Social Justice Feminists In The United States And Germany

Johanna Gehmacher

Social Justice Feminists In The United States And Germany:

Social Justice Feminists in the United States and Germany Kathryn Kish Sklar, Anja Schöler, Susan Strasser, 1998 Women reformers in the United States and Germany maintained a brisk dialogue between 1885 and 1933 Drawing on one another's expertise they sought to alleviate a wide array of social injustices generated by industrial capitalism such as child labor and the exploitation of women in the workplace This book presents and interprets documents from that exchange most previously unknown to historians which show how these interactions reflected the political cultures of the two nations On both sides of the Atlantic women reformers pursued social justice strategies The documents discussed here reveal the influence of German factory legislation on debates in the United States point out the differing contexts of the suffrage movement compare pacifist and antipacifist reactions of women to World War I and trace shifts in the feminist movements of both countries after the war Social Justice Feminists in the United States and Germany provides insight into the efforts of American and German women over half a century of profound social change Through their dialogue these women explicate their larger political cultures and the place they occupied in them

Social Justice Feminists in the United States and Germany Kathryn Kish Sklar, Anja Schöler, Susan Strasser, 2018-10-18 Women reformers in the United States and Germany maintained a brisk dialogue between 1885 and 1933 Drawing on one another's expertise they sought to alleviate a wide array of social injustices generated by industrial capitalism such as child labor and the exploitation of women in the workplace This book presents and interprets documents from that exchange most previously unknown to historians which show how these interactions reflected the political cultures of the two nations On both sides of the Atlantic women reformers pursued social justice strategies The documents discussed here reveal the influence of German factory legislation on debates in the United States point out the differing contexts of the suffrage movement compare pacifist and antipacifist reactions of women to World War I and trace shifts in the feminist movements of both countries after the war Social Justice Feminists in the United States and Germany provides insight into the efforts of American and German women over half a century of profound social change Through their dialogue these women explicate their larger political cultures and the place they occupied in them

Social Justice in Twentieth-Century Europe Martin Conway, Camilo Erlichman, 2024-02-28 Social justice has returned to the heart of political debate in present day Europe But what does it mean in different national histories and political regimes and how has this changed over time This book provides the first historical account of the evolution of notions of social justice across Europe since the late nineteenth century Written by an international team of leading historians the book analyses the often divergent ways in which political movements state institutions intellectual groups and social organisations have understood and sought to achieve social justice Conceived as an emphatically European analysis covering both the eastern and western halves of the continent Social Justice in Twentieth Century Europe demonstrates that no political movement ever held exclusive ownership of the meaning of social justice Conversely its definition has always been strongly contested

between those who would define it in terms of equality of conditions or of opportunity the security provided by state authority or the freedom of personal initiative the individual rights of a liberal order or the social solidarities of class nation confession or Volk

Feminist Pragmatism and Social Rights Judy D. Whipps, 2024-12-16 In an exploration of the little told legacy of early feminist pragmatists who pioneered social rights in America *Feminist Pragmatism and Social Rights* delves into the transformative efforts of trailblazing figures including Jane Addams Julia Lathrop Florence Kelley Grace Abbott Mary Church Terrell Mary McLeod Bethune Emily Greene Balch Molly Dewson and Frances Perkins As Judy D Whipps reveals these women created and led organizations that were prototypes for later federal programs Their relentless advocacy reshaped U S politics and culture from grassroots organizations to federal legislation paving the way for constitutional recognition of social rights decades before the United Nations International Covenant on Economic Social and Cultural Rights This book is the first to cast the philosophy behind these women's political and judicial activism as feminist pragmatism Each chapter illuminates their struggles and triumphs from combating child labor to advancing women's rights and after their research gathered popular support for reform they continued that work by writing drafts of legislation and legal briefs This book not only chronicles a pivotal fifty year movement but also serves as a poignant reminder of their enduring impact

Feminist Coalitions Stephanie Gilmore, 2008 A fresh new look at the productive partnerships forged among second wave feminists

The United States and Germany During the Twentieth Century Christof Mauch, Kiran Klaus Patel, 2010-08-30 The United States and Germany during the Twentieth Century presents a wide ranging comparison of American and German societies during the late 19th and 20th centuries The two countries the world's leading rising powers of the time were both more similar and more different than is widely understood Above all their dual encounter with modernity brings out the richness of both societies as they faced unprecedented internal and external challenges sometimes in isolation but more often in combination or in parallel with one another

After Misogyny Julie C. Suk, 2024-04-30 Decades after liberal constitutional democracies ended the laws of patriarchy and committed to gender equality misogyny still pervades women's lives Often expressed as hatred and discrimination against women misogyny is the legal aftermath of patriarchy which goes beyond attacking and belittling women After Misogyny reframes misogyny as society's overentitlement to women's forbearance and sacrifices which continues to be expressed in the law even after patriarchy has been repudiated Women's contributions both inside and outside the home are radically undercompensated and highly beneficial to society especially the reproductive work of childbearing and childrearing From antidiscrimination law to abortion bans the law fails women by keeping the dynamics of social overentitlement and male overempowerment invisible In recent years many constitutional democracies have used new processes of constitution making and constitutional change to reset entitlements and power After Misogyny shows how movements to reset these baseline entitlements are necessary for constitutional democracies to overcome misogyny

