Q 1: Martha's grandfather is depicted as a very strong and righteous person in the story 'The Scholarship Jacket'. Attempt a character sketch of her grandfather.

Martha's grandfather is probably the most important character in the story. In our mind he will be the winner once we finish reading the full story. His words "if you pay for it, it is not a scholarship jacket" made even the principal change his decision. He is somewhat a rich farmer owning a two-hundred acre ranch. He is seen in the story working in his field always. He is a sort of reserved type but a man of strong determination. Though he is uneducated he believes it is injustice to pay for a deserving award. So he strongly stands with his belief even when his granddaughter cries. Finally, his words win and Martha gets the award. When he hears both sad and happy news of Martha, he expresses almost the same reaction. When she tells him about her winning the jacket, he still doesn't express his rejoice through words. He just gives her a smile and a pat on her shoulder. As the proverb 'still waters run deep', some people will not show overtly their deep love and affection. Martha's grandfather is a man of this sort.
