Sleazoid Express Bill Landis, Michelle Clifford, 2002-12-03 Sleazoid Express reproduces the experience of watching a movie in the grindhouse setting Each chapter focuses on a unique exploitation genre blood horror celebrity crime etc and paints a close intimate portrait of its directors stars and showcases **From the Arthouse to the Grindhouse** John Cline, Robert G. Weiner, 2010-07-17 While there are numerous books on art and exploitation cinema very few attempt to examine both Covering the first 100 years of cinematic transgressions From the Arthouse to the Grindhouse is a collection of numerous essays representing key contributions to overlooked forgotten or under analyzed parts of film history From cult favorites like Arch Hall Jr to revered but under documented marquee names like Lon Chaney filmmakers both major and minor are covered here Starting with a section that pairs exploitation pioneers like Dwain Esper alongside cutting edge auteurs like Erich Von Stroheim the volume documents the bleeding edge of the high low cultural divide Other essays examine the sexual melodramas of Weimer German cinema explore the concept of Borat as a model for the new standardized cult film and discuss the films of directors Tod Browning Pier Pasolini and Peter Watkins This volume also contains a section devoted to the idea of reality inside and outside the documentary sphere emphasizing audiences desire to believe that this is really happening whether they re horrified or titillated Addressing many aspects of transgression in cinema these essays suggest that the distance between the venues and the audiences may not be quite as wide as viewers might imagine

Grindhouse Nostalgia David Church, 2015-01-13 Too often dismissed as nothing more than trash cinema exploitation films have become both earnestly appreciated cult objects and home video items that are more accessible than ever In this wide ranging new study David Church explores how the history of drive in theatres and urban grind houses has descended to the home video formats that keep these lurid movies fondly alive today Arguing for the importance of cultural memory in contemporary fan practices Church focuses on both the re release of archival exploitation films on DVD and the recent cycle of retrosploitation films like Grindhouse Machete Viva The Devils Rejects and Black Dynamite At a time when older ideas of subcultural belonging have become increasingly subject to nostalgia Grindhouse Nostalgia presents an indispensable study of exploitation cinemas continuing allure and is a bold contribution to our understanding of fandom taste politics film distribution and home video Grindhouse Austin Fisher, Johnny Walker, 2016-09-22 The pervasive image of New York s 42nd Street as a hub of sensational thrills vice and excess is from where grindhouse cinema the focus of this volume stemmed It is arguably an image that has remained unchanged in the mind s eye of many exploitation film fans and academics alike Whether in the pages of fanzines or scholarly works it is often recounted how should one have walked down this street between the 1960s and the 1980s one would have undergone a kaleidoscopic encounter with an array of disparate exploitation films from all over the world that were being offered cheaply to urbanites by a swathe of vibrant movie theatres The contributors to Grindhouse Cultural Exchange on 42nd Street and Beyond consider grindhouse cinema from a variety of

cultural and methodological positions Some seek to deconstruct the etymology of grindhouse itself add flesh to the bones of its cadaverous history or examine the term s contemporary relevance in the context of both media production and consumerism Others offer new inroads into hitherto unexamined examples of exploitation film history presenting snapshots of cultural moments that many of us thought we already knew *The Routledge Dictionary of Modern American Slang and Unconventional English* Tom Dalzell,2018-05-11 The Routledge Dictionary of Modern American Slang offers the ultimate record of modern post WW2 American Slang The 25 000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature newspapers magazines movies television shows musical lyrics and Internet user groups Etymology cultural context country of origin and the date the word was first used are also provided In terms of content the cultural transformations since 1945 are astounding Television computers drugs music unpopular wars youth movements changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language This new edition includes over 500 new headwords collected with citations from the last five years a period of immense change in the English language as well as revised existing entries with new dating and citations No term is excluded on the grounds that it might be considered offensive as a racial ethnic religious sexual or any kind of slur This dictionary contains many entries and citations that will and should offend Rich scholarly and informative The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers lexicographers and translators **Nazisploitation!** Daniel H. Magilow,Elizabeth Bridges,Kristin T. Vander Lugt,2012-01-01 A brilliant line up of international contributors examine the implications of the portrayals of Nazis in low brow culture and that culture s re emergence today *The New York Ripper Serial Killer Richard Cottingham* Peter Vronsky ,2018-01-17 A shocking case of unbridled sex sadism prostitution date rape drugs abduction bondage torture sexploitation perverted fetishes serial killing and dismemberment of the depraved New York notorious Ripper Historian and International Bestselling Author Peter Vronsky describes his brief encounter with serial killer Cottingham in a seedy New York hotel in 1979 that later inspired him to write his bestseller history Serial Killers The Method and Madness of Monsters In Times Square Torso Ripper Vronsky explores the history of the notorious Forty Deuce strip on 42nd Street near Times Square and how it spawned the sadistic monster Richard Cottingham in an era before the term serial killer had been coined in popular culture Renowned serial homicide expert Dr Robert D Keppel said of Richard Cottingham I kept asking myself what it was that ultimately intrigued me about the Cottingham case Partly it was the level of sadistic torture that Cottingham acted out on his victims He didn t kill them and desecrate their bodies he forced them to experience pain and humiliation before he killed them Then he desecrated their bodies Includes 50 photos **From the Streets of Shaolin** S. Weiner, John Cline, 2010-07-17 Cinema Inferno Celluloid Explosions from the Cultural Margins addresses significant areas and eras of transgressive filmmaking including many subgenres and styles that have not yet received much critical attention This collection of essays covers both contemporary films and those produced in the last 50 years to provide a theoretical framework for looking at transgressive cinema and what that means This volume begins with a number of essays that examine the aesthetic of realism tracing it through the late Italian Neo Realism of Pasolini the early films of Melvin Van Peebles and Canadian filmmaker Guy Maddin Another section focuses on 70s Italian horror and thrillers including a

substantially different examination of filmmaker Dario Argento as well as essays on critically underrepresented directors Lucio Fulci and Sergio Martino A section on New York looks at both radical independents like Troma and Andy Milligan as well as the social context from which a view of the metropolis in decay emerged Sections also cover the experimental work of the Vienna Action Group and controversial filmmaker Michael Haneke as well as films and genres too idiosyncratic and disturbing to fit anywhere else including analyses of Nazi propaganda films fundamentalist Christian scare movies and postwar Japanese youth films The final essays try to come to terms with a mainstream flirtation with transgressive film and Grindhouse aesthetics
