Christopher M. Armitage, 1987 *Sir Walter Raleigh* Mark Nicholls, Penry Williams, 2011-01-27 New biography of one of the key figures in British history focusing on both his writing and legacy Mark Nicholls is President and Librarian of St John's College Cambridge Annotated Bibliography of Southern American English James B. McMillan, Michael B Montgomery, 2018-12-11 A collection of the total range of scholarly and popular writing on English as spoken from Maryland to Texas and from Kentucky to Florida The only book length bibliography on the speech of the American South this volume focuses on the pronunciation vocabulary grammar naming practices word play and other aspects of language that have interested researchers and writers for two centuries Compiled here are the works of linguists historians anthropologists sociologists and educators as well as popular commentators With over 3 800 entries this invaluable resource is a testament to the significance of Southern speech long recognized as a distinguishing feature of the South and the abiding interest of Southerners in their speech as a mark of their identity The entries encompass Southern dialects in all their distinctive varieties from Appalachian to African American and sea islander to urbanite *A Bibliography of Latin American and Caribbean Bibliographies, 1985-1989* Lionel V. Loroña, 1993 The fifth supplement to Arthur E Gropp's *A Bibliography of Latin American Bibliographies* 1968 covering bibliographies published 1985-89 and those published earlier but not noted in previous supplements For the first time includes Caribbean bibliographies The 1 867 citations are unannotated Annotation copyright by Book News Inc Portland OR **The Seaforth Bibliography** Eugene Rasor, 2009-04-17 This remarkable work is a comprehensive historiographical and bibliographical survey of the most important scholarly and printed materials about the naval and maritime history of England and Great Britain from the earliest times to 1815 More than 4 000 popular standard and official histories important articles in journals and periodicals anthologies conference symposium and seminar papers guides documents and doctoral theses are covered so that the emphasis is the broadest possible But the work is far far more than a listing The works are all evaluated assessed and analysed and then integrated into an historical narrative that makes the book a hugely useful reference work for student scholar and enthusiast alike It is divided into twenty one chapters which cover resource centres significant naval writers pre eminent and general histories the chronological periods from Julius Caesar through the Vikings Tudors and Stuarts to Nelson and Bligh major naval personalities warships piracy strategy and tactics exploration discovery and navigation archaeology and even naval fiction Quite simply no one with an interest and enthusiasm for naval history can afford to be without this book at their side *The Sea in World History* Stephen K. Stein, 2017-04-24 This two volume set documents the essential role of the sea and maritime activity across history from travel and food production to commerce and conquest In all eras water transport has served as the cheapest and most efficient means of moving cargo and people over any significant distance Only relatively recently have railroads and aircraft

provided an alternative Most of the world s bulk goods continue to travel primarily by ship over water Even today 95 percent of the cargo that enters and leaves the United States does so by ship Similarly people around the world rely on the sea for food and in recent years the sea has become an important source of oil and other resources with the longterm effects of our continuing efforts to extract resources from the sea further highlighting environmental concerns that range from pollution to the exhaustion of fish stocks This chronologically organized two volume reference addresses the history of the sea beginning with ancient civilizations 4000 to 1000 BCE and ending with the modern era 1945 to the present day Each of the eight chapters is further broken down into sections that focus on specific nations or regions offering detailed descriptions of that area of the world and shorter entries on specific topics individuals and events The book spans maritime history covering major seafaring peoples and nations famous explorers travelers and commanders events battles and wars key technologies including famous ships important processes and ongoing events such as piracy and the slave trade and more Readers will benefit from dozens of primary source documents ranging from ancient Egyptian tales of seafaring to texts by renowned travelers like Marco Polo Zheng He and Ibn Battuta that provide firsthand accounts from the age of discovery as well as accounts of battle from World War I and II and more modern accounts of the sea *English/British Naval History to 1815* Eugene L. Rasor,2004-10-30 The English British have always been known as the sailor race with hearts of oak the Royal Navy as the Senior Service and First Line of Defense It facilitated the motto The sun never set on the British Empire The Royal Navy has exerted a powerful influence on Great Britain its Empire Europe and ultimately the world This superior annotated bibliography supplies entries that explore the influence of the English British Navy through its history This survey will provide a major reference guide for students and scholars at all levels It incorporates evaluative qualitative and critical analysis processes the essence of historical scholarship Each one of the 4 124 annotated entries is evaluated assessed analyzed integrated and incorporated into the historiographical scholarship *The Emergence of International Business, 1200-1800: Enterprise and empire* Theodore K. Rabb,1999 Presents a history of commerce covering such topics as colonial expansion credit and banking and the development of trading companies **The Encyclopedia Of Colonial And Revolutionary America** John Mack Faragher,1996-03-21 This encyclopedia based on the latest research and with contributions by leading scholars unfolds in 1500 entries the entire colonial period from the earliest settlements in 1600 through the American Revolution to nationhood under the Articles of Confederation in 1781 *The Atlantic World and Virginia, 1550-1624* Peter C. Mancall,2018-01-15 In response to the global turn in scholarship on colonial and early modern history the eighteen essays in this volume provide a fresh and much needed perspective on the wider context of the encounter between the inhabitants of precolonial Virginia and the English This collection offers an interdisciplinary consideration of developments in Native America Europe Africa the Caribbean and the Chesapeake highlighting the mosaic of regions and influences that formed the context and impetus for the English settlement at Jamestown in 1607 The volume

