Sociological Perspectives Volume 42 No:

Perspectives on Sociological Theories, Methodological Debates and Organizational Sociology Medani P.

Bhandari, 2023-04-13 This book stands as the full body of scholarly work on western theories of social sciences. The book contains three chapters. The first part gives the overall scenario of theories, the second part provides the pathway to research, destination, the research method, and the third and final part is the destination of the substantive field of study and the roles of international organizations on social, political, economic, environmental, regimes, creation, as well as to other social and development functions of international organizations. Sociology examines the social actors' activities in society and social problems. Western Scholars have developed many social theories which address the underlying causes such as social conflicts and inequalities, and many formal and informal social organizations are involved to minimize the challenges of inequalities. The study of social organizations is a relatively new phenomenon in sociology. Broadly its historical root can be traced from Greek civilization, Plato, Aristotle, and it has mostly flourished since the Enlightenment Era. However, empirical studies show that the scientific study of organizations began only from the 19th and 20th century. Among the scholars of these centuries, the contributions of Karl Marx, Ferdinand Tönnies, Emile Durkheim, Ludwig Gumplowicz, Vilfredo Pareto, Max Weber, and Talcott Parsons are considered as pillars of sociology. This book intends to answer the broad and major questions of theories, methods, and the international organization studies in social sciences, particularly in sociology, and to provide the basic concepts of social theories, application of methods in research, qualitative and elaborate the factual reality, why study of international organization is also subject of sociological study. The book presents the perspectives of organizational sociology in a way that scholarly readers can see the linkages, political sciences, sociology, and slightly economic in addressing the roles and issues of the international organizations.

Female Genital Mutilation and Social Media Christina Julios, 2018-09-26 This book explores the phenomenon of anti-female genital mutilation (FGM) social media activism. Against a backdrop of over 200 million girls and women worldwide affected by FGM, this volume examines key global online campaigns to end the practice involving leading virtual platforms such as Twitter, Facebook, and YouTube. Drawing from twenty-one fieldwork interviews with anti-FGM activists, frontline practitioners, and survivors, the volume investigates opportunities and challenges inherent to cyberspace. These include online FGM bans as well as practices such as cyber misogyny and clicktivism. Global campaigns featured include the UN's International Day of Zero Tolerance for FGM, the WHO's Sexual and Reproductive Health Programme, The Girl Generation, The Guardian's End FGM Global Media Campaign, and the Massai Cricket Warriors. Furthermore, ten case studies document prominent anti-FGM campaigners. Firstly, five African-led narratives from celebrated activists: Efua Dorkenoo OBE, Waris Dirie, Ayaan Hirsi Ali, Jaha Mapenzi, Dukureh, and Leyla Hussein. Second, five accounts from FGM survivors interviewed for the book: Mama Sylla, Masooma Rana, Alvi Farzana, Doctor Fatou Baldeh, and Mariya Taher. By exploring anti-FGM online activism, this book fills a gap in the literature which has largely overlooked FGM's presence in

cyberspace as a virtual social movement Female Genital Mutilation and Social Media will be of interest to activists survivors frontline professionals students academics and the wider public **CyberGenetics** Anna Harris,Susan Kelly,Sally Wyatt,2016-04-28 Online genetic testing services are increasingly being offered to consumers who are becoming exposed to and knowledgeable about new kinds of genetic technologies as the launch of a 23andme genetic testing product in the UK testifies Genetic research breakthroughs cheek swabbing forensic pathologists and celebrities discovering their ancestral roots are littered throughout the North American European and Australasian media landscapes Genetic testing is now capturing the attention and imagination of hundreds of thousands of people who can not only buy genetic tests online but can also go online to find relatives share their results with strangers sign up for personal DNA based musical scores and take part in research This book critically examines this market of direct to consumer DTC genetic testing from a social science perspective asking what happens when genetics goes online With a focus on genetic testing for disease the book is about the new social arrangements which emerge when a traditionally clinical practice genetic testing is taken into new spaces the internet It examines the intersections of new genetics and new media by drawing from three different fields internet studies the sociology of health and science and technology studies While there has been a surge of research activity concerning DTC genetic testing particularly in sociology ethics and law this is the first scholarly monograph on the topic and the first book which brings together the social study of genetics and the social study of digital technologies This book thus not only offers a new overview of this field but also offers a unique contribution by attending to the digital and by drawing upon empirical examples from our own research of DTC genetic testing websites using online methods and in depth interviews in the United Kingdom with people using healthcare services *Max Weber on Power and Social Stratification* Catherine Brennan,2020-07-09 First published in 1997 this book revolves around a textual analysis of the Weberian thesis that classes status groups and parties are phenomena of the distribution of power within a community An internal reconstruction of Weber s own ideas on what is called social stratification in contemporary sociological discourse is undertaken The reason for this reconstruction inheres in the fact that Weber s thought especially in the field of social stratification has been modified and misappropriated to such an extent that Weber himself is usually lost in the commentaries Moreover this reconstruction is crucial because the secondary literature does not contain a single account teasing out the analytic structure underlying Weber s statements on the nature of social inequality in various societies It is the principal intention of the book then to retrieve the essential form and significance of Weber s ideas on social stratification **Cults, New Religions and Religious Creativity (Routledge Revivals)** Geoffrey Nelson,2011-03-31 The twentieth century has been marked by an unprecedented outburst of religious activity on a world wide scale and in particular by a mushrooming of numerous religious movements This work first published in 1987 takes a fresh approach to the understanding of this phenomenon an approach which takes into account new concepts of human nature and of religion *Sustainability and company performance* Lujie

