Queer Issues in Contemporary Latin American Cinema David William Foster,2009-08-17 Viewing contemporary Latin American films through the lens of queer studies reveals that many filmmakers are exploring issues of gender identity and sexual difference as well as the homophobia that attempts to defeat any challenge to the heterosexual norms of patriarchal culture In this study of queer issues in Latin American cinema David William Foster offers highly perceptive queer readings of fourteen key films to demonstrate how these cultural products promote the principles of an antiheterosexist stance while they simultaneously disclose how homophobia enforces the norms of heterosexuality Foster examines each film in terms of the ideology of its narrative discourse whether homoerotic desire or a critique of patriarchal heterosexism and its implications for Latin American social life and human rights His analyses underscore the difficulties involved in constructing a coherent and convincing treatment of the complex issues involved in critiquing the patriarchy from perspectives associated with queer studies The book will be essential reading for everyone working in queer studies and film studies The films discussed in this book are De eso no se habla I Don t Want to Talk about It El lugar sin l mites The Place without Limits Aqueles dois Those Two Convivencia Living Together Conducta impropia Improper Conduct The Disappearance of Garc a Lorca La Virgen de los Sicarios Our Lady of the Assassins Do a Herlinda y su hijo Do a Herlinda and Her Son No se lo digas a nadie Don t Tell Anyone En el para so no existe el dolor There Is No Suffering in Paradise A intrusa The Interloper Plata quemada Burnt Money Afrodita Aphrodite Fresa y chocolate Strawberry and Chocolate Queer South Rising Reta Ugena Whitlock,2013-03-01 Queer South Rising Voices of a Contested Place is a collection of essays about the South by people who identify as both Southern and queer The collection s name hints at the provocative nature of its contents placing Queer and South side by side challenges readers to think about each word differently The idea that a queer South might rise undermines the Battle Cry of The South s Gonna rise Again embedded in the collective memory of a conservative South This rising does not refer to a kind of Enlightenment transcendence where the region achieves some sort of distinctive prominence It suggests instead ruptures like furrows in a plowed field where seeds are sown The rising Whitlock envisions is akin to breaking and turning over meanings of Southern place The title further serves to remind readers of the complexities of the place as it calls into question notions of a universal homogenous LGBT queer identity Queer South Rising is the first truly interdisciplinary collection of essays on the South and queerness that deliberately aims for multiple approaches to the topics This collection is intended for a wide audience of regular folks Essays explore multiple intersections of Southern place religion politics sexuality race education that transcend regional boundaries This book counters conventional scholarly texts it invites all readers interested in the South and queer themes to engage with the

narratives it holds and perhaps question their assumptions Whitlock has sought in collecting these essays to seek out a diverse group of authors across disciplines professions and interests to shatter perceptions about a nostalgic romanticized Southern culture in general

Language and Masculinities Tommaso M. Milani, 2014-12-05 This volume showcases cutting edge research in the linguistic and discursive study of masculinities comprising the first significant edited collection on language and masculinities since Johnson and Meinhof's 1997 volume Overall the chapters are linked together by a critical analytical perspective that seeks to understand the relationships between discourse masculinities and power Whereas some of the chapters offer detailed linguistically informed critiques of the ways in which old and new expressions of masculinities are complicit in the reproduction of men's hegemonic positions of power others provide a more complex picture one in which collusion and subversion go hand in hand Contributions argue for the need for research on language and masculinities to expand its remit so as to engage with gay masculinities and unsettle gendered categories in order to consider the ways in which women transgender and intersex individuals also perform a variety of masculinities Finally unlike Johnson and Meinhof's 1997 collection this volume not only offers a wider and perhaps queerer perspective on the study of language and masculinities but also covers a broader geographical and socio cultural spectrum including work on Brazil Israel New Zealand Singapore and South Africa

Under Bright Lights Bobby Benedicto, 2014-10-15 Gay friendly dance clubs upmarket bars and party circuits such commercial venues evoke the image of a gay globe but what happens when they are bound to a landscape of disorder mass poverty and urban decay Vividly describing this world of contradictions through the prism of twenty first century Manila Under Bright Lights challenges popular interpretations of the third world queer as a necessarily radical figure Drawing on ethnographic research Bobby Benedicto paints a remarkably counterintuitive portrait of gay spaces in postcolonial cities He argues that Filipino gay men's pursuit of an elusive global gay modernity sustains the very class gender and racial hierarchies that structure urban life in

the Philippines Benedicto examines for example how practices such as driving enable the emergence of a classed gay cityscape and how scenes of networked global cities engender discourse that positions Manila within a global system of gay capitals And yet he also analyzes how the fantasy of gay globality is imperiled when privileged gay men from Manila while traveling abroad encounter Filipino labor migrants and come face to face with the exclusionary racial orders that operate in gay spaces overseas Unique in its methodological approach Under Bright Lights employs affective first person storytelling techniques to capture the visceral experience of Manila and gay life in a third world city