reflects an understanding of Jamestown not as the birthplace of democracy in America but as the creation of a European outpost in a neighborhood that included Africans Native Americans and other Europeans With contributions from both prominent and rising scholars this volume offers far ranging and compelling studies of peoples texts places and conditions that influenced the making of New World societies As Jamestown marks its four hundredth anniversary this collection provides provocative material for teaching and launching new research Contributors Philip P Boucher University of Alabama Huntsville Peter Cook Nipissing University J H Elliott University of Oxford Andrew Fitzmaurice University of Sydney Joseph Hall Bates College Linda Heywood Boston University James Horn Colonial Williamsburg Foundation E Ann McDougall University of Alberta Peter C Mancall University of Southern California Philip D Morgan Johns Hopkins University David Northrup Boston College Marcy Norton The George Washington University James D Rice State University of New York Plattsburgh Daniel K Richter University of Pennsylvania David Harris Sacks Reed College Benjamin Schmidt University of Washington Stuart B Schwartz Yale University David S Shields University of South Carolina Daviken Studnicki Gizbert McGill University James H Sweet University of Wisconsin Madison John Thornton Boston University

Restoring the First-century Church in the Twenty-first Century Warren Lewis, Hans Rollmann, 2005-10-15 Restoring the First century Church in the Twenty first Century Essays on the Stone Campbell Restoration Movement in Honor of Don Haymes is a snapshot of a major American religious movement just after the turn of the millennium When the Disciples of Alexander Campbell and the Christians of Barton Warren Stone joined forces early in the 19th century the first indigenous ecumenical movement in the United States came into being Two hundred years later this American experiment in biblical primitivism has resulted in three possibly four large segments Best known is the Christian Church Disciples of Christ active wherever ecumenical Christians gather The denomination is typically theologically open having been reshaped by theological Liberalism and the Social Gospel in the twentieth century and has been re organized on the model of other Protestant bodies The largest group the Churches of Christ easily distinguished by their insistence on a cappella music singing only is theologically conservative now tending towards the evangelical and congregationally autonomous though with a denominational sense of brotherhood The Christian Churches Churches of Christ Independent are a via media between the two other bodies theologically conservative and evangelical congregationally autonomous pastorally oriented and comfortable with instrumental music The fourth numerically significant group the churches of Christ Anti Institutional is a conservative reaction to the a cappella churches much in the way that the Southern a capella churches reacted against the emerging intellectual culture and social location instrumental music and institutional centrism of the Northern Disciples following the Civil War Besides these four numerous smaller fragments typically one article splinter groups decorate the history of the Restoration Movement One Cup brethren Premillennialists No Sunday School congregations No Located Preacher churches and others This movement to unite Christians on the basis of faith and immersion in Jesus Christ and to restore New Testament Christianity is too little

