Studies in the Soviet Union ,1984 **Toward Sustained Development in Sub-Saharan Africa** World Bank,1984 This is the third report on sub Saharan Africa on the need for domestic policy reforms to accelerate growth It is distinct from its predecessors in four respects First it places more emphasis on donor assistance strategy as essential to support the crucial domestic reforms which have been identified Second it stresses that better use of investment is the key issue This requires not only appropriate pricing policies but also adequate management capacity in the government and a more active role for nongovernmental institutions in the private sector Third it analyzes the growing debt servicing burden of these countries in the context of their overall requirements for foreign exchange Finally the report draws attention to the long term constraints to development which include population growth human resource development technological change and the erosion of natural resources Unless these issues receive continuing and increased attention development in Africa will continue to be frustrated **Credit and Reduction of Poverty in Uganda** William Muhumuza,2007 Uganda s National Resistance

Movement NRM government has used credit as one of the policy strategies to reduce poverty levels This study examines the effectiveness of that policy It traces the ascendance to power of NRM in 1986 when the country was in crisis devastated by years of political turmoil and economic mismanagement and illustrates how the NRM with the assistance of the World Bank and the IMF embarked on a multi pronged strategy to reconstruct the economy and improve living conditions Issues explored are the extent to which the sweeping reforms impacted on the welfare of the rural poor the extent to which credit programmes have economically empowered the rural poor and further examines whether credit initiatives created economic sustainability for the beneficiaries Dr William Muhumuza is an Associate Professor in the Department of Political Science at Makerere University He specialises in the study of political economy with a focus on rural development and good governance

World Agricultural Economics and Rural Sociology Abstracts ,1991 **Locally Generated Printed Materials in Agriculture** Isabel Carter,1999 The needs of grassroots farmers in Uganda and Ghana for locally developed print materials were examined through a postal survey of nearly 200 organizations and examinations of 75 autonomous farmer groups and 95 organizations sharing agricultural information in both countries Both printed agricultural information relevant to grassroots farmers and networks for distributing such existing information were in short supply Most large organizations directed their efforts mainly toward networking with similar organizations rather than toward visiting grassroots farmers or meeting their information needs Group support to grassroots farmers was deemed very important because it provides a safety net that allows members to share and try out new ideas The study confirmed the existence of considerable potential for supporting extension services nongovernmental organizations mass media services farmers animators and literacy services in the generation and production of agricultural information in local languages and aimed at group usage Thirty two

tables figures and 100 references are included The following items are among those appended sample pages of the publication Footsteps samples of materials in local languages information about the survey respondents a list of languages used for sharing information by survey respondents maps showing areas and groups visited lists of organizations contacted and sample newsletters and locally generated materials MN African Primary Health Care Jarl Chabot, Jan Willem Harnmeijer, Pieter H.
