Social Perspectives On Emotion A Research Annual 1992 Social Perspectives On Emotion:

Understanding Emotion at Work Stephen Fineman, 2003-05-27 Getting to the heart of what binds and breaks organizations emotion Stephen Fineman explores beyond the surface of work to the rich emotional life bubbling underneath showing what employees and managers constantly deal with but are often ill equipped to do so

A General Theory of Emotions and Social Life Warren D. TenHouten, 2006-11-22 Founded upon the psychoevolutionary theories of Darwin Plutchik and Izard a general socioevolutionary theory of the emotions affect spectrum theory classifies a wide spectrum of the emotions and analyzes them on the sociological psychological and neurobiological levels This neurocognitive sociology of the emotions supersedes the major theoretical perspectives developed in the sociology of emotions by showing primary emotions to be adaptive reactions to fundamental problems of life which have evolved into elementary social relationships and which can predict occurrences of the entire spectrum of primary complex secondary and tertiary emotions Written by leading social theorist Warren D TenHouten this book presents an encyclopaedic classification of the emotions describing forty six emotions in detail and presenting a general multilevel theory of emotions and social life The scope of coverage of this key work is highly topical and comprehensive and includes the development of emotions in childhood symbolic elaboration of complex emotions emotions management violence and cultural and gender differences While primary emotions have clearly defined valences this theory shows that complex emotions obey no algebraic law and that all emotions have both creative and destructive potentialities

Handbook of the Sociology of Emotions Jan E. Stets, Jonathan H. Turner, 2007-10-10 Since the 1970s the study of emotions moved to the forefront of sociological analysis This book brings the reader up to date on the theory and research that have proliferated in the analysis of human emotions The first section of the book addresses the classification the neurological underpinnings and the effect of gender on emotions The second reviews sociological theories of emotion Section three covers theory and research on specific emotions love envy empathy anger grief etc The final section shows how the study of emotions adds new insight into other subfields of sociology the workplace health and more

Sociology and the Real World Stephen Lyng, David D. Franks, 2002 In this new book Lyng and Franks argue that contemporary sociology has lost its connection to human realities Addressing the conceptual underpinnings of sociological practice they offer ways for sociology to reclaim lost concepts of objectivity reality and truth The authors deconstruct these terms in modern and postmodern contexts yet they look beyond the usual predicaments espoused by these traditions in an effort to rebuild concepts of reality and truth more coherently for contemporary social relations and social problems

Constructivist Theories of Ethnic Politics Kanchan Chandra, 2012-10-25 Taking the possibility of change in ethnic identity into account this book shows and dismantles the theoretical logics linking ethnic diversity to negative outcomes and processes such as democratic destabilisation clientelism riots and state collapse Even more importantly it changes the questions we can ask about the relationship between ethnicity politics and economics

Handbook of the Sociology of

Emotions: Volume II Jan E. Stets, Jonathan H. Turner, 2014-08-18 Handbook of the Sociology of Emotions Volume II presents all new chapters in the ever developing area of the sociology of emotions The volume is divided into two sections Theoretical Perspectives and Social Arenas of Emotions It reviews major sociological theories on emotions which include evolutionary theory identity theory affect control theory social exchange theory ritual theory and cultural theory among others Social arenas where emotions are examined include but are not limited to the economy and the workplace the family mental health crime sports technology social movements and the field of science All the chapters review the major theories and research in the area and each chapter ends with some discussion of directions for future research The Sociology of Emotions is a fast growing and vital field in the broad discipline of Sociology This volume II follows the Handbook of the Sociology of Emotions which was first published in 2006 In 2008 this first handbook received the Outstanding Recent Contribution in the Emotions Section of the American Sociological Association With contributions from leading scholars from different areas in the discipline such as neurosociology culture economics mental health gender social movements discussing state of art theory and research on emotions in sociology this volume will generate wider appeal to the sociological community *Studying Organization* Stewart R Clegg, Cynthia Hardy, 1999-04-29 In response to the needs of lecturers the acclaimed Handbook of Organization Studies has been made available as two major paperback textbooks In this the first of a two volume paperback edition of the landmark Handbook of Organization Studies editors Stewart Clegg and Cynthia Hardy survey the field of organization studies Studying Organization is an ideal textbook around which to build courses on organization theory and research methodology Central to the enterprise has been a concern to reflect and honour the manifest diversity of the field including recognition of the extent to which the very notion of a single field of organization studies is debated Part One locates the study of organization by reviewing some of the most significant theoretical paradigms to have shaped our understanding The second part reflects on the relationships between theory and research in organization studies

Emotional Lives E. Doyle McCarthy, 2017-05-04 Emotional Lives explores the changes in emotional cultures that have taken place during the last half century and continue to affect people's identities today These changes are driven by the culture of consumerism in contemporary post industrial society and by the emergence of new ideas about public and private life in a time when media culture generates new forms of social relationships and deep personal attachments to celebrity figures McCarthy shows that people are drawn to public life not only for entertainment and pleasure but also for its dramas for memorializing events like disasters acts of violence and victimhood McCarthy's cultural sociological approach provides new insights about emotions as social things and reveals how today's mass media is an important force for cultural change including changes in people's relationships identities and emotions **International Handbook of Anger** Michael Potegal, Gerhard Stemmler, Charles Spielberger, 2010-02-04 From the individual rage driven violence of domestic abuse to the destructive causes and lasting consequences of large scale ethnic and political conflict anger and its effects are ubiquitous in
