The Guerrillas Have Taken Our Son:

Rescue The Captors Russell Stendal, 2019-07-19 The terror began on August 14 1983 American bush pilot Russell Stendal on a routine flight landed in a remote Colombian village and within minutes gunfire erupted Russell was kidnapped at gunpoint by guerrilla fighters launching a 142 day ordeal deep in the jungle With nothing but time and his faith Russell began to write He documented his life his captors and the raw reality of survival in a hostile world His writings became a bridge between captive and captor and now form the basis of this unforgettable true story Rescue the Captors is more than a survival memoir it s a testament to faith redemption and the power of God s love to break through even the darkest jungles physical and ideological Readers who love true crime missionary stories survival adventures and real life thrillers will be captivated by this gripping faith driven account , Terrorism Chester L. Quarles, 2000 Terrorism is a thoroughly researched collection of information on how to prevent avoid cope with recover from and analyze criminal kidnapping and hostage taking Filled with the stories of successful hostages along with statistics from intelligence files and international reports this book is intended as a scholarly yet practical approach to this world wide issue The author interviews well known former hostages such as David Dodge General and Mrs James Dozier Richard Grover Gordon Kennedy Larry and Sis Levin Roy Libby Bruce Olson and Lloyd Van Vactor Based on fifteen years of research and Quarles experience as a negotiator for missionaries taken hostage Terrorism is a book that is appropriate for political theorists as well as those in the field

Cultural Heritage Management and Indigenous People in the North of Colombia Wilhelm Londoño Díaz, 2020-12-29 Cultural Heritage Management and Indigenous People in the North of Colombia explores indigenous people s struggle for territorial autonomy in an aggressive political environment and the tensions between heritage tourism and Indigenous rights South American cases where local communities especially Indigenous groups are opposed to infrastructure projects are little known This book lays out the results of more than a decade of research in which the resettlement of a pre Columbian village has been documented It highlights the difficulty of establishing the link between archaeological sites and objects and Indigenous people due to legal restrictions From a decolonial framework the archaeology of Pueblito Chairama Teyk is explored and the village stands as a model to understand the broader picture of the relationship between Indigenous people and political and economic forces in South America The book will be of interest to researchers in Archaeology Anthropology Heritage and Indigenous Studies who wish to understand the particularities of South American repatriation cases and Indigenous archaeology in the region **People's War** Thomas A Marks, Paul Rich, 2019-12-18 Far from being an anachronism much less a kit bag of techniques people s war raises what has always been present in military history irregular warfare and fuses it symbiotically with what has likewise always been present politically rebellion and the effort to seize power The result is a strategic approach for waging revolutionary warfare the effort to make a revolution Voluntarism is wedded to the exploitation of structural contradiction through the building of a new world to challenge the existing world

through formation of a counterstate within the state in order ultimately to destroy and supplant the latter This is a process of far greater moment than implied by the label guerrilla warfare so often applied to what Mao and others were about This volume deals with the continuing importance of Maoist and post Maoist concepts of people s war Drawing on a range of examples that include Peru Colombia Bolivia the Caucasus and Afghanistan the collection shows that the study of people s war is not just an historical curiosity but vital to the understanding of contemporary insurgent and terrorist movements The chapters in this book were originally published as a special issue of Small Wars Insurgencies

Throwing Stones at the Moon Sibylla Brodzinsky,Max Schoening,2023-03-28 Since 1964 Colombia has been embroiled in internal armed conflict among guerrilla groups paramilitary militias and the country s own military Civilians in Colombia face a range of abuses from all sides including killings disappearances and rape and more than four million have been forced to flee their homes The oral histories in Throwing Stones at the Moon describe the most widespread of Colombia s human rights crises forced displacement Speakers recount life before displacement the reasons for their flight and their struggle to rebuild their lives NARRATORS INCLUDE MARIA VICTORIA whose fight against corruption as a hospital union leader led to a brutal attempt on her life In 2009 assassins tracked her to her home and stabbed her seven times in the face and chest Since the attack Julia has undergone eight facial reconstructive surgeries and continues to live in hiding DANNY who at eighteen joined a right wing paramilitary s training camp Initially lured by the promise of quick money Danny soon realized his mistake and escaped to Ecuador He describes his harrowing escape and his struggle to survive as a refugee with two young children to support

"La Piña De Oro" Julian Cairol,2011-12-13 There is no available information at this time **Voices from the Coca Fields** Bautista, Ana Jimena,Capacho, Blanca,Cruz, Luis Felipe,Martínez, Margarita,Pereira, Isabel,Ramírez, Lucía,2021-03-30 Colombia s response to the country s drug problem has been based on the repression of the weakest links in the drug chain namely consumers and small farmers which has led to disproportionate rates of imprisonment and has involved a heavy focus on forced crop eradication Not only has such an approach failed to effectively control the cocaine market but it has also unleashed harmful side effects in terms of security social development and human rights as they concern communities in coca growing areas Moreover although scholars and practitioners have analyzed Colombia s drug problem from a variety of perspectives these efforts have tended to overlook women s experiences This report explores the ways that rural norms gender structures the armed conflict and illegal markets have played out in the lives of women coca growers in Colombia s Andes Amazon region an area distinguished by the presence of illegal armed groups violence poverty and weak state institutions In this region of Colombia coca cultivation has offered an important source of income for rural families which in turn has affected women s roles in society and has placed them in a vulnerable position vis vis armed actors The Andes Amazon region is an area where the country s war on drugs and its armed conflict converged and unmasked the gender structures dominating the countryside These structures affected rural women in various ways through everyday

violence the fumigation of illicit and licit crops alike and women s stigmatization due to their involvement in an illegal trade But coca was also a source of livelihood that helped them attain economic independence and gave them the ability to improve their well being and that of their families The recent peace accord signed between the Colombian government and the country s main guerrilla group represents a historic opportunity to learn from past mistakes in terms of the illicit crop problem and the social and political demands of coca growing communities Against this backdrop it is time to recognize the contributions that women coca growers have made in both the public and the private spheres toward the construction of a peaceful countryside in the most remote and forgotten regions of the country *Holy Bible Text Edition NLT*

The Soul of Development Amy L. Sherman,1997-05-01 Ever since Max Weber started an argument about the role of Protestantism in jump starting northern Europe s economic development scholars have clashed over the influence of religion and culture on a society s or an individual s economic prospects Today many wonder whether the explosion of Protestantism in Latin America will effect a similar wave of growth and democratization In this book Sherman compiles the results of her field study and national survey of 1000 rural Guatemalan households She offers persuasive evidence that in Guatemala and throughout the region religious world views significantly influence economic life Sherman explains how the change in attitude and behavior that accompanies conversion from animism to a Biblically orthodox world view has improved the domestic welfare and economic status of many families Further she asserts that this new attitude sympathetic to democratic capitalism has created a moral cultural soil in which freedom personal empowerment an enhanced status for women and a desire to get ahead can be nurtured
