D. Mettinger,2005-06-01 Tryggve Mettinger s much praised work analyzes the major names for God in the Old Testament to trace through the many confrontations and challenges of individuals and groups that mark Israel s story the

historical development of Israel's conception of God **The Testaments of the Twelve Patriarchs** Robert Henry Charles, 1908 **The Greek Versions of the Testaments of the Twelve Patriarchs** Robert Henry Charles, 1908

Ethical Ambiguity in the Hebrew Bible Shira Weiss, 2018-09-06 Elucidates the Scriptural moral tradition by subjecting ethically challenging biblical texts to moral philosophical analysis **A Dictionary of the Bible: Feign-Kinsman** John Alexander Selbie, Andrew Bruce Davidson, Samuel Rolles Driver, Henry Barclay Swete, 1899 *The Jewish Quarterly Review*, 1921 **The Bible and Babylon** Eduard König, 1905 In a 1902 controversial lecture titled Babel and Bible Friedrich Delitzsch maintained that many Old Testament writings were borrowed from ancient Babylonian tales including the stories of Genesis creation narrative and the Flood myth This reply by Professor König was among the first scholarly rebuttals

Jerome Rothenberg's Experimental Poetry and Jewish Tradition Christine Mellicke, 2005-07 On a more specific level this book analyses Rothenberg's use of postmodern appropriative strategies such as collage assemblage palimpsest parody pastiche forgery found poetry and theft These strategies illustrate the concept practice and problematics of appropriation Embracing postmodern experimentation and drawing on heterodox Jewish sources Rothenberg constructs a contemporary American Jewish identity that does not rely on institutionalized Judaism Jacket Revised Chronology of the Bible Anthony Lyle, 2013-10-15 This book is a culmination of that research After trashing his work 10 times and starting over he managed to get a revised chronology that seemed to be more accurate than that being put out by the status quo universities It combines secular world history with Biblical history in a far more even and smoother match than that proposed by former historians who have attempted the same This is his version 12 which doesn't try to match different histories based on dates but rather by matching people and events and then applying revised dates to those events and people This work will call into question the conclusions of historians of the last 200 years about the ancient periods of time and provide an alternative dating for those times It is a World History in that it incorporates the ancient history of India China Japan as well as the traditional Middle Eastern and European societies of ancient times It re-evaluates the beginnings of civilization and the solar system refuting common historical and scientific beliefs of the modern world Documents that have previously been written off as Mythology have been re-evaluated as well as they give a different perspective of ancient times and what happened back then The use and creation of calendars is an important feature added to this work which is seldom taken into account by modern histories Incorporated in this work are many of the more recent archaeological finds that have yet to be incorporated in status quo works and institutions He makes no apology for the fact that this is Biblically based and the conclusions that have been reached by this work fit very well in Biblical contexts and adds some understanding to the events that took place in the Biblical narratives **The Bible History of the Holy Land** John Kitto, 1867
