explores how and why the Evangelical church didn't simply jump into bed with but became Christian Nationalists **Faith Can Change the World** Lester Sumrall, 1951-12-12 **Towards a Soulful Sexuality** Adele Gruber, 2011-02-14 This book is called *Towards a Soulful Sexuality* because it is an initial step in the direction of a destination towards which I believe we should journey. This is a renewed consciousness of a feminine sexual holiness firmly grounded in our bodies and our psyches that should apply throughout a woman's life even and most especially in the post-menopausal years *60 Days of Happiness* Randy C. Alcorn, 2017-01-04 This devotional is adapted from *Happiness 2015* by Randy Alcorn *Subject Guide to Books in Print*, 1983 **Angel Eyes: The Violin Trade, Money, Power, Corruption & Sex** Roger Graham Hargrave, 2024-01-08 In 1929 after her mother dies giving birth to her Grace Scott is raised by her father and German grandfather who run a violin business in Chicago. In their care she develops a formidable intellect but as a teenager she is somewhat overweight an unfortunate combination for a woman in 1940s America. Believing that this will affect her chances of finding a husband to provide her with a degree of autonomy her father and grandfather turn her into an outstanding violin connoisseur. In spite of their efforts determined to control her own destiny Grace seduces an older English violin dealer. However when the pair move to war-ravaged London her plan backfires. Using their daughter as leverage her husband controls Grace's every move. In 1965 after years of oppression and exploitation Grace begins a torrid affair with her husband's youngest employee. Things reach a crisis when Grace discovers that her father-in-law has been hoarding a collection of antique violins that were stolen by the Nazis. Horrified Grace arranges for the instrument's restitution. Returning to the United States alone in Washington DC Grace becomes embroiled in women's emancipation, equal rights and the anti-Vietnam war movement **Dodging the 60's Bullet: And Other Blessings from My Mennonite German Immigrant Grandparents** Barbara Wyman, 2023-10-25 About the Book I chose *Dodging the 60's Bullet* as the title because it expresses how I feel about living through that era without taking a direct hit. I believe I was blessed by the timing of my birth as well as the influence from my immigrant grandparents who helped to raise me. I was almost an adult when this unarmed insurrection began but those who were only in their early teens were not as lucky. The 60s attack on America's culture alarmed my elderly grandfather who came to this country before 1900 and he shared his profound and prophetic concerns with me in 1962. It seemed that almost overnight social norms were being overturned by this generation composed of mostly college students who had been influenced by left-leaning professors who taught that our traditional values were unjust and had to be radically changed. God was soon declared dead, drug use was celebrated and sex was considered just a form of Free Love with any partner. The effect of all this is magnified now because those who suffered a direct hit and the children they spawned are currently in charge of our government, education, media and entertainment. If you are not over 60 years old you likely have no idea of how or why we are seeing such a downturn of civility, lawlessness and immorality in our culture now. My life's journey combined with a renewed faith in Judeo Christianity prompted me to share my experiences and opinions in this book. As a passionate current events and

cultural news addict I am fascinated with how these issues are addressed in this ancient book we call the Bible I am hoping what I have written will be relatable and interesting enough to provide some food for thought and even some encouragement for those who are facing difficult times We were all created with unique abilities for a purpose and those abilities can be used to replace discouragement with faith and hope for the future About the Author I am a first time author but have always loved to write including letters to the editor and commenting on news sites I have worked in many different jobs in both public and private sectors including several years owning and operating a Childcare Center of fifty three children in partnership with my sister in law I have also dabbled in artwork with several paintings and other items many people liked enough to even pay me for I now live in Olympia Washington where I am blessed with three wonderful grandchildren one in California plus two great grandbabies and one more on the way I share my home with a long haired cat named Ollie who I think would be better suited to living on a farm but he seems attached to me sigh I am also a member of the Board of Directors in a small Messianic Congregation called Lion of Judah where I enjoy learning more about the faith that makes me a happy warrior in this crazy world