Chen,2015-09-03 This dissertation approaches the question of sustainability and its influence on company performance with special focus on the manufacturing industry In the contemporary production environment manufacturing operations must take into account not only profit but also environmental and social performance in order to ensure the long term development of the company Companies have to decide whether they should allocate resources to environmental and social practices in order to improve their competitive advantage Consequently in decision making processes concerning operations it is important for companies to understand how to coordinate profit people and planet The objective of this dissertation was to investigate the current situation regarding manufacturers sustainable initiatives and to explore the relationship between these sustainable practices and companies performance including financial performance operational performance innovation performance environmental performance and social performance First of all a structured literature review was conducted to identify sustainable factors considered to be important in the decision making of manufacturing operations The findings were synthesized into a conceptual model which was then adopted as the basis for designing the survey instrument used in this dissertation Drawing on Global Reporting Initiative GRI reports empirical research was performed to explore the relationship between environmental management practices and company performance Interestingly the findings showed that many environmental management practices had a strong positive impact on innovation performance Sustainability disclosures and financial performance were further analyzed using extended data from the GRI reports The results also showed that several sustainability performance indicators such as product responsibility human rights and society displayed a significant and positive correlation with return on equity in the sample companies In order to further explore the research area and to verify these findings a triangulation approach was adopted and new data were collected via a survey conducted among middle and large sample companies in the Swedish manufacturing industry The results indicated that the sustainable improvement practices had a positive impact on company performance Some environmental and social improvement practices had a direct and positive correlation with product and process innovation Furthermore findings suggested that better cooperation with suppliers on environmental work could help to strengthen the organizational green capabilities of the focal companies When considering the company s general approach to implementing sustainable practices some interesting findings emerged There were limited significant differences in sustainable practices when comparing different manufacturing sectors and different countries and regions However the results showed that Swedish manufacturing companies often place higher priority on implementing economic and environmental sustainability practices than on social ones This dissertation contributes to the literature on manufacturing sustainability The study expands the understanding of how environmental social or economic perspectives as a triple bottom line can influence company performance and to a certain extent the supply chain Identifying and understanding such relationships gives companies the opportunity to integrate sustainability into their manufacturing operations strategy in order to sustain their manufacturing operations over the long term Critical Social Work June

Allan, Linda Briskman, 2020-07-16 Another important contribution to the growing literature on critical social work. It is on the cutting edge of thinking about social work and its goal of social change. Kate van Heugten. *Social Work Review: Critical Social Work* starts from the premise that a central goal of social work practice is social change to redress social inequality. Taking a critical theoretical approach, the authors explore the links between personal and social change. They confront the challenges for critical social work in the context of pressures to separate the personal from the political and in responding to the impact of changes in the socio-political, statutory and global contexts of practice. *Critical Social Work* has been thoroughly revised to take into account recent social, economic and political developments. Coverage of theoretical frameworks has been substantially expanded and reflects current concerns such as evidence-based practice and human rights. The causes of people's marginalisation and oppression are examined in relation to class, race, ethnicity, gender and other forms of social inequality. Case study chapters in the earlier edition on working with immigrants, Indigenous people, women, men, families, people with psychiatric disabilities and those experiencing loss and grief have been updated and revised. The second edition includes new case study chapters on disability, older people, children, rurality and violence and abuse. *Critical Social Work* is an essential resource to inform progressive social work practice. *Beyond a Divided Cyprus* Nicos Trimikliniotis, Umut

Bozkurt, 2012-11-26 Cyprus is a postcolonial island known for natural gas reserves and ethnic divisions. This volume presents a fresh perspective on the Cyprus problem by examining the societal transformations taking place within the island: socioeconomic development, population transitions and migration, and rapidly changing social and political institutions.

