Albert A Gayle

The Heritage Vietnamese Poetry An Anthology:

The Heritage of Vietnamese Poetry Sanh Thông Huỳnh, 1979 *The Heritage of Vietnamese Poetry* Huynh Sanh Thong, Vietnam Anthology Nancy Anisfield, 1987 Novel excerpts include Robert Stone's *Dog Soldiers* David Halberstam's *One Very Hot Day* and Jeff Danziger's *Lieutenant Kitt* Short stories include Asa Baber's *The Ambush* Tobias Wolff's *Wingfield* and Tim O'Brien's *The Things They Carried* Drama excerpts include David Rabe's *Streamers* and Lanford Wilson's *The 5th of July* Poets include Denise Levertov Jan Barry E D Ehrhart Basil T Paquet Stephen Sossaman Bryan Alec Floyd Bruce Weigl and Trang Thi Nga **Studies on Vietnamese Language and Literature** Nguyen Dinh Tham, 2018-05-31 This work contains over 2 500 entries to guide students and scholars interested in the languages and literature of Vietnam The books monographs and journal articles considered are those written in the Western languages especially French and English Meticulously researched and indexed this bibliography is both the first of its kind and an invaluable reference tool **The Colonial Bastille** Peter Zinoman, 2001-03-04 Peter Zinoman's original and insightful study focuses on the colonial prison system in French Indochina and its role in fostering modern political consciousness among the Vietnamese Using prison memoirs newspaper articles and extensive archival records Zinoman presents a wealth of significant new information to document how colonial prisons rather than quelling political dissent and maintaining order instead became institutions that promoted nationalism and revolutionary education **The Tale of Kieu** , 1983-01-01 Since its publication in the early nineteenth century this long narrative poem has stood unchallenged as the supreme masterpiece of Vietnamese literature Th ng's new and absorbingly readable translation on pages facing the Vietnamese text is illuminated by notes that give comparative passages from the Chinese novel on which the poem was based details on Chinese allusions and literal translations with background information explaining Vietnamese proverbs and folk sayings Lost Modernities Alexander Woodside, 2006-05-30 In *Lost Modernities* Alexander Woodside offers a probing revisionist overview of the bureaucratic politics of preindustrial China Vietnam and Korea He focuses on the political and administrative theory of the three mandarinates and their long experimentation with governments recruited in part through meritocratic civil service examinations remarkable for their transparent procedures The quest for merit based bureaucracy stemmed from the idea that good politics could be established through the development of people the training of people to be politically useful Centuries before civil service examinations emerged in the Western world these three Asian countries were basing bureaucratic advancement on examinations in addition to patronage But the evolution of the mandarinates cannot be accommodated by our usual timetables of what is modern The history of China Vietnam and Korea suggests that the rationalization processes we think of as modern may occur independently of one another and separate from such landmarks as the growth of capitalism or the industrial revolution A sophisticated examination of Asian political traditions both their achievements and the associated risks this book removes modernity from a standard Eurocentric understanding and offers a

unique new perspective on the transnational nature of Asian history and on global historical time *Citizens of the World* Samara Anne Cahill, Kevin L. Cope, 2015-05-14 Encounters whether first or subsequent or whether cultural economic or ideological mark the beginning of an acquaintance and measure both similarities and differences What happens after an opening encounter is the topic of *Citizens of the World* Adapting in the Eighteenth Century Taking as its point of embarkation awareness of the mutuality of foreignness of the unfamiliarity that characterizes all parties to a meeting of the minds ways or traditions this exploratory volume considers the many approaches and strategies to adaptation in the Enlightenment and the long and complex process of reciprocal adjustment that created this enthusiastically outgoing era internationally The eight essays of this volume examine four varieties of adaptation the interdisciplinary in which expanding realms of knowledge collide but cooperate the transnational in which longstanding traditions merge and hybridize the gendered in which personal identity and public pursuits negotiate and the general in which the adapting mentality energizes unprecedented efforts at ingenious recombination Whether in cast and fired pottery or aboard imagined airships adaptation the authors in this volume demonstrate all but defines a century in which the all but implies perpetual adjustment to everything else **The Heritage of African Poetry** Isidore Okpewho, 1985 The A to Z of Vietnam Bruce M. Lockhart, William J. Duiker, 2010-04-14 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The A to Z of Vietnam focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam's history as well as a bibliography *United States and Asia at War: A Cultural Approach* Philip West, Steven I. Levine, Jackie Hiltz, 2015-06-03 This text examines the Pacific War the Korean War and the Vietnam War from the perspective of those who fought the wars and lived through them The relationship between history and memory informs the book and each war is relocated in the historical and cultural experiences of Asian countries WLA, 1998 Vietnam and the Chinese Model Alexander Barton Woodside, 2020-03-17 Why did the Vietnamese accept certain Chinese institutions and yet explicitly reject others How did Vietnamese cultural borrowings from China alter the dynamics of traditional relations between Vietnam Siam Laos and Cambodia How did Vietnam's smaller Southeast Asian environment modify and distort classical East Asian institutions Woodside has answered these questions in this well received political and cultural study This first real comparison of the civil governments of two traditional East Asian societies on an institution by institution basis is now reissued with a new preface

