

Social Work Practice With Families And Children

Mark Steyvers

Social Work Practice With Families And Children:

Social Work Practice with Families and Children Anthony Maluccio, Barbara Pine, Elizabeth M. Tracy, 2002-09-11

This book emphasizes family centered social network and school based interventions in the preparation of social workers for direct and indirect practice with clients from vulnerable populations especially the poor people of color and recent immigrant groups With an eye to recent changes in social work practice and service delivery including the impact of welfare reform and managed care on vulnerable families and children Social Work Practice with Families and Children helps social work students and practitioners understand the increasingly complex needs of their clients Three valuable appendixes include information about tools and instruments to support practice child welfare resource centers and electronic resources pertaining to the field

Social Work Practice with Individuals and Families Michael J. Holosko, Catherine N. Dulmus, Karen M. Sowers, 2012-12-27 A lifespan approach presenting evidence informed interventions for working with individuals and families Social Work Practice with Individuals and Families covers assessment of and intervention with children adolescents adults the elderly and families It offers an array of pedagogical features within each chapter as well as online resources and review questions at the conclusion of each chapter to help guide critical thinking about topics Reflecting the current state of evidence informed social work practice each chapter's contributors emphasize the incorporation of wider forms of systematically collected data such as case studies best or promising practices and consumer focused data Reading this book will not only give readers the tools to work effectively with individuals and families but also develop their skills in evidence informed practice Comprehensive and insightful Social Work Practice with Individuals and Families is a student and practitioner friendly text identifying the best assessment tools and strategies available for social workers to successfully serve individuals and families facing a broad range of challenges

Evidence-Based Social Work Practice With Families Jacqueline Corcoran, PhD, 2000-02-07 Empirically informed practice is increasingly important as managed health care environments demand accountability in mental health and health care services In this comprehensive text Dr Corcoran makes implementing evidence based clinical practice easy She reviews the most common problem areas social workers encounter Each chapter assesses the family treatment outcome literature addresses different theoretical orientations summarizes the most current clinical research studies and provides information on standardized self report instruments and their validity Topics include child physical abuse and neglect ADHD sexual abuse eating disorders schizophrenia caregiving of the elderly and more

Multicultural Perspectives In Social Work Practice with Families, 3rd Edition Manny J. González, 2012-10 Print CourseSmart

Child and Family Assessment in Social Work Practice Sally Holland, 2004-03-06 This is an essential guide for both social work students and practitioners involved in the assessment of children and their families It is a guide for practice that is strongly rooted in research evidence

Social Work Reclaimed Steve Goodman, Isabelle Trowler, Eileen Munro, 2011-11-15 Reclaim Social Work RSW is the innovative model of children's

social work pioneered by the London Borough of Hackney This book sets out what RSW is how it was set up and the theory and evidence base underlying it Chapters written by RSW social workers outline the methodological approaches used and demonstrate how it works in practice **Social Work with Families** Robert T. Constable, Daniel B. Lee, 2004 **Social Work in Schools** Linda Openshaw, 2012-05-18 This accessible and authoritative text gives social workers the tools they need for effective and ethical practice in school settings Readers learn practical skills for observation assessment intervention and research that will enable them to respond to the needs of diverse students from preschool through the secondary grades The book presents strategies for dealing with particular problems such as violence trauma parental absence substance abuse bereavement and mental health concerns Also reviewed are developmental issues that can interfere with school success Specific guidelines for implementing interventions including group work are provided Student friendly features include many concrete examples study and discussion questions and reproducible letters forms and checklists **Generalist Social Work Practice with Families** Stephen J. Yanca, Louise C. Johnson, 2008 This text provides a comprehensive approach to generalist practice with diverse families using an integrated ecosystems and strengths based approach It includes schemas for developing family and subsystem social histories and case examples for working with diverse families *Effective Social Work with Children and Families* Peter Unwin, Rachel Hogg, 2012-02-21 Social work with children and families is constantly in the headlines and social workers decisions are subject to ever increasing scrutiny at all levels This aspirational book supports students and newly qualified social workers and suggests practical ways in which they might thrive rather than just survive in practice Written at a time when Social Work Reform Board and the Munro Enquiry are charged with looking at issues of effectiveness within children and families social work the book tackles the different challenges that students and practitioners can be faced with outlining common pitfalls and how to avoid these Key topics covered include Legislation and policy Child development Safeguarding and child protection Assessment Communication Looking after yourself Reflective questions are used throughout the book ensuring that students critically evaluate their own practice Case examples and case studies drawn from the authors recent practice are included throughout the book to illuminate the realities of contemporary social work with children and families This text will be essential reading for undergraduate and postgraduate students particularly as they prepare to go on placement It will also provide valuable reading for qualified social workers who are interested in fresh and effective approaches to practice *Social Work Practice with Children, Third Edition* Nancy Boyd Webb, 2011-11-15 This book has been replaced by *Social Work Practice with Children Fourth Edition* ISBN 978 1 4625 3755 6 *Social Work Practice with Fathers* Jennifer L. Bellamy, Brianna P. Lemmons, Qiana R. Cryer-Coupet, Jennifer A. Shadik, 2022-10-31 Social workers need to work with fathers across many service systems but lack guidance on how to do so and most engagement assessment and intervention work for family serving systems is mother and child focused Father inclusive readings and resources are also limited Drawing on the expertise of well regarded research and practice experts in

the field this comprehensive book provides guidance to social work practitioners and researchers on how to engage assess and serve fathers Instructors can use the text to include fathers in courses on the human behavior and social environment family systems clinical practice diversity or service systems Social service systems unfortunately have often struggled to positively engage men as parents Recent demographic trends indicate that fathers are providing more direct care to children and single father households are one of the most rapidly growing demographic groups in the United States Barriers to their successful engagement include biases and assumptions about men and fathers a lack of father friendly policies and practices in the field limited training on how to work with fathers and relatively limited father inclusive social work research until recently This book addresses these barriers It is a guide to social workers in their efforts to better serve men as parents and does so from an ecological and systems perspective Multiple case examples and practical tools are provided as well as specific content on major social service systems Topics explored include Father Engagement Organizational Father Friendly Assessments Interventions with Fathers Setting the Course for Future Theory Research and Practice with Fathers Social Work Practice with Fathers Engagement Assessment and Intervention is a book that could be folded into foundation courses in social work or used by practitioners in the field It is an essential text for graduate students in social work psychology sociology child development allied health and similar disciplines and professions and a go to resource for helping professionals practitioners such as social workers psychologists and licensed professional counselors Advanced undergraduate students in these disciplines and professions also will find the text useful in their studies and work

Social Work Practice with Children and Families Francis K. O. Yuen, 2014-06-11 Effectively engage clients in working for personal change Social Work Practice with Children and Families presents the framework for family health social work and its applications in various practice environments This vital textbook provides a unique blend of academic deliberations and practical service guidelines Case examples or discussion questions are included at the end of each chapter to facilitate more in depth understanding and discussion among graduate and undergraduate students professors and educators in health and human service areas Social Work Practice with Children and Families is organized into two major sections entitled Practice Interventions and Policy Programs and Emerging Families This book will supply you with intervention and change strategies for promoting the physical mental emotional social economic cultural and spiritual growth and development of the family unit and each of its members resulting in its holistic well being The book covers a wide variety of family dynamics that you will encounter including gay lesbian parents single parents and grandparents as caregivers In this resource you will also find case studies adaptive strategies and intervention models for working with families dealing with abuse and violence disability loss and grief HIV AIDS migrating and seasonal farm work and more Social Work Practice with Children and Families will show you how to adopt and use family health social work practice methodology and models in your casework As a supplemental text it will help you harness the resources of the household the government and the community to develop

interventions and services that promote the interests and welfare of your clients and their loved ones **Social Work Practice with Children, Fourth Edition** Nancy Boyd Webb, 2019-01-14 Revised edition of the author's Social work practice with children c2011 Best Practice with Children and Families Barry Cooper, Jean Gordon, Andy Rixon, 2014-12-12 Social work practice with children young people and families is complex highly skilled and fascinating Writing about social work increasingly acknowledges the complexities and uncertainties of practice but rarely features the voice of the social worker themselves This book takes a different approach that of Critical Best Practice a constructive realistic and strengths based approach that takes as its starting point the telling and analysing of in depth stories about live practice The reader is encouraged to join the social work practitioner or manager as they engage with the everyday dilemmas and uncertainties of 21st century practice Ten narratives based round the themes of relationships risk and negotiation problem solving provide varied opportunities for critical reflection and learning about social work in different contexts Insights are offered into social work with children from young babies to adolescents and families with differing needs in different parts of the UK England Scotland and Wales *Social Work with Children and Their Families* Christopher G. Petr, 2003-09-18 An extensively revised version of the first edition this text focuses on the practical foundational knowledge required to practice social work effectively in the complex and fast changing world of services to children and their families The core organizing framework consists of eight pragmatic perspectives combating adultcentrism family centered practice the strengths perspective respect for diversity and difference the least restrictive alternative ecological perspective organization and financing and achieving outcomes Unlike most texts that focus either on direct practice or on policy Petr's revised volume integrates current policy including recent reform efforts with best practices The student thus gains a deep appreciation for how direct social work practice is linked to and even guided by contemporary policy initiatives and the values that underscore those initiatives Two new chapters are devoted specifically to the fields of child welfare and children's mental health providing an overview of the laws policies practices and terminology pertaining to each setting The next eight chapters focus on each pragmatic perspective and its relevance to child welfare and children's mental health The in depth case studies that comprise the concluding two chapters illustrate how typical client situations can be successfully addressed within the context of the pragmatic perspectives Packed with case studies specific practice instruction chapter summaries and suggested learning activities this book prepares students and practitioners to think and act professionally in ways that are consistent with current laws values policies and reform efforts in the field Social Work Practice with Families Mary Patricia Van Hook, 2019-10-22 Social Work Practice with Families uses resiliency a strength based perspective to frame a collaborative approach to assessment and treatment with families In so doing the text aims to help practitioners select a therapeutic model that effectively assists in addressing risk factors and promoting important resources The book provides clear examples of the elements in a strength affirming assessment and engagement process discusses resiliency in terms of families belonging to

various cultural groups and family structures and identifies resiliency issues and implications for practice with families facing major problems Including current evaluation research from the United States Canada and around the globe the text serves as a helpful resource to undergraduate and graduate social work students and practitioners *Critical Social Work with Children and Families* Steve Rogowski,2024 In dealing with individual problems and difficulties critical social work CSW is an emancipatory practice which seeks to address social injustice In this book the author draws on almost 40 years experience as a social worker to consider CSW in core areas of practice with children and families Fully updated to cover the impact of austerity Brexit the COVID 19 pandemic and cost of living crisis this accessible textbook is essential reading for students educators and practitioners of child and family social work It features **Social Work Practice with Children** Nancy Boyd Webb,2018-11-29 A leading course text and practitioner resource for over 20 years now revised and updated this book presents developmentally and culturally informed methods for helping children in family school and community settings Nancy Boyd Webb offers vital guidance and tools for practitioners The text demonstrates research based strategies for working with victims of maltreatment and trauma as well as children affected by poverty parental substance abuse bullying and other adversities Vivid case examples illustrate the whys and how tos of play and family therapy group work and school based interventions Student friendly features include thought provoking discussion questions and role play exercises Reproducible assessment forms can be downloaded and printed in a convenient 8 1 2 x 11 size New to This Edition Chapter on working with immigrant and refugee children Coverage of additional evidence based practices for intervening with kids Discussion of therapist self care Coverage of working with gender nonconforming children Updated for DSM 5 and features up to date research on brain development trauma and more *Handbook for Practice Learning in Social Work and Social Care* Joyce Lishman,2007-05-15 This substantially revised expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory knowledge research and evidence relating to practice learning in social care focussing on knowledge based practice with a focus on improving outcomes
