The Harrad Experiment:

The Harrad Experiment Robert H. Rimmer, 2010-09-30 A new age experiment takes place in the 1960s at Harrad College a privately endowed and liberally run school that admits carefully selected students This social experiment encourages premarital living arrangements and is totally committed not mere lip service or public relations hype to getting young men and women to think and act for themselves What do they think about Everything that interests the author Bob Rimmer human relations sex history philosophy anatomy existentialism art music Zen politics and once more sex Four Harrad students record their thoughts regularly for four years Their diaries include large chunks of college action conversation and portraits of fellow students so the reader is swept into the lives of these young adults trying to sort out the jumbled mores of America s Sixties Stanley Kolasukas a bright good looking youth from a poor Polish family finds himself a roommate of Sheila Grove the introspective daughter of an oil millionaire Harry Schacht a brilliant but ungainly medical student from an Orthodox Jewish background lives with Beth Hillyer a girl with enough drive to be a better doctor and enough sensuality to need many men in her life Jack Dawes imaginative and enthusiastic lives with Valerie Latrobe a dominant girl who believes she can better any man at anything The original Harrad Experiment sold more than three million copies This 25th anniversary edition includes a new epilogue describing the startling Harrad Premar Solution a fully up to date and annotated bibliography of books that support the daring joyfully subversive premises outlined in Harrad and Robert Rimmer s candid controversial autobiography When you have read this book you will find yourself entertaining the question of whether a real life Harrad Experiment could or should be going on somewhere today turning out a very special group of young men and women with the potential to utterly change America s ways of living thinking and loving in the 21st century

Rimmer, 1978 **Make Love, Not War** David Allyn, 2016-05-23 When Helen Gurley Brown s *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re examine the very meaning of freedom Written with a historian s

attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert **The Harrad Experiment** Robert H Rimmer, Mary Glaser, Aristotle, 1991-05-01 **The Harrad Experiment** Michael Werner, 1971 **The Real Steele: The Unauthorized Biography of Dakota Johnson** Marc Shapiro, 2015-02-09 Those who don't believe in miracles should take a look at what brought Dakota Johnson from obscurity to the pinnacle of stardom as Anastasia Steele in the motion picture *Fifty Shades of Grey* But who is Dakota Johnson A surprisingly accomplished and driven actress This is not some celebrity kid given a plum role because of her connections to old world Hollywood In *The Real Steele: The Unauthorized Biography of Dakota Johnson* you'll see how she went from a life of tranquility and yes privilege at the feet of superstar parents Don Johnson and Melanie Griffith to a determination to succeed that has led her down many paths First there was a career as an international model then to growing recognition in a string of successful studio and independent films and finally to her big break in *Fifty Shades of Grey* Johnson has proven a literal force of nature always moving forward and always using a natural sense of positive energy to dissuade the naysayers who would line up to take her down Through exclusive interviews with childhood friends and acting coaches Marc Shapiro has put Johnson's life and times much like the actress herself in a straightforward and always enticing biography **Quantum Jump** W. R. Clement, 1998 *Quantum Jump* was written for individuals trying to make sense of the rapid social and political changes overtaking their lives Clement explains how our civilization is undergoing a translation similar to the European Renaissance the development of managed agriculture or the invention of writing Each of these eras brought about new world views and broadened the intellectual scope through which we perceive our world The Renaissance was triggered by the discovery of perspective OCo the means to manipulate three dimensions OCo and implemented by the bill of exchange and new mathematics Our newest era began in 1900 with the discovery that the universe exists in many more than three dimensions Exploration of this realm via mathematics and computers will drive the immediate future This is a guide to surviving the jump from the industrial age to the onrushing era of hyperspace The changes wrought by this era transition are already formidable OCo the rise of global capitalism and new industries the collapse of the Soviet Union OCo but they are only the beginning History shows that era transitions are juggernauts imposing massive individual cultural and social adaptation Clement analyzes current responses from retreats into tribalism to the erection of a New World Order of global corporatism and trading blocs he concludes that neither is viable Instead he points to skills like tangential and lateral thinking that will better equip individual readers with the points of view required in tomorrow's world **The Films of the Seventies** Marc Sigoloff, 2000-09-01 This is a comprehensive filmography of American British and Canadian feature films released during the decade of the 1970s Nearly 1 000 films are listed alphabetically each with cast including the characters they played and credits release date a five star rating system production company length the Motion Picture Association of America rating of G PG R or X various award winners are

indicated with symbols and a brief summary of major plot details and characters and an evaluation of its virtues or flaws The box office rentals of each film achieving 4 million or more are also indicated **The Harrad Letters** Robert H.

Rimmer,1969 The Immoral Reverend Robert H. Rimmer,2000-04-17 A CHURCH OF MODERN MORALITIES In the city of Adamsport Massachusetts very similar to Quincy where Bob Rimmer has lived most of his life Matt Godwin with both an MBA and a Doctor of Divinity degree from Harvard after fifteen years in the business world is about to be elected president of a multi billion dollar conglomerate created by his father But defying both his wife and his father Matt returns to the Unitarian Universalist pulpit He has a vision of a church that offers an entirely new approach to Christian morality Inspired by the never ending mystery and wonder of procreation life and death his religion will preach the exaltation of the human body and mind and human sexuality will have a joyous laughing sacramental quality Matt s religious humanism is portrayed amidst a background of obsession and adventure Attempting to build a new style church Matt s need for funds leads him on a search for millions of dollars in gold bullion dumped by an American transport plane during World War II in the Himalayas when we were at war with the Japanese With the help of an Islamic Arab oil billionaire he rebuilds and recreates a former Unitarian Universalist church and offers a sexual religious agenda that shocks the conservative Christian community

Originally published in 1985 Bob Rimmer has elaborated the Church of Modern Moralities with a new 21st century franchised religion in his novel published by toExcel in 1998 It s called Wondering and has churches called Love Dromes Don t miss it After you ve read it you ll become a Wonderer too The Hollywood Book of Breakups James Robert

Parish,2010-12-20 Half of all marriages end in divorce and then there are the really unhappy ones Joan Rivers Do you suppose that the person who first said Life is stranger than fiction might have had Hollywood marriages in mind Why watch a romantic film starring a leading man and a leading lady when their real life romances are so much more interesting It seems that a celebrity s latest film can have a considerably longer life span in the theater than his or her marriage du jour One would almost think that Tinseltown has come to embrace divorce as an accepted pastime Some celebrities have seemingly collected spouses over the years systematically adding notches in their belts of divorces Cases in point Zsa Zsa Gabor nine Lana Turner eight Elizabeth Taylor nine and Mickey Rooney eight This list appears to make Jennifer Lopez a mere novice with only three marriages two divorces and one terminated engagement to date In The Hollywood Book of Breakups James Robert Parish looks at scores of hot Hollywood romances that eventually fell apart From the decade long union of Tom Cruise and Nicole Kidman to the just for show nuptials of Rock Hudson and Phyllis Gates to the four and a half year marriage of Brad Pitt and Jennifer Aniston to the other woman divorce of Debbie Reynolds and Eddie Fisher Parish covers it all from the burning embers to the fizzling fires of Hollywood breakups You couldn t make this stuff up and James Robert Parish doesn t need to Hollywood writes its own drama when it comes to scandalous breakups Movie/TV Soundtracks and Original Cast