The Political Thought of America's Founding Feminists Lisa Pace

Vetter,2017-07-11 Introduction political theory and the founding of American feminism Lifting the Claud Lorraine tint over the Republic Frances Wright s critique Of society and manners in America Harriet Martineau on the theory and practice of democracy in America Facing the sledge hammer of truth Angelina Grimke and the rhetoric of reform Sarah Grimke s Quaker liberalism The most belligerent non resistant Lucretia Mott on women s rights Elizabeth Cady Stanton s rhetoric of ridicule and reform The shadow and the substance of Sojourner Truth Conclusion Two Cultures of Rights Manfred Berg,Martin H.

Geyer,2002-03-11 This collection addresses key issues in the historical struggle for civil rights political rights and social rights in the United States and Germany from the late nineteenth century to the present Using a cross national comparative approach this book presents national case studies that explore the similarities and differences of conceptualizing rights on both sides of the Atlantic This book analyses the struggle for these rights by individuals and groups and how this struggle became an essential feature not only in political discourse but also in social and political practice and culture in both Germany and the United States More specifically the book examines the different ways rights have been denied due to race ethnicity gender and sexual orientation Considerable attention is given to the impact of Nazism and the struggle for social rights during and after World War II **Feminists Who Changed America, 1963-1975** Barbara J. Love,2006-09-22

Documents the key feminists who ignited the second wave women s movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws We the Women Julie C. Suk,2020-08-11 Ruth Bader Ginsburg believed that the equal rights of women belonged in the Constitution She stood on the shoulders of brilliant women who persisted across generations to change the Constitution We the Women tells their stories showing what s at stake in the current battle for the Equal Rights Amendment The year 2020 marks the centennial the Nineteenth Amendment guaranteeing women s constitutional right to vote But have we come far enough After passage of the Nineteenth Amendment revolutionary women demanded full equality beyond suffrage by proposing the Equal Rights Amendment ERA Congress took almost fifty years to adopt it in 1972 and the states took almost as long to ratify it In January 2020 Virginia became the final state needed to ratify the amendment Why did the ERA take so long Is it too late to add it to the Constitution And what could it do for women A leading legal scholar tells the story of the ERA through the voices of the bold women lawmakers who created it They faced opposition and subterfuge at every turn but they kept the ERA alive And despite significant victories by women lawyers like Ruth Bader Ginsburg the achievements of gender equality have fallen short especially for working mothers and women of color Julie Suk excavates the ERA s past to guide its future explaining how the ERA can address hot button issues such as pregnancy discrimination sexual harassment and unequal pay The rise of movements like the Women s March and MeToo have ignited women across the country Unstoppable women are winning elections challenging male abuses of power and changing the law to support working families Can they add the ERA to the Constitution and improve American democracy We

the Women shows how the founding mothers of the ERA and the forgotten mothers of all our children have transformed our living Constitution for the better

Feminist Interpretations of Jane Addams Maurice Hamington, 2010 A collection of articles that address Jane Addams 1860 1935 in terms of her contribution to feminist philosophy and theory through her work on culture art sex society religion and politics Provided by publisher

American Labor and Economic Citizenship Mark Hendrickson, 2013-05-27 Once viewed as a distinct era characterized by intense bigotry nostalgia for simpler times and a revulsion against active government the 1920s have been rediscovered by historians in recent decades as a time when Herbert Hoover and his allies worked to significantly reform economic policy Mark Hendrickson both augments and amends this view by studying the origins and development of New Era policy expertise and knowledge Policy oriented social scientists in government trade union academic and nonprofit agencies showed how methods for achieving stable economic growth through increased productivity could both defang the dreaded business cycle and defuse the pattern of hostile class relations that Gilded Age depressions had helped to set as an American system of industrial relations

Japanese Women and the Transnational Feminist Movement Before World War II Taeko Shibahara, 2014-04-04 This book traces the development of feminist consciousness in Japan from 1871 to 1941 Taeko Shibahara uncovers some fascinating histories as she examines how middle class women navigated between domestic and international influences to form ideologies and strategies for reform They negotiated a humanitarian space as Japan expanded its nationalist militarist imperialist and patriarchal power Focusing on these women s political awakening and activism Shibahara shows how Japanese feminists channeled and adapted ideas selected from international movements and from interactions with mainly American social activists Japanese Women and the Transnational Feminist Movement before World War II also connects the development of international contacts with the particular contributions of Ichikawa Fusae to the suffrage movement Ishimoto Shidzue to the birth control movement and Gauntlett Tsune to the peace movement by touching on issues of poverty prostitution and temperance The result provides a window through which to view the Japanese women s rights movement with a broader perspective