recognized on the American religious landscape and it has been too little studied by the academic community This volume is focused primarily on the a cappella churches and their interests but implications for the entire Stone Campbell Restoration Movement abound The voices that speak freely within were unimpeded in authoring these essays by standards of orthodoxy imposed from without All of the contributors are acquainted with Don Haymes the honoree of the volume and have been inspired by this friend and colleague a man with a rigorous and earthy intellect and a heavenly spirit David Bundy series editor Studies in the History and Culture of World Christianities Bulletin English Association, London, 1917 **Robert Bridges** Lee Templin Hamilton, 1991 Robert Bridges poet laureate of England from 1913 to 1930 is an important cultural link between the Victorian Age and the modern period This bibliography updates and expands George McKay's A Bibliography of Robert Bridges 1933 and is the first gathering of reviews articles essays books and other scholarly notes about Bridges

Renaissance Culture and the Everyday Patricia Fumerton, Simon Hunt, 2014-06-10 It was not unusual during the Renaissance for cooks to torture animals before slaughtering them in order to render the meat more tender for women to use needlepoint to cover up their misconduct and prove their obedience and for people to cover the walls of their own homes with graffiti Items and activities as familiar as mirrors books horses everyday speech money laundry baskets graffiti embroidery and food preparation look decidedly less familiar when seen through the eyes of Renaissance men and women In Renaissance Culture and the Everyday such scholars as Judith Brown Frances Dolan Richard Helgerson Debora Shuger Don Wayne and Stephanie Jed illuminate the sometimes surprising issues at stake in just such common matters of everyday life during the Renaissance in England and on the Continent Organized around the categories of materiality women and transgression and constantly crossing these categories the book promotes and challenges readers thinking of the everyday While not ignoring the aristocratic it foregrounds the common person the marginal and the domestic even as it presents the unusual details of their existence What results is an expansive variegated and sometimes even contradictory vision in which the strange becomes not alien but a defining mark of everyday life Contemporary Southern Men Fiction Writers Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994 **The Outlook**, 1922 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1904 **Machiavellian Encounters in Tudor and Stuart England** Alessandro Arienzo, 2016-05-13 Taking into consideration the political and literary issues hanging upon the circulation of Machiavelli's works in England this volume highlights how topics and ideas stemming from Machiavelli's books including but not limited to the Prince strongly influenced the contemporary political debate The first section discusses early reactions to Machiavelli's works focusing on authors such as Reginald Pole and William Thomas depicting their complex interaction with Machiavelli In section two different features of Machiavelli's reading in Tudor literary and political culture are discussed moving well beyond the

traditional image of the tyrant or of the evil Machiavel Machiavelli s historiography and republicanism and their influences on Tudor culture are discussed with reference to topical authors such as Walter Raleigh Alberico Gentili Philip Sidney his role in contemporary dramatic writing especially as concerns Christopher Marlowe and William Shakespeare is taken into consideration The last section explores Machiavelli s influence on English political culture in the seventeenth century focusing on reason of state and political prudence and discussing writers such as Henry Parker Marchamont Nedham James Harrington Thomas Hobbes and Anthony Ascham Overall contributors put Machiavelli s image in sixteenth and seventeenth century England into perspective analyzing his role within courtly and prudential politics and the importance of his ideological proposal in the tradition of republicanism and parliamentarianism **John Milton** David Hawkes,2011-01-01 John Milton poet polemicist public servant and author of one of the greatest masterpieces in English literature Paradise Lost is revered today as a great writer and a proponent of free speech In his time however his ideas far exceeded the orthodoxy of English life spurred by his conscience and an iron grip on logic Milton was uncompromising in his beliefs at a time of great religious and political flux in England In John Milton David Hawkes expertly interweaves details from Milton s public and private life providing new insight into the man and his prophetic stance on politics and the social order By including a broad range of Milton s iconoclastic views on issues as diverse as politics economics and sex Hawkes suggests that Milton s approach to market capitalism political violence and religious terrorism continues to be applicable even in the 21st century This insightful biography closely examines Milton s participation in the English civil war and his startlingly modern ideas about capitalism love and marriage reminding us that human liberty and autonomy should never be taken for granted
