The Half World Of American Culture A Miscellany

Warren S. Walker

The Half World Of American Culture A Miscellany:

the Half World of American Culture Carl Bode ,1967 *The Absurd Hero in American Fiction* David D.

Galloway,1981-06-01 When *The Absurd Hero in American Fiction* was first released in 1966 Granville Hicks praised it in a lead article for the *Saturday Review* as a sensitive and definitive study of a new trend in postwar American literature In the years that followed David Galloway s analysis of the writings of John Updike William Styron Saul Bellow and J D Salinger became a standard critical work an indispensable tool for readers concerned with contemporary American literature The *New York Times* described the book as a seminal study of the modern literary imagination David Galloway himself an established novelist later extensively revised *The Absurd Hero* to include authoritative discussions of more than a dozen novels which had appeared since the first revised edition was released in 1970 Among them are John Updike s *Couples* *Rabbit Redux* and *The Coup* William Styron s *The Confessions of Nat Turner* and *Sophie s Choice* and Saul Bellow s *Mr Sammler s Planet* and *Humboldt s Gift* Through detailed analyses of these works Galloway demonstrates the continuing relevance of his own provocative concept of the absurd hero and provides important insights into the literary achievements of four of America s most influential postwar novelists

The 1930s William H. Young,2002-10-30 Most historical studies bury us in wars and politics paying scant attention to the everyday effects of pop culture Welcome to America s other history the arts activities common items and popular opinions that profoundly impacted our national way of life The twelve narrative chapters in this volume provide a textured look at everyday life youth and the many different sides of American culture during the 1930s Additional resources include a cost comparison of common goods and services a timeline of important events notes arranged by chapter an extensive bibliography for further reading and a subject index The dark cloud of the Depression shadowed most Americans lives during the 1930s Books movies songs and stories of the 1930s gave Americans something to hope for by depicting a world of luxury and money Major figures of the age included Fred Astaire and Ginger Rogers Irving Berlin Amelia Earhart Duke Ellington the Marx Brothers Margaret Mitchell Cole Porter Joe Louis Babe Ruth Shirley Temple and Frank Lloyd Wright Innovations in technology and travel hinted at a Utopian society just off the horizon group sports and activities gave the unemployed masses ways to spend their days and a powerful new demographic the American teenager suddenly found itself courted by advertisers and entertainers

The 1950s William H. Young,2004-04-30 Have the 1950s been overly romanticized Beneath the calm conformist exterior new ideas and attitudes were percolating This was the decade of McCarthyism Levittowns and men in gray flannel suits but the 1950s also saw bold architectural styles the rise of paperback novels and the Beat writers Cinema Scope and film noir television variety shows the Golden Age of the automobile subliminal advertising fast food Frisbees and silly putty Meanwhile teens attained a more prominent role in American culture with hot rods rock n roll preppies and greasers and gasp juvenile delinquency At the same time a new technological threat the atom bomb lurked beneath the surface of the postwar decade This volume presents

a nuanced look at a surprisingly complex time in American popular culture *The People's Doctors* John S. Haller, 2000 Samuel Thomson born in New Hampshire in 1769 to an illiterate farming family had no formal education but he learned the elements of botanical medicine from a root doctor who he met in his youth Thomson sought to release patients from the harsh bleeding or purging regimens of regular physicians by offering inexpensive and gentle medicines from their own fields and gardens He melded his followers into a militant corps of dedicated believers using them to successfully lobby state legislatures to pass medical acts favorable to their cause John S Haller Jr points out that Thomson began his studies by ministering to his own family He started his professional career as an itinerant healer traveling a circuit among the small towns and villages of Maine New Hampshire and Massachusetts Eventually he transformed his medical practice into a successful business enterprise with agents selling several hundred thousand rights or franchises to his system His popular *New Guide to Health* 1822 went through thirteen editions including one in German and countless thousands were reprinted without permission Told here for the first time Haller's history of Thomsonism recounts the division within this American medical sect in the last century While many Thomsonians displayed a powerful vested interest in anti intellectualism a growing number found respectability through the establishment of medical colleges and a certified profession of botanical doctors *The People's Doctors* covers seventy years from 1790 when Thomson began his practice on his own family until 1860 when much of Thomson's medical domain had been captured by the more liberal Eclectics Eighteen halftones illustrate this volume *The Publishers Weekly*, 1898 **A Bibliography of the Thoreau Society Bulletin Bibliographies, 1941-1969** Jean Cameron Advena, 1971 The index should be in all collections where Thoreau is studied CHOICE An indispensable guide for anyone working on Thoreau this should be in all research large college and public libraries LIBRARY JOURNAL *The New York Times Book Review*, 1968 *Modernism and the Practice of Proletarian Literature* Simon Cooper, 2019-12-20 This book tests critical reassessments of US radical writing of the 1930s against recent developments in theories of modernism and the avant garde Multidisciplinary in approach it considers poetry fiction classical music commercial art jazz and popular contests such as dance marathons and bingo Relating close readings to social and economic contexts over the period 1856-1952 it centers in on a key author or text in each chapter providing an unfolding chronological narrative while at the same time offering nuanced updates on existing debates Part One focuses on the roots of the 1930s proletarian movement in poetry and music of the nineteenth and early twentieth centuries Part Two analyzes the output of proletarian novelists considered alongside contemporaneous works by established modernist authors as well as more mainstream popular titles **J. D. Salinger** Sterling Professor of Humanities Harold Bloom, 2009 Presents a collection of critical essays on Salinger and his works as well as a chronology of events in the author's life *The Publishers' Trade List Annual*, 1977 **The Contemporary Novel** Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists

but also on writers in English from around the world **Twentieth century short story explication** Warren S.
 Walker,1977 **Twentieth-century Short Story Explication** ,1977 *Science News-letter* ,1965 **Subject Catalog**
 Library of Congress,1965 □□□□□□□□ ,1969 *A Bibliographical Guide to the Study of Southern Literature* Louis Decimus
 Rubin (Jr.),Joseph A. Leo Lemay,1969 **Library of Congress Catalogs** Library of Congress,1970 Catalog of the
Communications Library, University of Illinois University of Illinois at Urbana-Champaign. Library,1975