The German-American Encounter Frank Trommler, Elliott Shore, 2001 While Germans the largest immigration group in the United States contributed to the shaping of American society and left their mark on many areas from religion and education to food farming political and intellectual life Americans have been instrumental in shaping German democracy after World War II Both sides can claim to be part of each other s history and yet the question arises whether this claim indicates more than a historical interlude in the forming of the Atlantic civilization In this volume some of the leading historians social scientists and literary scholars from both sides of the Atlantic have come together to investigate for the first time in a broad interdisciplinary collaboration the nexus of these interactions in view of current and future challenges to German American relations

Reading Feminist Theory Susan Archer Mann, Ashly Suzanne Patterson, 2016 Reading Feminist Theory From Modernity to Postmodernity interweaves classical and contemporary writings from the social sciences

and the humanities to represent feminist thought from the late eighteenth century to the present Editors Susan Archer Mann and Ashly Suzanne Patterson pay close attention to the multiplicity and diversity of feminist voices visions and vantage points by race class gender sexuality and global location Along with more conventional forms of theorizing this anthology points to multiple sites of theory production both inside and outside of the academy and includes personal narratives poems short stories zines and even music lyrics Offering a truly global perspective the book devotes three chapters and more than thirty readings to the topics of colonialism imperialism and globalization It also provides extensive coverage of third wave feminism poststructuralism queer theory postcolonial theory and transnational feminisms *Encyclopedia of Women Social Reformers* Helen Rappaport, 2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women's struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book *Silent Spring* The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world *Class and Other Identities* Lex Heerma van Voss, Marcel van der Linden, 2002-06-01 With the onset of a more conservative political climate in the 1980s social and especially labour history saw a decline in the popularity that they had enjoyed throughout the 1960s and 1970s This led to much debate on its future and function within the historical discipline as a whole Some critics declared it dead altogether Others have proposed a change of direction and a more or less exclusive focus on images and texts The most constructive proposals have suggested that labour history in the past concentrated too much on class and that other identities of working people should be taken into account to a larger extent than they had been previously such as gender religion and ethnicity Although class as a social category is still as valid as it has been before the questions now to be asked are to what extent non class identities shape working people's lives and mentalities and how these are linked with the class system In this volume some of the leading European historians of labour and the working classes address these questions Two non European scholars comment on their findings from an Indian resp American point of view The volume is rounded off by a most useful bibliography of recent studies in European labour history class gender religion and ethnicity *The Ashgate Research Companion to Imperial Germany* Matthew Jefferies, 2016-03-03 Germany's imperial era 1871-1918 continues to attract both scholars and the general public alike The American historian Roger Chickering has referred to the

historiography on the Kaiserreich as an extraordinary body of historical scholarship whose quality and diversity stands comparison with that of any other episode in European history This Companion is a significant addition to this body of scholarship with the emphasis very much on the present and future Questions of continuity remain a vital and necessary line of historical enquiry and while it may have been short lived the Kaiserreich remains central to modern German and European history The volume allows 25 experts from across the globe to write at length about the state of research in their own specialist fields offering original insights as well as historiographical reflections and rounded off with extensive suggestions for further reading The chapters are grouped into five thematic sections chosen to reflect the full range of research being undertaken on imperial German history today and together offer a comprehensive and authoritative reference resource Overall this collection will provide scholars and students with a lively take on this fascinating period of German history from the nation s unification in 1871 right up until the end of World War I

Feminist Activism, Travel and Translation

Around 1900 Johanna Gehmacher, 2023-12-26 This open access book takes the biographical case of German feminist K the Schirmacher 1865 1930 a multilingual translator widely travelled writer of fiction and non fiction and a disputationist activist to examine the travel and translation of ideas between the women s movements that emerged in many countries in the late 19th and early 20th century It discusses practices such as translating interpreting and excerpting from journals and books that spawned and supported transnational civic spaces and develops a theoretical framework to analyse these practices It examines translations of literary scholarly and political texts and their contexts The book will be of interest to academics as well as undergraduate and postgraduate students in the fields of modern history women s and gender history cultural studies transnational and transfer history translation studies history and theory of biography

Social Justice Feminists In The United States And Germany Introduction

In today's digital age, the availability of Social Justice Feminists In The United States And Germany books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social Justice Feminists In The United States And Germany books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social Justice Feminists In The United States And Germany books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social Justice Feminists In The United States And Germany versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social Justice Feminists In The United States And Germany books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social Justice Feminists In The United States And Germany books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a

nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Social Justice Feminists In The United States And Germany books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social Justice Feminists In The United States And Germany books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social Justice Feminists In The United States And Germany books and manuals for download and embark on your journey of knowledge?

FAQs About Social Justice Feminists In The United States And Germany Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Justice Feminists In The

United States And Germany is one of the best book in our library for free trial. We provide copy of Social Justice Feminists In The United States And Germany in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Justice Feminists In The United States And Germany. Where to download Social Justice Feminists In The United States And Germany online for free? Are you looking for Social Justice Feminists In The United States And Germany PDF? This is definitely going to save you time and cash in something you should think about.
