**Unknotting the Heart** Jie Yang, 2015-11-25 Since the mid 1990s as China has downsized and privatized its state owned enterprises severe unemployment has created a new class of urban poor and widespread social and psychological disorders In *Unknotting the Heart* Jie Yang examines this understudied group of workers and their experiences of being laid off counseled and then reoriented to the market economy Using fieldwork from reemployment programs community psychosocial work and psychotherapy training sessions in Beijing between 2002 and 2013 Yang highlights the role of psychology in state led interventions to alleviate the effects of mass unemployment She pays particular attention to those programs that train laid off workers in basic psychology and then reemploy them as informal counselors in their capacity as housemaids and taxi drivers These laid off workers are filling a niche market created by both economic restructuring and the shortage of professional counselors in China helping the government to defuse intensified class tension and present itself as a nurturing and kindly power In reality Yang argues this process creates both new political complicity and new conflicts often along gender lines Women are forced to use the moral virtues and work ethics valued under the former socialist system as well as their experiences of overcoming depression and suffering as resources for their new psychological care work Yang focuses on how the emotions potentials and hearts of these women have become sites of regulation market expansion and political imagination

*Creation, when the Sons of God Shouted for Joy, Until the Shout of the Arch-angel* George W. Henry,1859 **Preces Gertrudianae** Anonymous,2022-06-25 Reprint of the original first published in 1861 *The Interpretation of The Meaning of The Holy Quran Volume 56 - Surah Ya sin* Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **NIV, LifeConnect Study Bible**
