Getting at the Core of the Common Core with Social Studies Thomas N. Turner, Jeremiah Clabough, William Cole, 2014-11-01 For social studies teachers reeling from the buffeting of top down educational reforms this volume offers answers to questions about dealing with the Common Core State Standards CCSS Each chapter presents and reviews pertinent standards that relate to the social studies Each chapter also deals with significant topics in the social studies from various social sciences to processes such as inquiry to key skills needed for success in social studies such as analysis and literacy The most important aspect of these chapters though is the array of adaptable activities that is included in each chapter Teachers can find practical approaches to dealing with CCSS across the social studies panorama The multiple authorships of the various chapters mean a variety of perspectives and viewpoints are presented All of the authors have fought in the trenches of K 12 public education Their activities reflect this in a way that will be useful to novice or veteran teachers

The Social Studies Wars Ronald W. Evans, 2004-01-01 Ronald Evans describes and interprets the continuing battles over the purposes content methods and theoretical foundations of the social studies curriculum This fascinating volume addresses the failure of social studies to reach its potential for dynamic teaching because of a lack of consensus in the field links the ever changing rhetoric and policy decisions to their influence on classroom practice and helps

curriculum design development and implementation with an emphasis on diversity of purposes and forms of knowledge within social studies as a school subject **Studies in Social Sciences**, 1927 *Constructivism and the New Social Studies* Geoffrey Scheurman, Ronald W. Evans, 2018-07-01 The New Social Studies refers to a flurry of academic and commercial activity during the 1960s and 1970s that resulted in the mass development and dissemination of revolutionary classroom materials and teacher resources In science as well as social studies a spirit of inquiry based teaching filled the air during this time resulting in the development of curricula that were both pedagogically innovative and intellectually rigorous Constructivism and the New Social Studies contains a collection of classic lessons from some of the most successful projects of the era providing a resource of exceptional ideas and materials that have stood the test of time These revealing artifacts are presented with commentaries from some of the original directors of major projects including Edwin Fenton Barry Beyer and Suzanne Helburn In addition to American and World History groundbreaking lessons are represented in Economics Government Sociology and Geography including the Public Issues Series Fred Newann The Amherst History Project Richard Brown and Geoffrey Scheurman and Teaching American History The Quest for Relevancy Allan Kownslar Gerald Ponder and Geneva Gay and Man A Course of Study Peter Dow With a Foreword by Jerome Bruner the volume not only provides a resource of exceptional curriculum ideas and actual materials it also builds a lucid bridge between the theoretical ideas of constructivism and the pedagogical principles of inquiry learning With over 50 years of expertise from curriculum history and social studies pedagogy the editors make the case that guided inquiry as presented in these projects was constructivist by design offering a range of instructional methods that begin with questions rather than answers and considers progress in terms of the development of analytical skills and experimental habits of mind rather than the mere acquisition of knowledge Projects developed during the New Social Studies serve as both an interesting historical archive of powerful curricular innovations as well as a treasure trove of actual lessons and materials still useful in social studies classrooms striving to become more constructivist The lessons and other materials we chose should be relevant if you are an historian researcher theorist or teacher of any subject but it will be especially significant if you are interested in the nature of social civic or historical literacy in America including how to teach for authentic achievement in those areas
