Social Philosophy Of Josiah Royce:

The Philosophy of Josiah Royce Josiah Royce, 1882-01-01 There is nothing available that I know of that comes as close to representing the range of Royce's works John H Lavelle *The Social Philosophy of Josiah Royce* Edward K. Cummings, Iona College. Department of Philosophy, 1968 **The Social Philosophy of Josiah Royce** Josiah Royce, 1950 *The Social Dimensions of the Philosophy of Josiah Royce* Ralph Di Pasquale (o.f.m.), 1961 *The Philosophy of Loyalty* Josiah Royce, 1908 **The Social Dimensions of the Philosophy of Josiah Royce** Ralph J. De Pasquale, 1961 The Religious Philosophy of Josiah Royce Josiah Royce, 1976 **The social dimension of the philosophy of Josiah Royce** Ralph Di Pasquale, 1961 The Basic Writings of Josiah Royce: Culture, philosophy, and religion Josiah Royce, Ignas K. Skrupskelis, 2005 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce's thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural moral and religious issues *Josiah Royce* Christoph Seibert, Christian Polke, 2021 Josiah Royce was undoubtedly one of the most interesting thinkers of classical American philosophy in the transition from the 19th to the 20th century His works cover a wide range of subjects from psychology and issues of social philosophy to metaphysics Surrounded by philosophers such as William James or Charles Sanders Peirce Royce developed a concept of pragmatism which he himself called absolute pragmatism and which was centred around a theory of community The essays in this edited volume deal with this pragmatistic approach in his work and discuss it from various points of view Among other things they explore Royce's relationship to German idealism the foundation of his ethics as well as his philosophical doctrine of God and his philosophy of religion This results in rather divergent assessments of his philosophy each of which is evidence of the enduring relevance of his thinking for the world of today The Social Philosophy of English Idealism A. J. M. Milne, 2021-04-13 At the turn of the century Idealism was perhaps the leading school of philosophy in the English speaking world By the 1960s the situation was very different There had occurred during the previous two generations what has been described as a revolution in philosophy one consequence of which had been the almost total eclipse of Idealism Originally published in 1962 this book is a critical study of certain aspects of the work of four Idealist philosophers F H Bradley T H Green Bernard Bosanquet and Josiah Royce It deals mainly with their social philosophy but some consideration is also given to their metaphysics It is the thesis of this book that there is a valid and significant form of Idealism to be found in the work of these philosophers but that they did not succeed in developing it fully and consistently **Josiah Royce's 1909 Pittsburgh Loyalty Lectures** Mathew A. Foust, 2021-10-26 American philosopher Josiah Royce 1856-1916 delivered three lectures on the topic of loyalty at the Twentieth Century Club in Pittsburgh in February 1909

These lectures *The Conflict of Loyalties* *The Art of Loyalty* and *Loyalty and Individuality* are indispensable for a complete and coherent picture of the development of Royce's philosophy of loyalty. This publication marks the first appearance of these lectures in a book making them widely accessible to readers. Included in this volume is an Editor's Introduction by Mathew A. Foust, a preeminent scholar of Royce's philosophy of loyalty. Foust details the mysteries long surrounding these lectures and the clues that led to their solutions. Foust then demonstrates how the 1909 Pittsburgh Loyalty Lectures constitute a missing link between *The Philosophy of Loyalty* (1908) and subsequent works by Royce such as *Loyalty and Insight* in William James and *Other Essays on the Philosophy of Life* (1911), *The Sources of Religious Insight* (1912), *The Problem of Christianity* (1913), *War and Insurance* (1914), and *The Hope of the Great Community* (1916). Students and scholars of American Studies, the history of philosophy, ethics, and moral philosophy, and social philosophy will find much of enduring relevance in Josiah Royce's 1909 Pittsburgh Loyalty Lectures.

The Social Dimensions of the Philosophy of Josiah Royce Ralph Di Pasquale (OFM.), 1961 *The Works of Josiah Royce*, 1998. The Past Masters Works of Josiah Royce I database contains all of the longer works by Josiah Royce.