The Princeton Encyclopedia of Poetry and Poetics Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev ed of The Princeton encyclopedia of poetry and poetics Alex Preminger and T V F Brogan co editors Frank J Warnke O B Hardison Jr and Earl Miner associate editors 1993

Historical Dictionary of Vietnam Bruce M. Lockhart, William J. Duiker, 2006-02-27 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The third edition of this dictionary focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography

In Search of Southeast Asia David Joel Steinberg, David P. Chandler, William R. Roff, John R. W. Smail, Robert H. Taylor, Alexander Woodside, David K. Wyatt, 2021-05-25 No detailed description available for In Search of Southeast Asia

The Country of Memory Hue-Tam Ho Tai, 2001-10 Hue Tam Ho Tai s masterful collection of essays that explore how the past is being remade in contemporary Vietnam constitutes a welcome addition to the study of the larger problem of engineering memory especially in political cultures where the identity of the nation state is in a considerable state of flux This book also suggests that the commemorative fever that is sweeping Vietnam is about more than Vietnam s history It also has a great deal to do with the problems premodern cultures presented to those who promoted the creation of contemporary states In this regard both Vietnam and this book offer all scholars of nationalism and remembering in the West a fascinating perspective on their own nations John Bodnar Chancellors Professor of History at Indiana University from the Foreword

Vietnamese Traditional Medicine C. Michele Thompson, 2015-06-30 While reshaping our understanding of the history and development of traditional Vietnamese medicine in the 19th and 20th centuries Michele Thompson s new book reaches across disciplines to open important perspectives in Vietnamese colonial and social history as well as our understanding of the Vietnamese language and writing systems Traditional Vietnamese medicine is generally understood as an import from the Chinese tradition Thompson s detailed historical and linguistic research restores agency and voice to practitioners of Vietnamese medicine showing how the adoption of Chinese and then Western ideas of medicine in the 19th and 20th centuries relied on indigenous Vietnamese concepts of health and the human body She mines medical manuscripts in Chinese and in Nom vernacular Vietnamese to capture various aspects of the historical interaction between Chinese and Vietnamese thought She presents a detailed analysis of the Vietnamese response to a Chinese medical technique for preventing smallpox

and to the medical concepts associated with it looking at Vietnamese healers from a variety of social classes Thompson's account brings together colorful historical vignettes contemporary observations and interviews and textual analysis It stands out as a demonstration of the power of the history of medicine to illuminate adjacent fields of enquiry It will be of interest to historians of medicine globally and in East Asia as well as to students of Vietnam and its complex process of modernization

The Cambridge History of Southeast Asia Nicholas Tarling, 1999 This history covers mainland and island Southeast Asia from Burma to Indonesia Volume I is from prehistory to c1500 Volume II discusses the area's interaction with foreign countries from c1500 c1800 Volume III charts the colonial regimes of 1800 1930 and Volume IV is from World War II to 1999

The Journal of Asian Studies, 1980 An essential resource for those interested in Asia Recognized as the leading publication in its field It features articles on the history arts social sciences and contemporary issues of East South and Southeast Asia as well as a large book review section