American Promise Arthur I. Blaustein, 2017-07-12 This forcefully argued and carefully documented report by the National Advisory Council on Economic Opportunity criticizes the Reagan Economic Recovery Program on the basis that it separates economic theory from social policy, pursuing the former at the expense of the latter, which hurts the poor and could lead to social chaos. This controversial volume also argues that the current policy proposals for the 1980s ignore national standards of responsibility and accountability. The report focuses on five aspects of American social, economic and political life: unemployment and inflation, federal antipoverty programs and policies, the changing face of poverty and the myths that affect the poor, the role of voluntary associations and the shared moral values of our society, the particular problems of family, child care and welfare for women in poverty. Mixed-Income Housing Development Planning Strategies and Frameworks in the Global South George Okechukwu Onatu, Wellington Didibhuku Thwala, Clinton Ohis Aigbavboa, 2023-12-14

Functioning as a toolkit for inclusive urban planning, this book acts as both a model for understanding the planning and management of this framework and a foundation for future research. Researching Resistance and Social Change Mikael Baaz, Mona Lilja, Stellan Vinthagen, 2017-11-13 Resistance has often been connected with anti-social attitudes, destructiveness, reactionary or revolutionary ideologies, unusual and sudden explosions of violence and emotional outbursts. This book goes beyond these conventions, exploring various key questions ranging from concept definitions of affect and temporality to complex

entanglements of various social dimensions and ethical questions this accessible guide provides a robust theoretical and methodological framework for researching of resistance and social change By drawing connections between resistance and politics between performance and everyday strategies and between the juridical and its counter strategies this book provides students with a transdisciplinary understanding of contemporary debates in this emerging field Towards a Politics of the Rainbow Jill C. Humphrey, 2017-11-22 This title was first published in 2002 The trade union movement in twentieth century Britain has been a cornerstone for society's marginalized members women disabled people lesbians and gay men and people from black and ethnic minority communities As these groups of workers self organized to reform their unions they built a bridge between the old social movement based around class position and labour identity and the new social movements based around civil rights and status stratifications This book presents a detailed look at self organization within public sector unions through the emergence of four self organized groups within NALGO and later UNISON Drawing upon unique insider knowledge of the alliances and antipathies between the self organized groups and the host union the book also provides fascinating revelations of the tensions between self organized groups themselves This study will be essential reading for students of political sociology and industrial relations Deccan in Transition, 1600 to 1800 Umesh Ashok

Kadam, 2023-03-31 This book presents the socio cultural and historical trajectories of the Deccan plateau as well as the coastal areas of the current states of Andhra Pradesh Maharashtra Karnataka and Goa It studies the art of diplomacy by discussing the diplomatic relations between the Marathas and various European companies as well as the indigenous regional states The author also probes into the Maratha naval policy the evolution of a composite Deccani culture and the cultural flux that was taking place within the Maratha country Through an interdisciplinary lens the volume examines how caste and gender relations operated how the idea of dissent was generated as well as the socio political impact of various linguistic ethnic and religious groups Through a study of monuments sculpture and paintings prevalent in the region the book also discusses the developments in art and architecture in the Deccan Rich in archival sources this book is a must read for scholars and researchers of Indian history colonial history South Asian history Maratha history and history in general

Social Sciences and Cultural Studies Asunción Lopez-Varela Azcárate, 2012-09-19 This is a unique and groundbreaking collection of questions and answers coming from higher education institutions on diverse fields and across a wide spectrum of countries and cultures It creates routes for further innovation collaboration amidst the Sciences both Natural and Social and the Humanities and the private and the public sectors of society The chapters speak across socio cultural concerns education welfare and artistic sectors under the common desire for direct responses in more effective ways by means of interaction across societal structures *From Words to Numbers* Roberto Franzosi, 2004-05-24 This book offers a way to analyze narrative data in socio historical research