Conversations on Irving Street: Josiah Royce's Contribution to Symbolic Interactionism Darrick Lee Brake, 2019-07-15. What influence did Josiah Royce's academic work (1913-1917) have on the development of classical Symbolic Interactionist thought? And which philosophical influences shaped Royce's social and philosophical thought? This book provides a holistic approach to Royce's academic work and the social philosophy that shaped Symbolic Interactionist theory. By critically evaluating the works of Royce, this book reveals how his ideas and social philosophy made significant contributions to both Symbolic Interactionist thought and sociological theory. Situating his contributions within a socio-historical time frame, Royce's social philosophy is compared and contrasted to the major concepts of George Herbert Mead (*Mind, Self, and Society*) and Herbert Blumer's core synthesized components of classical symbolic interactionist thought. Symbolic Interactionism: Perspective and Method. Thus demonstrating that Royce's later academic works closely resemble not only the basic ideas of Mead but also have a strong correspondence with Blumer's synthesis of the three basic premises and eight root images that outline the theoretical core of Symbolic Interactionist thought. For those looking to investigate or discover new aspects of symbolic interactionist theory from a classical viewpoint, this book offers a unique insight into an American philosopher whose contribution to the development of Symbolic Interactionism has been largely unnoticed.

Time, Will, and Purpose Randall Auxier, 2013-12-10. Josiah Royce (1855-1916) has had a major influence on American intellectual life, both popular movements and cutting edge thought, but his name often went unmentioned while his ideas marched forward. The leading American proponent of absolute idealism, Royce has come back into fashion in recent years. With several important new books appearing, the formation of a Josiah Royce Society, and the reorganization of the Royce papers at Harvard, the time is ripe for *Time, Will, and Purpose*. Randall Auxier delves into the primary texts written by Royce to retrieve the most poignant ideas—the ideas we need most in the present day—while he also offers a new framework

for understanding the development of Royce's philosophy Auxier responds to everything that has been written about Royce both early and recent **Josiah Royce's Late Writings** Josiah Royce, 2001-11-15 No Marketing Blurb *The Basic Writings of Josiah Royce* Josiah Royce, Ignas K. Skrupskelis, 1969 Now back in print and in paperback these two classic volumes illustrate the scope and quality of Royce's thought providing the most comprehensive selection of his writings currently available They offer a detailed presentation of the viable relationship Royce forged between the local experience of community and the demands of a philosophical and scientific vision of the human situation The selections reprinted here are basic to any understanding of Royce's thought and its pressing relevance to contemporary cultural moral and religious issues

The Routledge Handbook of Idealism and Immaterialism Joshua Farris, Benedikt Paul Göcke, 2021-09-12 The influence of materialist ontology largely dominates philosophical and scientific discussions However there is a resurgent interest in alternative ontologies from panpsychism the view that at the base of reality exists potential minds minds or mind lets to idealism and dualism the view that all of reality is material and mental The Routledge Handbook of Idealism and Immaterialism is an outstanding reference source and the first major collection of its kind Historically grounded and constructively motivated it covers the key topics in philosophy science and theology providing students and scholars with a comprehensive introduction to idealism and immaterialism Also addressed are post materialism developments with explicit attention to variations of idealism and immaterialism the view that reality depends on a mind or a set of minds Comprising 44 chapters written by an international and interdisciplinary team of contributors the Handbook is organised into five clear parts Idealism and the history of philosophy Important figures in idealism Systematic assessment of idealism Idealism and science Idealism physicalism panpsychism and substance dualism Essential reading for students and researchers in metaphysics philosophy of science philosophy of religion and philosophy of mind The Routledge Handbook of Idealism and Immaterialism will also be of interest to those in related disciplines where idealist and immaterialist ontology impinge on history science and theology Yes, But Not Quite Dwayne A. Tunstall, 2009-08-25 This book contends that Josiah Royce bequeathed to philosophy a novel idealism based on an ethico religious insight This insight became the basis for an idealistic personalism wherein the Real is the personal and a metaphysics of community is the most appropriate approach to metaphysics for personal beings especially in an often impersonal and technological intellectual climate The first part of the book traces how Royce constructed his idealistic personalism in response to criticisms made by George Holmes Howison That personalism is interpreted as an ethical and panentheistic one somewhat akin to Charles Hartshorne's process philosophy The second part investigates Royce's idealistic metaphysics in general and his ethico religious insight in particular In the course of these investigations the author examines how Royce's ethico religious insight could be strengthened by incorporating the philosophical theology of Dr Reverend Martin Luther King Jr and Emmanuel Levinas's ethical metaphysics The author concludes by briefly exploring the possibility that Royce's progressive racial anti essentialism is in fact a form of

cultural antiblack racism and asks whether his cultural antiblack racism taints his ethico religious insight
