Slocum And The Boss's Wife:

Slocum 325 Jake Logan,2006-02-28 Slocum can't refuse a damsel in distress Slocum can get on his boss's good side and make a lofty sum of money by returning his kidnapped wife Julia Hodges There's only one catch Julia doesn't want to be rescued She saved herself from her brutal husband by fleeing in the first place Caught between a rock and a hard place Slocum falls back on his manners Ladies always come first especially those in need Besides he was getting way too comfy being a cowhand when there are men like his boss to be put in their place Slocum and the Boss's Wife Jake Logan,2006

The Road to Hell J. R. Roberts,2006 After rescuing a group of Indian women and children from being sold into slavery Clint Adams must stand his ground against Big Bellied Umberto and his posse who are armed with a wagon full of lead with Clint's name on it Original *Lineage Book of the Charter Members of the Daughters of the American Revolution* Daughters of the American Revolution,1910 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 *Twelve Quiet Men* Michael Edward Little,2011-06-01 In 1884 Montana and Dakota were overrun with hordes of outlaws Granville Stuart asks his ranch foreman to organize a vigilante posse from his ranch hands Harley chose twelve tight lipped cowboys The success of the vigilante raids were noted in the regional press of the day Sixteen period newspapers are quoted and attributed Twelve Quiet Men has several likeable characters One memorable young man is a New York dude We watch as he learns about life and grows to be a man TQM is a thrilling historical western and a heartwarming story of friendship loyalty and sacrifice mildly seasoned with a pinch of love and good natured humor Because the author is a Montana native with cattle ranching experience Twelve Quiet Men rings with authority Twelve Quiet Men is 100% original and heavily researched This novel is quite likely the most authentic western ever written *The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces* ,1902 Bullets Don't Argue William W. Johnstone,J.A. Johnstone,2019-09-24 A new kind of hero in the Old West tradition Perley Gates is as honest and good as his heavenly name But don't make him mad Because when Perley Gates gets mad people get hurt Once every year Perley Gates and his brothers lead the Triple G crew on its annual cattle drive It's a treacherous journey along the Great Western Trail with a herd of two thousand cows on one side and many opportunities for trouble on the other This year trouble shows up in the form of a beautiful young woman her little baby and her bizarre traveling companion a colorful old cuss who goes by the name of Possom Smith They're heading to a settlement called Butcher Bottom and risking their necks to get there Perley being the gentleman he is offers to escort the trio to their destination But there are a few minor details they forgot to tell Perley The woman is a widow whose husband had enemies The old man is hiding a small fortune that might get them killed And Perley is stuck in the middle trying to decide who's good who's bad and who deserves to die first Live Free Read Hard **Mustang Boss 302** Donald Farr,2011-08-29 Of the legendary names in the history of the Ford Mustang one stands apart Boss Originally created to homologate the new Boss 302 engine for SCCA Trans Am racing the Boss 302 Mustang was built in limited numbers for the street Designed by legend

Larry Shinoda the Boss cars were easily distinguished from their less potent stable mates by their unique front and rear spoilers rear window slats and the omission of the standard Mustang's fake rear fender brake ducts Also standard was a shaker hood scoop and bold graphics Though Mustang performance faded to all time lows as the 1970s rolled on there was good news on the way The pairing of the venerable 302 Windsor engine with the new Fox body platform for the 1979 Mustang might not have seemed significant at the time but it was the first edition of what would become a performance institution in the late 20th century the 5 liter Mustang was an overwhelming force on the streets and tracks through the end of its production in 1995 With no small amount of fanfare Ford is paying homage to its performance past with the re introduction of the 5.0 liter powerplant in the Mustang GT for 2011

The Railroad in American Fiction Grant Burns, 2015-01-28 Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad's allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source's merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O'Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title
