

Social Life In Ireland 1800 1845 Irish Life And Culture Ser

Carolyn Conley

Social Life In Ireland 1800 1845 Irish Life And Culture Ser:

Thomas Davis and Ireland Helen F. Mulvey, 2003 His first biography written by his friend and collaborator Duffy was published in 1890 and is an invaluable source for Davis's life and his part in the Irish nationalist struggle Duffy's work was as well a eulogy presenting Davis in so favorable a light that he seems at times unreal To provide a more thorough objective portrait of Davis historian Helen F. Mulvey here presents a scholarly examination of Davis's life and thoughts *Sir William Gregory of Coole* Brian A. Jenkins, 1986 Gregory is usually remembered as being the husband of Lady Gregory Yet he was a figure of sufficient prominence politician racing man and dilettante in his own right Jenkins's work provides a rich sense of the texture of Anglo Irish life among the *Social Life in Ireland, 1800-1845* R.B. MacDowell, 1973 *The Publishers' Trade List Annual*, 1979 Books in Print, 1982 **Books in Print Supplement**, 1984 **Subject Guide to Books in Print**, 2001 Melancholy Accidents Carolyn Conley, 1999-01-01 While most scholarly attention on violence in post famine Ireland has focused on political crimes this book examines non political violence which made up the vast majority of incidents in that period Ireland's overall crime rate was below that of England and Wales but the proportion of violent offenses to non violent ones was significantly higher in Ireland In *Melancholy Accidents* Carolyn Conley decries the commonly held belief that recreational and domestic violence was generally the result of understandable emotions Conley demonstrates that the meaning of violence in post famine Ireland was complex personal and often deeply traditional and idiosyncratic This unique book will be valuable to a wide variety of scholars including those who study women's history European history and social problems *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library. Research Libraries, 1979 **Forthcoming Books** Rose Army, 2003 **Publishers' Circular and Booksellers' Record of British and Foreign Literature**, 1906 Irish Economic and Social History, 1997 *The Publisher*, 1906 **The Publishers' Circular and Booksellers' Record**, 1907 **Books for College Libraries: History** Association of College and Research Libraries, 1975 Stature, Living Standards, and Economic Development John Komlos, 1994-12-12 What can body measurements tell us about living standards in the past In this collection of essays studying height and weight data from eighteenth and early nineteenth century Europe North America and Asia fourteen distinguished scholars explore the relation between physical size economic development and standard of living among various socioeconomic groups Analyzing the differences in physical stature by social group gender age provenance and date and place of birth these essays illuminate urban and rural differences in well being explore the effects of market integration on previously agricultural societies contrast the experiences of several segments of society and explain the proximate causes of downturns and upswings in well being Particularly intriguing is the researchers conclusion that the environment of the New World during this period was far more propitious than that of Europe based on data showing that European aristocrats were in worse health than even the poorest members of American society **Social Life in Ireland, 1800-45** Robert Brendan

McDowell,1973 **Mercantilism Reimagined** Philip J. Stern,Carl Wennerlind,2014 This volume of collected essays takes a new approach to this problematic subject by rethinking its broad foundations From a variety of perspectives its authors situate mercantilism against the backdrop of wider transformations in seventeenth century Britain Europe and the Atlantic from the scientific revolution to the expansion of empire **The Dispossessed State** Sara L. Maurer,2012-03 Do indigenous peoples have an unassailable right to the land they have worked and lived on or are those rights conferred and protected only when a powerful political authority exists In the tradition of John Locke and Thomas Hobbes who vigorously debated the thorny concept of property rights Sara L Maurer here looks at the question as it applied to British ideas about Irish nationalism in the nineteenth century This book connects the Victorian novel s preoccupation with the landed estate to nineteenth century debates about property specifically as it played out in the English occupation of Ireland Victorian writers were interested in the question of whether the Irish had rights to their land that could neither be bestowed nor taken away by England In analyzing how these ideas were represented through a century of British and Irish fiction journalism and political theory Maurer recovers the broad influence of Irish culture on the rest of the British Isles By focusing on the ownership of land The Dispossessed State challenges current scholarly tendencies to talk about Victorian property solely as a commodity Maurer brings together canonical British novelists Maria Edgeworth Anthony Trollope George Moore and George Meredith with the writings of major British political theorists John Stuart Mill Henry Sumner Maine and William Gladstone to illustrate Ireland s central role in the literary imagination of Britain in the nineteenth century The book addresses three key questions in Victorian studies property the state and national identity and will interest scholars of the period as well as those in Irish studies postcolonial theory and gender studies **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1897
