Skylark Song

Paul Donald

Skylark Song:

The Skylark Paul Donald, 2010-06-30 The Skylark is one of Britain's most popular and inspirational birds and in recent years it has also been one of the most newsworthy. The species population has plummeted as a consequence of changes in farming practice and the RSPB has launched a major research and fund raising campaign to save the blithe spirit from further decline. This book looks at all aspects of the life of the Skylark from its biology, migratory patterns, breeding behaviour and habitat requirements to its role in legend and folklore. It also discusses its recent rapid decline which has led to the species being placed on the top priority red list of Birds of Conservation Concern by the leading governmental and non-governmental conservation organisations in the UK. Three closely related species, Oriental and Japanese Skylarks and the enigmatic Raso Lark, are also discussed.

The Skylark's Song Harriet Segal, 1995-03 As the widow of a 1940s songwriter and her children and grandchildren gather in New York for a salute to the composer, they must cope with crumbling marriages, affairs and scandal.

Shelley's Music Paul A. Vatalaro, 2016-01-13 First published in 2009. This book argues that the images of and allusions to music in Shelley's writing demonstrate his attempt to infuse the traditionally masculine word with the traditionally feminine voice and music. This further extends to his even more fundamental desire to integrate the object voice with his own subjectivity. For Shelley, what plagues this integration is the prospect of losing both the poet's authority and the subjectivity upon which it relies. This book asserts that the resultant deadlock and instability paradoxically becomes Shelley's ultimate goal, creating a steady state of suspension that finally preserves both his authority and his humanity.

Springwatch: Birdtopia Jack Baddams, 2024-05-09 Did you know that the word swansong comes from an ancient belief that while swans were silent throughout their lives, they sang a beautiful song on their deathbed? Or that a group of skylarks is called an exultation? Over the years, Springwatch has brought us unforgettable moments featuring our feathered friends from nest cams capturing hatchlings as they emerge from their eggs to red kites soaring majestically in search of prey. Now delve into the ultimate bird lover's companion with expert tips on where to find British bird species and how to identify them alongside avian folklore and favourite stories from the series. Arranged by bird family, Birdtopia includes explanations behind unusual collective nouns for birds, an unkindness of ravens may stem from the nineteenth-century belief that these birds turned their young out of the nest to fend for themselves, descriptions of bird calls, the reasons why birds create beautiful murmuration displays, and the top places to spot them. Written by Springwatch naturalist and TikTok and Instagram's bird guy Jack Baddams and beautifully illustrated with line drawings, Birdtopia is the perfect gift for any bird lover. And the best thing about it all? We're not talking about birds in some far-off land on the other side of the world. These are the ones we can see whenever we step outside our doors. They're right there for everyone. Get out and enjoy them!

Catalogue of English Song Books Forming a Portion of the Library of Sir John Stainer John Stainer, 1891

English poetry for young students Thomas William Lyster, 1904 **Select poetry for young students, ed. by T.W.**

Lyster Thomas William Lyster,1893 **Historical Dictionary of Romanticism in Literature** Paul Varner,2014-11-18 The Historical Dictionary of Romanticism in Literature provides a large overview of the Romantic Movement that seemed at the time to have swept across Europe from Russia to Germany and France to Britain and across the Atlantic to the United States The Romantics saw themselves as inaugurating a new era They frequently referred to themselves or their contemporaries as Romantics and their art as Romantic From the early stirrings in Germany to the last decade of the eighteenth century in England with the political radicals and the Lake Poets to the Transcendental Club in Massachusetts the leaders of the age acknowledged their new Romantic attitudes This volume takes a close and comprehensive look at romanticism in literature through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on the writers and the poems novels short stories and essays plays and other works they produced the leading trends techniques journals and literary circles and the spirit of the times are also covered This book is an excellent access point for students researchers and anyone wanting to know more romanticism in literature Country-side ,1908 Science gossip and Country queries and notes are incorporated with this Special Bulletin ,1895
