A Collection of Destinies David Beltran, 2016-06-23 Destiny gives to each of us a purpose for being that

nothing we do in our lives is meaningless that we never meet people by chance And Taurana Nhane a young boy from a tribal island culture must face his destiny head on in a most confusing way For as is custom he and his friends must go to the Kingdom of Lydia which colonized Taus island home to be taught about war and fighting As Taurana embarks on his journey to adulthood as he goes off to Lydias cruel and extensive warrior program he will meet people who represent ideas conflicting with his own peoples reverence for fate and destiny For the Lydians believe that man is the maker of his own destiny And when Taurana befriends Draes prince of Lydia Taurana begins to adopt the Lydian attitude of a life free from the domain of destiny that is until he goes to Lydia where he meets a girl who will in fact bind him to that destiny which he was just beginning to doubt Caught now between the political frustrations of a foreign kingdom doubted now by his own native friends who are weary of him uncertain now of the way he should go he must decide what to do to submit to the will of the spirits or to make his own fate But destiny is too binding and its two closest allies time and love are equally as powerful
