skincare potion But her customer has bigger problems at hand than unhealthy skin Philliya finds herself drawn into a tangle of sorcery as she wracks her wits to try to figure out the source of the chill winds that plague her customer If she doesn't put a stopper in it soon her customer might end up a frozen corpse with ravishingly beautiful skin But will she regret sticking her nose where something powerful may not want it She might just end up whipping up trouble for herself instead This cozy fantasy book is a pint sized short read crafted with care for a single session of reading The books in this series may be read as standalones **Sleepless Beauty** Frances Minters, G.
