Sleeping Tiger:

Awakening the Sleeping Tiger: The True Story of a Professional Chinese Athlete , *The Bent Tree and the Sleeping Tiger* Christopher Dutton, An old hermit monk journeys to the edge of a vast plain of long grass and resides under a great Bent Tree where also rests a sleeping tiger While there he is visited by various characters who seek some solution to their life problems The old man uses tales debate and taoist philosophy to help them weave their way back into a happier tapestry of life These tales mix humour with deep thought which at first confounds but always enlightens in the end Far from the Road the road more or less travelled there is under the Bent Tree surrounded by long grass an Old Man and a sleeping Tiger That is to say that sometimes the man sleeps and sometimes the tiger sleeps There are times too that both sleep but because there is always peace there are never times that both do not sleep Strangely too there is always one tiger for one man or one woman never more never less What does this mean We know the road is life more or less travelled We know the long grass is the vagueness of fates between living and wisdom We see things in the distances of our destiny but how do we get there Do we want to get there The Bent Tree is easy It is Death and it is Wisdom For all knowledge comes with Death the Great Portal and then that is the end of all Knowledge Which is Wisdom also The Death of all Knowledge Under the Bent Tree knowledge sleeps We are left to explain a man and a tiger The tiger sleeps and the man is awake The man is Logic Reason Consciousness The man sleeps and the tiger roams Do not be alarmed however Though the tiger is indeed a man or woman s passions without reason and logic passion is only passion It is Natural It creates It knows nothing of evil Unless the man or woman awakens also Then we have a soul to deal with
