

The illustration shows a child with dark hair and a yellow shirt smiling, enclosed within a large, light blue, rounded container that resembles a protective bubble or a safe. Inside this container, at the bottom, is a small, dark grey, bear-like creature with large brown eyes. In the background, a green, spiky monster with large eyes and a jagged mouth is visible, set against a warm orange and yellow gradient background.

*Letting Go of Stress* J. S. Jackson, 2015-11-03 Children aren't immune to stress. Kids are especially prone to feel fear before stressful events in their lives. Family, school, and team sports schedules have been crammed into their daily activities so extensively that many children are robbed of their free recreational growth time, and an alarming number of kids are experiencing high levels of stress because of this. All of these realities can lead to our children having the same kinds of fears and concerns we adults have, especially about things they often have no control over. In this invaluable book, author J. S. Jackson helps children explore attitudes and ideas to try and

diminish some of the stress they feel in their lives      **Helping Children Who are Anxious or Obsessional** Margot Sunderland, 2020-07-15 This is a guidebook to help children who are insecure or worry too much suffer from phobias or nightmares find it difficult to concentrate to let go and have fun have suffered a trauma are worryingly good or seem like little adults use order and routine as a way of coping with messy feelings retreat into dullness as a way of managing their being in the world and develop obsessive compulsive behaviour in order to ward off their too powerful feelings      **ANXIETY IN KIDS - ANXIETY IN CHILDREN SURVIVAL GUIDE** ALAN. SPICER, 2024      CBT Workbook For Kids Rachel Davidson Miller, 2021-02-17 55% OFF for Bookstores NOW at 23 95 instead of 34 95 LAST DAYS Your child can overcome big emotions Anxiety depression stress anger and trauma are all thought to be adult related concerns No one talks about how these big emotions feelings and events can have just as significant of an impact on children Children are looked at as safe from these hard to overcome emotions But with constant exposure to news reports violent games social media and crime in their own neighborhood it is likely that your child may be struggling with these emotions without you even knowing it Children often act out when they feel out of control When they are trying to make sense of what they are feeling these behaviors intensify Unfortunately these behaviors are often chalked up to typical tantrums the child only trying to get what they want or the child seeking attention The cause of the behavior is never really questioned While it is typical for children to throw tantrums and fits every now and then when these become more frequent and last longer than a few minutes this is a clear red flag your child is struggling with some more Children can suffer from depression anxiety and stress among other intense mood disorders and emotions Young children do not have the skillset to help them work through these problems on their own It is no wonder why your child may be acting out if they are feeling confused and frightened by what they are thinking or feeling As a parent you want to help your child work through these big emotions and strengthen the skills your child needs to overcome these emotions in the future That is where this book can help In this workbook you will understand What anxiety anger stress trauma and depression looks like in a child What skills your child may be lacking which are adding to unwanted behaviors How to properly open the lines of communication with your child to talk about what they are going through What lifestyle change can best benefit you and your child This book will also provide you with activities games and techniques that you and your child can do together to work through big emotions Your child may have struggled in the past to communicate about what they are feeling and what is bothering them simply because they do not yet have an understanding of their feelings Unwanted behaviors are never because your child wants to be bad They are simply the only way they know how to cope and handle the big emotions they are experiencing This book will help you recognize this behavior and how you can help your child make the necessary changes to help them overcome and properly express what they are struggling with You and your child will gain a clear understanding of how to overcome big emotions rewire negative thoughts and maintain control in any situation from this book If you have been trying to help your child with little to no positive results in the past
