Helping Skills for Social Work Direct Practice

Jacqueline Corcoran, 2011-09-29 Direct practice foundation courses in social work prepare students for every step of the problem solving process yet too often emphasize the what and the why of practice at the expense of the how This practical easy to use and hands on guide bridges this gap by illustrating the helping skills that practitioners can actually use to influence people's lives in positive ways Integrating two major helping models motivational interviewing and solution focused therapy it equips students with the techniques and skills necessary for activating client strengths throughout the problem solving process Helping Skills for Social Work Direct Practice presents a wealth of sample dialogue exercises tips and do's and don'ts all designed to encourage learning by doing This workbook helps make the links between theory and practice with these unique features Chapters logically organized by phases of the problem solving process Case demonstrations involving a variety of roles including case manager crisis intervention counselor medical social worker and school social worker Practice exercises that prompt students to apply and generalize skills to different practice settings and client problems Exhibits and reflection questions facilitate integration between classroom learning and the internship experience An online instructor's manual www.oup.com/us/helpingskills with detailed answers to discussion questions From the first meeting with clients to assessment goal setting evaluation and the ethics that guide the process throughout this is the nuts and bolts guide to helping clients using a strengths based perspective [The Structural Approach to Direct Practice in Social Work](#) Gale

Goldberg Wood, Ruth R. Middleman, 1989 Structural social work assumes that clients are adequate people in untenable situations The social worker must display active appreciation for the client's competence in telling about what does matter rather than what the practitioner thinks should matter *Getting Ready for Direct Practice in Social Work* Peter

Scourfield, 2017-05-08 This very practical book will support students to meet the requirements of the compulsory Readiness for Direct Practice assessment Useful for social work students and lecturers alike it takes each of the 9 domains that students are tested on breaks them down step by step and provides a range of interactive activities that enable them to acquire the knowledge values and skills for practice required at this level It offers students a foundation to the key areas of knowledge for each of the 9 domains while also signposting them to other popular books in the Transforming Social Work Practice series for a more detailed discussion as well *Direct Practice in Social Work: Oxford Bibliographies Online Research Guide*

Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important
