Society In Colonial North Carolina:

Society in Colonial North Carolina Alan D. Watson, 1975 **'Poor Carolina'** A. Roger Ekirch, 2017-02-15 Ekirch examines the reasons for eighteenth century North Carolina's political factionalism, social violence and governmental paralysis. Especially disruptive were the opening of new areas of settlement and the influx of migrant groups with high material hopes, particularly since the colony's economy remained underdeveloped during much of the century. Fresh analyses are drawn of Governor Burrington's fiery administration, the Granville district turmoil of the 1760s and Regular Riots. Originally published in 1981, A UNC Press Enduring Edition. UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. Roger Ekirch, 1979 A History of the North Carolina Society of the Colonial Dames of America from March 1894 to March 1935 Colonial Dames of America. North Carolina, 1935 **The Colonial Towns of Piedmont North Carolina** Christopher E. Hendricks, 2024-11-15 How do towns come into existence? What circumstances determine whether they succeed or fail? In *The Colonial Towns of Piedmont North Carolina*, author Christopher E. Hendricks looks at one region in eighteenth century America to explore answers to these questions. He examines the establishment and development of eleven towns in the Piedmont, classifying them into three types: county towns formed by the establishment of government institutions such as a courthouse; trade towns formed around commercial opportunities; and religious towns such as the three towns developed in Wachovia, a region where Moravians settled. He uses these classifications to tell the stories of how these towns came into being and how in their development they struggled against economic, cultural and political challenges. Ultimately, *The Colonial Towns of Piedmont North Carolina* deepens our understanding of the influence that American towns had on the settlement of the backcountry. Hendricks tells the poignant story of the Moravians' struggle to maintain their neutral stance during the Revolutionary War, surviving exploitation and brutality from both the Continental Army and the British. The author also integrates the history of Native Americans into this mix of competing forces and shows how they were challenged by and resisted the newcomers. He emphasizes the role of individual initiative as well as the impetus of government, specifically courthouses, in establishing towns. By utilizing a variety of rarely examined primary sources, methodological approaches ranging from geographic theory to material culture studies and a deep examination of local history, Hendricks provides a comprehensive analysis of the emergence of these towns on the frontier. North Carolina's Revolutionary Founders Jeff Broadwater, Troy L. Kickler, 2019-03-27 This collection of essays profiles a diverse array of North Carolinians, all of whom had a hand in the founding of the state and the United States of America. It includes stories of how men who stood together to fight the British soon chose opposing sides in political debates over the ratification of the supreme law of the land, the Constitution. It also includes accounts of women, freedmen and Native Americans whose narratives shed

light on the important roles of marginalized peoples in the Revolutionary South Together the essays reveal the philosophical views and ideology of North Carolina s revolutionaries Contributors Jeff Broadwater Jennifer Davis Doyle Lloyd Johnson Benjamin R Justesen Troy L Kickler Scott King Owen James MacDonald Maggie Hartley Mitchell Karl Rodabaugh Kyle Scott Jason Stroud Michael Toomey and Willis P Whichard **Minutes of the ...
