South Asian studies **Land Reform in Developing Countries** Michael Lipton, 2009-06-24 Redistributing land rights is a tricky subject and one that easily becomes controversial as recent experience has shown This new book calmly examines the strengths and weaknesses of different forms of land redistribution Guru Nanak Journal of Sociology ,1996 Theoretical Study of Ethnogeography Yanbo Guan, 2025-05-29 This book conducts a systematic research on the basic theoretical system of ethnogeography area differentiation and spatial changes of ethnic community national ecological outlook on human land relations geographical distribution of various nationalities in the world and historical geographical background of regional ethnic composition From the perspective of the development of the discipline through comprehensive review of the basic materials development process and research status of ethnogeography the book reveals the basic theoretical issues of the basic concepts subject attributes research objects contents and methods of ethnogeography and initially sets up the basic framework for the study of ethnogeography **Loyola Journal of Social Sciences** ,2001 *New Racial Missions of Policing* Paul Amar, 2013-09-13 This book identifies new formations of race racism and ethnicity at the intersection of neoliberalism security urban governance and the law through a comparative international analysis of police organizations and practices It pushes analytical and theoretical boundaries by examining racialization and ethnicization in locations where the topic is politically taboo such as in China India and France and where racial and ethnic hierarchies have supposedly been banished to the past as in Bosnia and South Africa This book also examines police and security services not as mere artefacts of state authority or the prerogatives of capitalist development but as relatively autonomous and uniquely productive intersections of new kinds of state social and cultural formations that are remaking race embodiment fear and control on their own terms This book was published as a special issue of Ethnic and Racial Studies Attacking Poverty ,2000 At the start of each decade the World Development Report focuses on poverty reduction The World Development Report now in its twenty third edition proposes an empowerment security opportunity framework of action to reduce poverty in the first decades of the twenty first century It views poverty as a multidimensional phenomenon arising out of complex interactions between assets markets and institutions This Report shows how the experience of poverty reduction in the last fifteen years has been remarkably diverse and how this experience has provided useful lessons as well as warnings against simplistic universal policies and interventions It shows how current global trends present extraordinary opportunities for poverty reduction but also cause extraordinary risks including growing inequality marginalization and social explosions The World Development Report 2000 2001 explores the challenge of managing these risks in order to make the most of the opportunities for poverty reduction **Nation, Civil Society and Social Movements** T K Oommen, 2004-03-20 This book is a collection of 12 essays on three interrelated themes of Nation Civil Society and Social Movements organized in three parts each having four chapters Demography: Analysis and Synthesis, Four Volume Set Graziella Caselli, Jacques Vallin, Guillaume Wunsch, 2006-01-03 This four volume collection of over 140 original chapters covers virtually everything of

interest to demographers sociologists and others Over 100 authors present population subjects in ways that provoke thinking and lead to the creation of new perspectives not just facts and equations to be memorized The articles follow a theory methods applications approach and so offer a kind of one stop shop that is well suited for students and professors who need non technical summaries such as political scientists public affairs specialists and others Unlike shorter handbooks Demography Analysis and Synthesis offers a long overdue thorough treatment of the field Choosing the analytical method that fits the data and the situation requires insights that the authors and editors of Demography Analysis and Synthesis have explored and developed This extended examination of demographic tools not only seeks to explain the analytical tools themselves but also the relationships between general population dynamics and their natural economic social political and cultural environments Limiting themselves to human populations only the authors and editors cover subjects that range from the core building blocks of population change fertility mortality and migration to the consequences of demographic changes in the biological and health fields population theories and doctrines observation systems and the teaching of demography The international perspectives brought to these subjects is vital for those who want an unbiased rounded overview of these complex multifaceted subjects Topics to be covered Population Dynamics and the Relationship Between Population Growth and Structure The Determinants of Fertility The Determinants of Mortality The Determinants of Migration Historical and Geographical Determinants of Population The Effects of Population on Health Economics Culture and the Environment Population Policies Data Collection Methods and Teaching about Population Studies All chapters share a common format Each chapter features several cross references to other chapters Tables charts and other non text features are widespread Each chapter contains at least 30 bibliographic citations *ICSSR Journal of Abstracts and Reviews* Indian Council of Social Science Research,1997 *Resources in Education* ,1994 **Ethnic Identities and Prejudices** Paranjpe,2022-05-16

Young People, Social Capital and Ethnic Identity Tracey Reynolds,2013-10-18 Social capital and ethnicity are crucial to young people s understandings of their social world The strong bonding networks often assumed in ethnic groups suggest that individuals may prefer to be bonded to each other according to shared socio cultural factors such as shared histories memories language customs traditions and values However bridging forms of social capital allow new understandings of ethnic identities to emerge and which involve dynamic and complex social processes that are continually changing and evolving according to time location and context This book explores the ways in which the concepts of social capital and ethnicity play a central role in young people s relationships participation in wider social networks and the construction of identities Researchers and scholars working in the fields of children and youth studies education families social and racial and ethnic studies offer differing accounts of the ways in which social capital operates in young people s lives across diverse social settings and ethnic groups This edited book is timely and significant given the public interest of researchers academics politicians and policymakers working in areas of youth and community work race relations and cultural diversity This book

was published as a special issue of Ethnic and Racial Studies Handbook of Adolescent Psychology, Volume 2 Richard M. Lerner, Laurence Steinberg, 2009-04-06 The study of and interest in adolescence in the field of psychology and related fields continues to grow necessitating an expanded revision of this seminal work This multidisciplinary handbook edited by the premier scholars in the field Richard Lerner and Laurence Steinberg and with contributions from the leading researchers reflects the latest empirical work and growth in the field Party System in India Ajay K Mehra, India's party system has been under flux transformation and reconfiguration since the end of the 1980s By the time the sun set on the twentieth century the party system in India had developed a plurality of national and regional levels and following several experiences in fits and starts coalition making among the parties too stabilized at the national level The dawn of twenty first century thus witnessed a federalized party system in place where coalition making and cohabitation amongst the parties stabilized at both national and regional levels As a result since 1999 India has had two completing governments completing their full term at the national level the third UPA II has completed four years and despite hiccups is likely to complete its full term till mid 2013 However the party system in the country has turned competitive and several trajectories of alternation are being attempted by parties and leaders making the emerging political situation fluid The volume attempts to capture the emerging trajectories of the party system in India in the second decade of the twenty first century with seventeen essays written specially for this volume by scholars who met several times to discuss and formulate questions and critique each other's drafts Overall the volume provides an incisive and comprehensive analysis of the far reaching changes that India's political parties and party system are undergoing It looks into the institutional dimensions processes and agenda federal manifestations transitions including generational change and extraneous influences brought in by globalization Indian Diaspora and the impact of new media technology Constituting an important contribution to the on going debate on the Indian party system this volume will attract the attention of students of Indian politics political science democracy party systems and comparative politics **Research in Education** ,1973 Police, Military and Ethnicity Cynthia Enloe, 2024-12-06 This collection of essays describes and analyzes the ways in which government policymakers go about designing police forces and militaries The author includes both wide ranging comparative investigations of the dimensions of the state security phenomenon and specific case studies Dr Enloe uses the sociological concept of ethnicity to demonstrate how the armed forces in several nations have capitalized on racial and ethnic diversity to foster their own goals and those of the government and power elites She examines this idea by focusing on the ethnic factors involved in the evolution of the South African military the military ethnic connection in Malaysia and the role of the armed forces in the conflict in Ulster The author illustrates convincingly that not only individual citizens desire security but that nation states themselves are engaged in the same pursuit What often passes for or is justified in the name of citizen protection is in fact done to strengthen the state itself Militaries are recruited in ethnically skewed ways and increasing numbers of police forces throughout the

world have military capacities not to enhance the security of private individuals but to protect the status quo of the central government and the nation's establishment Dr Enloe covers an assortment of countries within the framework of her central argument which is practically as well as theoretically significant Each chapter can be read on its own and all deal with currently salient political conditions
