Socialist Feminism The First Decade 196676:

Socialist Feminism: The First Decade, 1966-76 Gloria Martin, 1986 Records the forging of the first Marxist feminist party in history the Freedom Socialist Party Set in the tumultuous upsurges of the 1960s and 70s Gloria Martin vividly describes the eruption of the women s liberation movement amidst the antiwar and civil rights struggles Martin documents early lesbian and gay coalitions the fight to legalize abortion in Washington State radical labor organizing community mobilizations against police brutality and poverty campus upsurges and the growth of the FSP s sister organization Radical Women She scathingly critiques the role of the Socialist Workers Party and other Left groups typified by sexism and opportunism To them she contrasts the Freedom Socialist Party s multi issue focus on reaching those most oppressed as workingclass people of color women and sexual minorities From the on the ground perspective of a seasoned organizer Martin probes with a sharp scalpel the internal conflicts in the movements for social change This is a story of years of intense work by radical women and men It is a chronicle a reference an analysis a judgment and a guidebook Its central message is inescapable socialist feminism as a theme and strategy has never been more urgently needed than it is today [Socialist Feminism, the First Decade, 1966-76](#) Gloria Martin, 1978 *Encyclopedia of Activism and Social Justice* Gary L. Anderson, Kathryn G. Herr, 2007-04-13 This is an important historical period in which to develop communication models aimed at creating opportunities for citizens to find a voice for new experiences and social concerns Such basic social problems as inequality poverty and discrimination pose a constant challenge to policies that serve the health and income needs of children families people with disabilities and the elderly Important changes both in individual values and civic life are occurring in the United States and in many other nations Recent trends such as the globalization of commerce and consumer values the speed and personalization of communication technologies and an economic realignment of industrial and information based economies are often regarded as negative Yet there are many signs from the WTO experience in Seattle to the rise of global activism aimed at making biotechnology accountable that new forms of citizenship politics and public engagement are emerging The Encyclopedia of Activism and Social Justice presents a comprehensive overview of the field with topics of varying dimensions breadth and length This three volume Encyclopedia is designed for readers to understand the topics concepts and ideas that motivate and shape the fields of activism civil engagement and social justice and includes biographies of the major thinkers and leaders who have influenced and continue to influence the study of activism Key Features Offers multidisciplinary perspectives with contributions from the fields of education communication studies political science leadership studies social work social welfare environmental studies health care social psychology and sociology Provides an easily recognizable approach to topics ideas persons and concepts based on alphabetical and biographical listings in civil engagement social justice and activism Addresses both small scale social justice concepts and more large scale issues Includes biography pieces indicating the concepts ideas or legacies of individuals and groups who

have influenced current practice and thinking such as John Stuart Mill Rachel Carson Mother Jones Martin Luther King Jr Karl Marx Mohandas Gandhi Nelson and Winnie Mandela Dorothy Day and Thomas Merton Revolution, She Wrote Clara Fraser,1998 An encyclopedic yet personal exploration of the meaning of socialist feminism the power of Marxist theory and working class feminism and the highs and lows of an activist life Through columns essays and speeches spanning 40 years Clara Fraser addresses diverse topics including women s leadership the interconnections of racism and sexism homophobia in the military electoral politics and her own and others battles for job rights and free speech Meet a woman revolutionary for all times

Marxism and Feminism Shahrzad Mojab,2015-03-12 Global events from economic crisis to social unrest and militarization disproportionately affect women Yet around the world it is also women who are leading the struggle against oppression and exploitation In light of renewed interest in Marxist theory among many women activists and academics Marxism and Feminism presents a contemporary and accessible Marxist feminist analysis on a host of issues It reassesses previous debates and seeks to answer pressing questions of how we should understand the relationship between patriarchy and capitalism and how we can envision a feminist project which emancipates both women and society With contributions from both renowned scholars and new voices Marxism and Feminism is set to become the foundational text for modern Marxist feminist thought Rebels, Reds, Radicals Ian McKay,2005-04-28 In this brilliant and thoroughly engaging work Ian McKay sets out to revamp the history of Canadian socialism Drawing on models of left politics in Marx and Gramsci he outlines a fresh agenda for exploration of the Canadian left In rejecting the usual paths of sectarian or sentimental histories McKay draws on contemporary cultural theory to argue for an inventive strategy of reconnaissance This important groundbreaking work combines the highest standards of scholarship and a broad knowledge of current debates in the field Rebels Reds Radicals is the introduction to McKay s definitive multi volume work on the history of Canadian socialism volume one Reasoning Otherwise Leftists and the People s Enlightenment in Canada 1890 1920 is now available

Crisis and Leadership Clara Fraser,Richard S. Fraser,2000 Cultural Writing The story of how and why the Socialist Workers Party abandoned its revolutionary program is an important chapter in American history The party was the inheritor of the ideas of the Russian Revolution and Leon Trotsky but when the radical 1960s exploded the SWP was paralyzed by its ties to the most privileged sectors of labor and its ambivalent and wildly contradictory approach to people of color youth and women Written in 1965 by partisans of the fight to reorient the party CRISIS AND LEADERSHIP provides a visionary analysis of economic and political developments and a hard hitting indictment of racism and sexism in the union movement and the Left

Feminism in the Heartland Judith Ezekiel,2002 Set in Dayton Ohio Feminism in the Heartland traces the history of a dynamic utopian movement that transformed the lives of thousands of women who fought to make their city and country responsive to women s needs

Routledge Handbook of Development Ethics Jay Drydyk,Lori Keleher,2018-07-16 The Routledge Handbook of Development Ethics provides readers with insight into the central questions of development ethics

the main approaches to answering them and areas for future research Over the past seventy years it has been argued and increasingly accepted that worthwhile development cannot be reduced to economic growth Rather a number of other goals must be realised Enhancement of people s well being Equitable sharing in benefits of development Empowerment to participate freely in development Environmental sustainability Promotion of human rights Promotion of cultural freedom consistent with human rights Responsible conduct including integrity over corruption Agreement that these are essential goals has also been accompanied by disagreements about how to conceptualize or apply them in different cases or contexts Using these seven goals as an organizing principle this handbook presents different approaches to achieving each one drawing on academic literature policy documents and practitioner experience This international and multi disciplinary handbook will be of great interest to development policy makers and program workers students and scholars in development studies public policy international studies applied ethics and other related disciplines **American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology
