The place where the swinging sixties started Liverpool England birthplace of the Beatles wasn't so swinging Amid industrial blight and a bad economy the port town's shipping industry was going bust and there was widespread unemployment with no assistance from a government tightening its belt Even the Beatles moved to London Into these hard times walked Bill Shankly a former Scottish coal miner who took over the city's perpetually last place soccer team He had a straightforward work ethic and a favorite song a silly pop song done by a local band You'll Never Walk Alone Soon he would have entire stadiums singing along tens of thousands of people all dressed in the team color red as Liverpool began to win And soon too there was something else those thousands of people would chant as one Shank lee Shank lee In Red or Dead the acclaimed writer David Peace tells the stirring story of the real life working class hero who lifted the spirits of an entire city in turbulent times But Red or Dead is more than a fictional biography of a real man and more than a thrilling novel about sports It is an epic novel that transcends those categories until there's nothing left to call it but as many of the world's leading newspapers already have a masterpiece

The Busby Babes Max Arthur, 2011-03-18 On 6 February 1958 a plane took off from a snowy Munich airport carrying probably the finest club side the world has ever known Moments later the aircraft crashed killing some of the most legendary names in British football This book is dedicated to those players Roger Byrne Tommy Taylor the mighty Duncan Edwards and the others whose lives were cut off in their prime and their indomitable manager Sir Matt Busby Max Arthur has sought out all the players who survived the crash and spoken to the relatives and friends of those who died From these interviews sometimes serious but often humorous he has captured their remarkable spirit and created a unique portrait of all the Busby Babes *British Sport: Biographical studies of British sportsmen, sportswomen, and animals* Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian
