Social Perspectives In Rk Narayans Novel:

R.K. Narayan and His Social Perspective S. R. Ramteke,1998 R K Narayan And His Social Perspective Deals With The Caste Ridden Hindu Society Which Narayan Presents In His Novels His Characters Are Fatalists With Explicit Faith In The Invisible The Book Presents Their Half Hearted Attempts At Self Assertion However Their So Called Sentimentalism Does Not Bear Fruit And They Fall Back To Their Former Position Accepting Defeat In Life The Book Brings Out Vividly Narayan S Attitude To Life His Firm Grip Of Hindu Ethos Of Which He Is The Product And His Failure To Come Out Of It Though The West Wind Has Blown Much Of Its Dust However Detached He Sounds Himself To The Readers His True Spirit Finds Vivid Expression In The Book At Any Rate R K Narayan Is A Thoroughly Indian Novelist Par Excellence And The Aspect Is Hardly To Be Overlooked *Social Perspectives in R.K. Narayan's Novels* Krishna Kant Singh,2017 **THEMATIC CONCERNS IN THE NOVELS OF R. K. NARAYAN** Dr. Nawkhare Nitin Ramchandra,2021-05-06 The book is basically a thematic study of R K Narayans novels and a reference to his short stories has been made only in passing The major themes that emerge from Narayans novels are love and marriage or man woman relationship family relationships under scoring the father son relationship socio cultural and political scene of the country during the last fifty years and the Hindu ethos highlighting renunciations as an ideal of the Hindu way of life For the first time the major themes of Narayans novels have been clearly worked out and the identity of Malgudi has been convincingly established by the author **RK Narayan's India: A Perspective** Dr. Kanika K Arya,2022-12-16 R K Narayan is a writer whose stories have enamoured my soul whether it was the rendition of stories on the audio visual medium or the books that filled my hands and mind with treasures of common and mystical These stories are created in the simple yet magical world of Malgudi which has a wealth of peculiar characters straight out of a town or village in India these common folk and their idiosyncrasies amuse and connect us with them in an incomprehensible way We can analyse ourselves and our imperfections through reading their stories These stories are a mirror to human frailties thus inspiring us to live rather than always trying to become better version of ourselves Ambition glamour development technology competition to grow big and do big is what has never touched Narayan stories his characters live unperturbed in simple villages simply enjoying every morsel and every conversation that comes their way Indian myths and folklore form the bedrock of his stories Simply told yet holding didactic messages through symbolic connect to mythology and Vedic and Puranic texts A Narayan story is a sneak peek into the unpretentious common folk and their life and ambitions wish the writer was presenting another story to us where how social media and digitization affects the amusing world of Malgudi would have been a treat to read This book is an endeavour from my side to write about the contribution of Narayan to Indian English Literature and attempting a commentary upon some of his remarkable works

R.K. Narayan's Fictional World of "Malgudi": An Overview on Postcolonialism Dr. Afsar Nawaboddin Shaikh,2018-05 English language was transplanted in India by the British rulers who ruled country more than 150 years People believed that

English is a language of Britishers and hence it must go with them But to learn English language does not mean that people would evolve a slave mentality In the present scenario English language with its great literary heritage is no longer a language of particular country or a race It has become global lingua franca It is a medium of an international mutual contact among the natives of all over the world It has thrown open a vast panorama of world wide scientific literary cultural and political world of knowledge A Talent for the Particular Raymond-Jean Frontain,Basudeb Chakraborti,2012 **The Indian Novel in English** Dieter Riemenschneider,2005 Range of readings by Indian and international critics over a period of six decades or from the beginnings of a critical discourse in the 1930s until the present time The four chapters of the book offer a critical investigation into the reception of the novel genre as such and of the works of its three founding fathers viz Mulk Raj Anand R K Narayan and Raja Rao The latter chapters are supplemented by a list of the respective author s novels the most comprehensive critical bibliography to date and a list of critics that includes their publications dates Following the development of both the emergence of the modern Indian novel in English since the mid 1930s and its critical evaluation Riemenschneider illustrates the at times controversial reaction to a new literary genre as well as the national and international shifts of the critical literary discourse from the earlier close reading approach of New Criticism to the more recent employment of postmodern and postcolonial theorems The Indian Novel in English thus offers the reader insight into the development of a particular regional critical scene as well as into the general critical concern with what is now referred to as postcolonial literature No serious student of the Indian novel in English should miss this comprehensive informative and balanced critical study **National Conference on Local Color Literature** Dr.S.Prabahar, **Perspectives on Indian Fiction in English** M. K. Naik,1985 This is the fourth and final volume in the pioneering series on Perspectives on Ma or Forms of indian English Literature edited by Professor M K Naik Following the pattern of the earlier three volumes this collection also includes two types of essays those evaluating the entire corpus of major fictionists and schools and those attempting intensive textual analyses of outstanding novels like Untouchables The Guide The Serpent and the Rope and Midnight s children The final essay on The Achievement of Indian Fiction in English is an attempt to survey the entire field and evaluate the total achievement in this genre A number of collections of critical essays on Indian fiction in English have appeared during recent years but perhaps none of them has the range and depth of this volume The contributors include distinguished scholars such as K R Srinivasa Iyengar V A Shahane D V K Raghavacharyulu PremaNandakumar and the editor M K Naik himself The carefully selective Bibliography appended to the volume has further enhanced its value as a comprehensive collection of incisive critical studies covering the entire range of Indian fiction in English and this series which is now complete easily constitutes a significant landmark in the ongoing scrutiny of Indian English literature
