

THE **GUINNESS** BOOK OF  
**GOLF**  
FACTS & FEATS

Donald Steel

2nd EDITION

# The Guinness Of Golf Facts And Feats

**LM Reder**

## **The Guinness Of Golf Facts And Feats:**

**The Guinness Book of Golf Facts and Feats** Donald Steel,1982-01-01      **The Guinness Book of Golf Facts and Feats** Andrew Swales,1996      *Firsts, Facts, Feats, & Failures in the World of Golf* Ken Janke,2006-12-15 For the golf enthusiast who has heard it all *Firsts Facts Feats and Failures in the World of Golf* offers a refreshingly hilarious and enlightening compilation of stories from Ken Janke one of golf's most colorful historians From the early days of the game to today's golf legends this book includes the greats and almost greats the winners and losers the true and not so true

**Firsts, Lasts & Onlys of Golf** Paul Donnelley,2010-10-04 From Rabbit Wars waged on St Andrew's famous Old Course to the rebellion that interrupted a Royal round this tome is packed with facts that will tantalise and enthrall Delve into this extraordinary showcase of Firsts Lasts and Onlys from the world of golf and discover a myriad of incredible stories including The first golfer to win both the US Open and US Amateur Championship in the same year The last ill fated player to have been struck by lightning on Tour The only instance of a tournament being halted by locusts With 200 witty anecdotes portraying the undisputed and unexpected legends of the sport you are sure to lose yourself in the most enthralling golf miscellany since records began      *The Guinness Book of Answers* Norris McWhirter,Moir F. Stowe,1980      Sport and the English Middle Classes, 1870-1914 John Lowerson,1993 This book examines the phenomena which explain the boom in sport among the middle classes in late Victorian England The author focuses on the extent to which sport became an agent of the development of the middle classes and an instrument of their self definition The book does not set out to explain the making of the English middle classes rather it examines a significant part of that making      **Guinness Book of Records** ,1983

**Historical Dictionary of Golf** Bill Mallon,Randon Jerris,2011-01-21 Golf has been called the greatest of all games but it has also been derided by none other than Mark Twain as nothing more than a good walk spoiled Traditional teaching holds that golf originated in Scotland around the 15th century However there is historical evidence of games similar to golf being played in the low countries of Europe back in the 13th century Over the many centuries of golf's evolution the balls used have changed greatly as have the clubs the holes the courses and the entire game itself The Historical Dictionary of Golf presents a comprehensive history of the game through a chronology an introductory essay a bibliography photos and over 300 cross referenced dictionary entries on places teams terminology and people including Arnold Palmer Greg Norman Lee Trevino Jack Nicklaus Annika Sorenstam Lorena Ochoa Phil Mickelson and of course Tiger Woods Appendixes of the members of the World Golf Hall of Fame the Major Championships of Golf the International Team Events and the Professional Tour Awards are also included      Classic Golf Links of England, Scotland, Wales, and Ireland Donald Steel,1993-01-01 Seaside links courses offer golfers unmatched challenges and enchanting scenery And while they can be found in many parts of the world the links of the British Isles are the most famous in their class Donald Steel takes readers on a tour of seventy five spectacular greens along windswept beaches and sheer cliffs of Britain and Ireland These links prove true the old belief that

courses are for expanding a player's abilities rather than defining and confining them as in so many other sports. Steel offers up destinations like St Andrews Royal St George's and Formby Ballybunion and Muirfield among the seaside playing fields that have been the home to championship tournaments and amateur aspirations. With scorecards, maps, color photos and helpful hints for most holes, this guide is an essential reference tool for the traveling golfer. It tells the history of the courses it covers and provides information on the designers who built them and the pros who have set their records. Brian Morgan's stunning photography handsomely captures the majestic layout of the courses. From the deceptive lengths to the treacherous traps, his visual log of the courses prepares golfers for the beauty and challenges that await them. His award-winning and world-renowned pictures have appeared in golf journals on both sides of the Atlantic and in several exhibitions.

**Guinness Book of Sports Records, Winners & Champions**, 1982      **British Sport: a Bibliography to 2000** Richard Cox, 2013-12-16

Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain. It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian.

**Guinness Book of World Records**, 1983      Times of India Illustrated Weekly, 1984      *Sport in Britain* Richard William Cox, 1991      **GUINNESS BOOK OF WORLD RECORDS 1981** Norris McWhirter, 1980      *101 Fascinating Golf Facts* David McPherson, 2025-02-18

Tee off your season with 101 delightful trivia on the greatest game. Did you know a Canadian coined the term mulligan, a noun meaning do over which many recreational golfers take on the first tee after an errant drive? Or that the creators of one of the greatest board games ever, Trivial Pursuit, also built a devilish golf course north of Toronto? How about this fact: the world's most expensive public golf course will set you back 1,000 to play just one round? Here's one more: Scotland, where golf was invented in the Middle Ages, later banned the sport not just once but three times. In *101 Fascinating Golf Facts*, author, historian, and award-winning golf journalist David McPherson shares these stories and 97 more fascinating and fun tales that illustrate the sport's rich history, entertaining both golf lovers and trivia buffs alike.

*The Economics of Professional Team Sports* Paul Downward, Alistair Dawson, 2000-09-07

This book is unique in that it offers the first truly rigorous application of economic principles to its subject. The authors analyse the economic literature on sporting leagues, the demand for professional team sports, the players' labour market. Amongst the topics discussed are the US system of franchising and draft picks and the chances of the

**The Guinness Book of Military Anecdotes** Geoffrey Regan, 1992      The 1904 Olympic Games Bill Mallon, 2015-07-11

The 1904 Olympic Games in St Louis were both unusual and controversial. One of the major problems for Olympic scholars has been to determine which of the events at these Games were truly of Olympic caliber. The Games were included as part of the World's Fair, and every athletic contest that took place under the Fair's auspices was deemed Olympic. These activities included croquet and water polo, high school and college championships in football and basketball, as well as the Anthropology Days events in which members of primitive tribes competed against one another. The author demonstrates, after great deliberation,

that 16 events of the 21 overall were truly Olympic sports and gives descriptions scores and analyses for each as well as for the five non Olympic events Appendices include literature relating to these games lists of noncompeting foreign entrants and a guide to all competitors      *The Guide to United States Popular Culture* Ray Broadus Browne, Pat Browne, 2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index