Social Work Practice for Promoting Health and Wellbeing Liz Beddoe, Jane Maidment, 2013-12-17 Promoting health and wellbeing is an essential part of all effective social work not just for

practice in healthcare settings In fact the IFSW holds that social workers in all settings are engaged in health work and physical and mental resilience can make a major difference to all service users lives Drawing on international literature and research the authors collected here encourage thinking about the social political cultural emotional spiritual economic and spatial aspects of health and wellbeing and how they impact on the unique strengths and challenges of working with particular populations and communities Divided into three parts the first section outlines the major theoretical paradigms and critical debates around social work and ideas of wellbeing globalisation risk and vulnerability and the natural environment The second part goes on to explore how diverse understandings of culture identity spirituality and health require different strategies for meeting health and wellbeing needs The final part presents a variety of examples of social work research in relation to health and wellbeing with specific populations including mental health Exploring how structural inequality oppression and stigma can impact upon people and drawing upon a social model of health this book is an important read for all practitioners and researchers interested in social work public health and social inclusion

Civil Society in the Age of Monitory Democracy Lars Trägårdh, Nina Witoszek, Bron Taylor, 2013-05-01 Since the emergence of the dissident parallel polis in Eastern Europe civil society has become a new superpower influencing democratic transformations human rights and international co operation co designing economic trends security and defense reshaping the information society and generating new ideas on the environment health and the good life This volume seeks to compare and reassess the role of civil society in the rich West the poorer South and the quickly expanding East in the context of the twenty first century s challenges It presents a novel perspective on civic movements testing John Keane s notion of monitory democracy an emerging order of public scrutiny and monitoring of power

Radical Imagination, Radical Humanity Rose Muzio, 2017-01-25 In this book Rose Muzio analyzes how structural and historical factors including colonialism economic marginalization racial discrimination and the Black and Brown Power movements of the 1960s influenced young Puerto Ricans to reject mainstream ideas about political incorporation and join others in struggles against perceived injustices This analysis provides the first in depth account of the origins evolution achievements and failures of El Comit Movimiento de Izquierda Nacional Puertorrique o one of the main organizations of the Puerto Rican Left in the 1970s in New York City El Comit fought for bilingual education programs in public schools for access to quality jobs and higher education and against health care budget cuts The organization mobilized support nationally and internationally to end the US Navy s occupation of Vieques denounced colonial rule in Puerto Rico and opposed US aid to authoritarian regimes in Latin America and Africa Muzio bases her project on dozens of interviews with participants as well as archival documents and news coverage and shows how a radical counterhegemonic political perspective evolved organically rather than as a product of a priori ideology

Social Capital Versus Social Theory Ben Fine, 2002-05-03 The idea of Social Capital is an attempt to incorporate social considerations into mainstream economic thinking Its proponents feel that social factors are properly

quantifiable So they use the complex algebra and statistics beloved of mainstream economic theory and measure units of health care or education in the same way that they would machinery or transport Ben Fine s main argument in this book is that such concerns cannot be judged in terms of mathematical methods and that to try to do so is overly simplistic Fine assesses the impact of Social Impact across the social sciences and shows how economic analysis is being subsumed into these areas and how thinking in sociology and politics impacts upon economics Handbook of Human Factors and Ergonomics Gavriel Salvendy, 2012-05-24 The fourth edition of the Handbook of Human Factors and Ergonomics has been completely revised and updated This includes all existing third edition chapters plus new chapters written to cover new areas These include the following subjects Managing low back disorder risk in the workplace Online interactivity Neuroergonomics Office ergonomics Social networking HF E in motor vehicle transportation User requirements Human factors and ergonomics in aviation Human factors in ambient intelligent environments As with the earlier editions the main purpose of this handbook is to serve the needs of the human factors and ergonomics researchers practitioners and graduate students Each chapter has a strong theory and scientific base but is heavily focused on real world applications As such a significant number of case studies examples figures and tables are included to aid in the understanding and application of the material covered

Sociological Perspectives Volume 42 No Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Sociological Perspectives Volume 42 No**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Sociological Perspectives Volume 42 No Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sociological Perspectives Volume 42 No free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sociological Perspectives Volume 42 No free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sociological Perspectives

Volume 42 No free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sociological Perspectives Volume 42 No. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sociological Perspectives Volume 42 No any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sociological Perspectives Volume 42 No Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sociological Perspectives Volume 42 No is one of the best book in our library for free trial. We provide copy of Sociological Perspectives Volume 42 No in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sociological Perspectives Volume 42 No. Where to download Sociological Perspectives Volume 42 No online for free? Are you looking for Sociological Perspectives Volume 42 No PDF? This is definitely going to save you time and cash in something you should think about.
