when it was founded by a pair of well connected private British slave traders This book challenges us to confront the ghost of the slave press and to consider the complicated history of press freedom in South Africa This important book will be of interest to scholars and students of journalism and media history in South Africa and beyond

Adopting the Melody of Phrase: An Mental Symphony within **Slave Question Liberty And Property In South Africa**

In some sort of consumed by displays and the ceaseless chatter of instant transmission, the melodic splendor and psychological symphony produced by the written term usually disappear in to the backdrop, eclipsed by the constant sound and interruptions that permeate our lives. However, located within the pages of **Slave Question Liberty And Property In South Africa** a charming literary value full of natural emotions, lies an immersive symphony waiting to be embraced. Crafted by a masterful composer of language, that charming masterpiece conducts readers on a psychological journey, well unraveling the concealed melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of the emotional evaluation, we shall investigate the book is main harmonies, analyze its enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
